CASS' PLUNDER GEN. CASS AND HIS ENORMOUS EX. TRA ALLOWANCES! The overwhelming indignation of the cople of this country was excited a few years ago, by the robbing of the National Treasury on the part of a host of great and small DEFAULTERS, and in wrath the People rose and hurled the administration of Martin Van Buren from power! Gen. Cass has got THOUSANDS from the National Treasury in scarcely a less criminal manner than Swartwoot and other defaulters. The following letter from the Hon. ANDREW STEWART,

Now, I assert that this great sage, sent in by President Polk in obedience to a resolution of the House, with the docu-ments appended, sustain and establish every dollar and cent I have charged against Gen-Cass. Now, if taken the task of sustaining these charges agsinst Gen. Cass off my shoulders. Will he do it? I venture the prediction that he extra pay, together \$234,231 49. Now, if iny charging Gen. Tallahasse, Oct. 5th, states that Cabell is cer-tainly elected to congress by a majority of over 500; and that Brown, the Whig candi-date for Governor, has an equally large ma-jority. Cabell's majority in six counties heard from is over 550, against 317 in 1846. The writer states that 18 Whigs and 3 dem-octats are elected to the State Legislature so octats are elected to the State Legislature so lar, and that there will undoubtedly be a decisive Whig majority on joint ballot-thus seuring to that party a United States Senator.
