herald St Expositor

to the American people, than that which will perpetuate the late extraordinary Conches, a river of three hundred miles extent march of the U. S. Troops for their red which emplies itself into the Rio Grande all spective destingtions in Santa Fe and the Presidio del Norte, we should most assuspective destinations in Sana Fe and ine-freshio detrived, we should most as California, under the command of Brev't redly have spent some unpleasant days, whilst deprived of the consolation of saying, we have crossed that "running stream." In the whole course of our match, there seems. iment Antillery, and now actual Governor and Commandant of the Territory of New Mexico. This distinguished officer, after having served an actual cam-paign in the field of more than two years, rendered arduous labors but as a passing rein the recent war with the Republic of creation. Chihuahua now became the uni-Mexico, and who, in company with the versal theme, the river of San Pablo, al-Commander-in-chief of the Army of oc-Commander in chief of the Army of oc-torrent yet in the general anticipation was torgotten. It is mine now, the pleasing task days march of evacuation, when he re-ceived orders from the War Department² Upon the S6th of August might be seen on with date of 7th of June, 1848; to pro-ceed with the command therein assigned, lines of wagous, with bleached tents, anand by the most practicable route to the nouncing that our command again rests from and by the most practicable route to the hounding that out continuant again tests form distant points of designation. Monterey, in the State of New Leon, Republic of Mexico, was the point of concentration and departure for this command, which and departure for this command, which learn that our Government, by the selection was composed of Company C. 3rd Ar-tillery, Lieut. Judd, in command, accom-tillery, Lieut. Judd, in command, accompanied by Brev't. Capt. Kilburn and fin Lieut. Thomas, with additional duty as Col. Washington came like a friendly spirit Lieut. Thomas, with additional duty as Commissary, five companies of Dragoons Major Gruham in command. Doctor L. A. Edwards as Medical Doctor, Capt. T. L: Brent, principal Quarter Master, and Capt. Kane Quarter Master for the Cal-ifornia expedition. (Description of the search of t

The command left the city of Monte- General and Governor had been most markrey on the 25th July, 1848. Upon the night of the second day's march, at La Rincanado, the Commander of the expe-

the corresponding official contestation to the Mexican Governor, intimating in the was entirely friendly, and that the troops which was most religiously observed.

After nine days march, we arrived within three miles of the village of Parras in the State of Coahula, a very pleasras in the State of Conhuila, a very pleas-int town, famous for its vintage within, mon minutia of moving columns. and abundant wheat fields in the near vicinity without Our encampment was upon the farm of Don Manuel Ibarra and Brother, "contiguous to their residence, and where much hospitality was bestow-ed. The day afterwards, the command did not move and the soldter enjoyed a transtent repose, after travelling some 167 and abundant wheat fields in the near transient repose, after travelling some 167 miles. The village of Parras should al-ways create a pleasant sensition when mentioned, because divested of many pe-culiarities, prevalent perhaps in the Mexculiarities, prevalent perhaps in the Mex-ican country; numberless Americans 350 unites. The day of our arrival was one of

