REMARKABLE CURE OF PILES !- THIRTY YEARS

ELY MOORE. REMARKABLE CURE OF PILES!-THIRTY YLARS STANDAU; Mount Washington, Berkshire co, Mass. ? November 29, 1817. } Messrs. Wyatt & Ketcham-Genes: For thirty years I have been afflicted with Piles, general debility and inflammation, causing-tunapes and prolapsus of the bowels, and which had resigned all the medical treatment Dr. Chapman and oth-ers could give. The last three years of that time my sufferings defy description. I 'was comined to bed, unable to help myself, and at last given up by my physician and briends in despair of ever gaining health: in fact for three days before I commended using Dr. Upham's Electuary, I was enfirely speechless and my burial clothes were made. Rut mder Providence, and the use of Dr. Upham's Electuary, though an old max, I have the pleasure of atating the fact to the pub-lic that my health is now good, and hope to live unany years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to re-commend it to my afflicted fellow-creatures. It helped me beyond the expectations of all that knew my case, and I can only say to others that it is [m my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it necording to the directions, I will myself warrant a cure in every cuse. Yours, with the afflicts corpression of markfulness, CORNELIUS SPUR. Egramont, Berks co, Mass. } November 29, 1847. {

Rahways Medicaled Soap. Construct Excitement in Pittspung 1-Our agent of this place writes of a mysterious incident which occurred in that place, in relation to an ex-cellent young lady, but who unfortunately pos-sessed a very repulsive complexion. Her face was covered with pimples, blotches, pustules,-her lips in cold weather would become sore and bleed. She had, however, several good traits, one of which was to read the newspapers. One morn-ing as she was looking over the columns of the Dispatch, she saw in large letters the words Ran-way's Chinkste MEDICATED SOAT! As a sure exterminator of all skin blemishes, with a direc-tion for all ladies to read the papers! Now mark the advantage. On Sunday morning she took her place, as usual, among the choristers, and to the utter surprise of her fellow-songeters, pre-sented a complexion as fair as a lily, and beauti-ful as the most admired belle of the town.-Strange woudering and much excitement was exhibited by the busy crowd, and nothing short of an explanation of how this suddon transforma-tion from ugliness to beauty was attained, would answer.
