BURRALL'S CORN SHELLER

THE subscriber respectfully informs the farming community that he has purchased the rightin BURRALLS CELEBRA EUDRN SHELLER, for the counties of Cumberland and Franklin. Farmers who have used this Corn Sheller, pronounce it a most invaluable invention. It is simple in its construction and not liable to get out of order. It separates the corn from the cob, without breaking either, and delivers the corn clean and fit-for market. It shells from ten to twenty bushels por hour. Eight hundred of them nave been sold the bast season by the inventor, all of which were highly approved.

by the inventor, all of which were reproved.

Persons wishing to see the above Corn Sheller, can do so, by calling at the shop of the subscriber, corney of. North Hanover and Louther streets, Carlisle, where he will keep constantly on hand a large number for sale. Every farmer and miller should have the above cheap but valuable Corn Sheller.

at the Fair of the Maryland Institute, November 1848.

A great and important improvement is made in this Shower-bath over all others, by throwing the water immediately on the body, without wetting the head, unless at the will or pleasure, of the bather; but a greater point is gained by being enabled to bathe with warm vater, which no other Shower-Bath is adapted to—and moast of all the Bath can be medicated without highly to the bair,

Many persons cannot take a cold bath—their case is met in this as they can regulate the temperature of the water to suit their wish, and commence bathing at any season of the year without any unpleasant result. Ladies can have the advantage of bathing without wetting the moad or covering the same.

The arrangements are simple and complete, and not liable to get out of order. The Bath can be adjusted to suit any height, from a small child to the fallest person. When the door is closed, the fixtures are hid, and the contested appearance is that of a neat piece of furniture.

They have received the approbation of several medical gentlemen—others are requested to call and examine, them, Manufactured by the Pathing Read wher Armstrong says.