bare here found the kindest welcome. Upon the 4th of August we continued our march to El Poso, a sinall Rancho, but when wishing to pursue the most di-rect route, a want of forage in that direc-tion commelled us to make a dioression with fond antirectivity, the commander and hisestaff were invited to honor the closing scene of the vere invited to honor the closing scene of the vere invited to honor the closing scene of the twee invited to honor the closing scene of the vere invited to honor the closing scene of the vere invited to honor the closing scene of the twee invited to honor the closing scene of the vere invited to hon tion compelled us to make a digression with fond appreciation, hailed it as their coun-to our left, losing ground but obtaining try. At some ten or twelve miles above El applies at a small village called Alamo American settler. 'The next settlement is supplies at a small village called Alamo American settler. ¹ The next settlement is de Parras. Here I should do injustice to hospitality if I did not particularly re-capitulate, that their demonstrations was most friendly. From this small place another road bears still farther to the south, might have been followed, and in wet weather would be most nivisable however, the commander informed him. however, the commander informed him- and their sacred homes, and that with an eye forms three several lakes. We came to the river at an auspicious moment and succeeded in crossing the same with lit-if difficulty at the distance of six miles from Conception, at the ford of Figaron. The width of the river at this place might be 150 yards, with an equal depth of 12 inches water, the bottom being firm, free from quicks and, which is so univer-sally known to be dangerous to heavy trains. This river has often proven to be a barrier of forty days to the anxious in yealed, and confidence which the peculiar of the anxion passed, he informed bimself of its resources, and proved to billies, establishing that friend-ship and confidence which the peculiar of the abarrier of forty days to the anxious traveller. We travelled for two days upon low level ground, where this same the met day after his arrival, he assumed the upon low level ground, where this same stream has often poured its swelling floods, covering millions of acres, but leaving a kind remembrance like the Nile, whilst flowing through expection Egyption Now being beyond what with reason we had so much feared, new scenes a-rose; the old mining town of Mapami, in the State of Durango, was drawing near, the Nass river. Much interest was ex-cited in the command as we emergd from a deep winding ravine; most of us for the first time saw the large massive smel-ting establishments, and dense, clouds ting establishments, and dense, clouds issuing therefrom, telling that from the iore which had been laboriously drawn from the inner confines of some, rugged mountain, there yielding its hidden vir-tues unknown to the common eye, in the character of lead and silver. Here was through a the of the sup or or which had been laboriously drawn from the inner confines of some, rugged mountain, there yielding its hidden vir-tues unknown to the common eye, in the character of lead and silver. Here was egain rested one day from our cravel

Dalley's Magical Pain Extractor. THE ORIGINAL AND ONLY GENULVE

positive cure for Burns and Scalds, Erveipelas, Rheumatism., Salt Rho Sprain; Scald Head; Sore and flamed Eyes; Fever Sores, Sore Nipples:Broken Breast; Cuts and Wounds, Chapped

Lips and Hands, . and all cases of Inflammatic

where the haris affected can be reached, Burns and No matter how severe, are perfectly harmless if the "Pain Extractor" is at

hand to be applied. But mark! it must be the genuine Dalley. TO MOTHERS OF FAMILIES

It may with truth be said, that there is carcely a family of small children to be found, but where accidents sometimes do ocround, but where accidents sometimes do oc-cur, such as Burns, Scalds, Cuts, Wounds and Bruises. Children are subject moreover to Week and Influmed Eyes, Rheumatism, E-rugtions, Sores, Swellings, and Inflamma-tions

Dalley's Magical Pain Extractor. That is to say, the Genuine article, (not the disnamed, sporious and counterfeit extrac ors, that appear under various forms, names and disguises,) and which may be had at the Proprietor's only Depot in New York, and of his authorized agents, (whese sames are in the papers and on my Pumphlets,) never fails in any of the above chees, no matter how see vere they may be, not alone to extract tr-pain forthwith, and effect a speedy and cer-tain course-and thus save a vast deal of suffer-ing. But, what is of the least importance, especially to Girls--and it is to this that the starting of Mothers is next-could be traduested attention of Mothers is particularly requested Dalleys Genuine Extractor, in the worst case i of Burns and Scaldr, leaves no sear, or unsightly mark behind, to remain, in after years ument of sorrow and regret to afier tionate parents. It has, moreever, and not unfrequently, been the means, in extreme cases, of preserving life itself,

No Family ought therefore to be without the Extractor for a day. Printed Paraphlets containing certificates of cures, and for the trath of which I hold myself RESPONSIBLE, may be obtained, at my Depot 415 Brordway, New York, and on ap-plication to my anthorised agents. The fellowing from George E Pomeroy, Esq. the well known proprietor of the Express speaks for itself of the importance of the Pain Extractor to every Parent.

Express Office, Albany, Sept 1. MR. Dalley, Dear Sir-With feelings of no. ordinary pleasure I address you in relation to the benefit I have received from your involu-able Pain Extractor. Lately, my little daugh ter, 6 years old, had a pitcher of boiing wa-ter turned into her bosom, her screams were dreadful, so it.at a crowd instantly gathered before the boune to learn the cause of the ter before the house to learn the cause of the ter

rible screams. I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed. She was soon relieved from her pairs, and said, "Ma, I fell as if I could laugh," and was soon in sweet sleep. She was scalded to a blister from the twp of her shoulder over more than hulf her cheet, and round under her arms. On the from the first hour, she complained only when it was dressed. The sore healed repidly, and
