CONFIRMATION .---- We are requested to state that confirmation will be administered in the Catholic Church in this borough, on Tuesday, the 19th inst., at 10 o'clock, A. M., by the Right Rev. Bishop KENNICK.

ENLARGEMENT OF THE HERALD, 7-Our proposition for onlargement has been already responded to by several of our friends, and a number of names have been added to our list. We are confident that our list can be largely increased if our old subscribers will but urge uoon their neighbors the duty of supporting their own county newspaper. We are determined to publish a paper worthy of our flourishing agricultural county, and at the cheapest rate, \$1,50, if paid at the time of subscribing !

SAD EVENT .- Charles Callio, an interesting boy of thirteen years, son of Mr. Jas. Callio, of this borough, was drowned in the Canedoguinet Creek, on Monday last. Ho was out in a boat with a smaller boy, and neither of them probably being able to manage it, the boat floated over the dam. The other boy saved himself by clinging to the boat, but Charles, unable to help himself, was drowned. His body was soon after recovered, but life was extinct. A little more than six months ago we recorded an accident by which this same little fellow was so much injured by a

train of cars passing over him, that the amputation of one of his legs became necessary. That misfortune having rendered him a peculiar object of affection, it may well be supposed. that the sad event of Monday fell with heart--rending-force-upon-his -efficted-parents-andfriends. The calamity elicited the deepest sympathies of our community?

ous friends in this county will be gratified to learn that L. G. BRANDEBURY, Esq., of this bo rough, has recently been appointed to one of the higher clerkships in the Treasury Department at Washington. Mr. Brandebury is a gentleman of fine talents, which he has for years freely devoted to the promotion of Whig principles. His appointment is but a just ac. knowledgement for valuable and efficient services as a working Why. We shall miss him at the next "rally."

STRAWBERRIES! - Our enterprising friend, Mr. DAVID MILLER, jr., of the. ' Highland Nursery,' near this borough, showed us some splendid specimens of this delightful fruit a few days since. He has now under cultivation several varieties of the Strawberry, the largest and finest of which is the Hovey Seedling.' One of these, shown to us, measured full three and a half inches in circumference ! We hope Mr. Miller will send a good

🆨 supply into market.

THE CHOLERA.-Doour citizens think our town to be so entirely safe that no measures are necessary for cleansing streets and alleys, removing impure and offensive matter. and adopting such regulations as shall have some effect in warding off disease? Preventives are always bettor thun cures, and it seems to us high time that some movement. should be made towards preserving the general health of the community,

THE HOME JOURNAL .- Published every Saturday. The first number of a new series of this widely-circulated and universally popular Family Newspaper, will for the accommodation of new subscribers, be issued on Saturday, the seventh day of July next, with several new, original and attractive features .---The Home Journal is wholly a peculiar paper, abounding in every variety of Literature and News: and besides being one of the most elegantly printed and interesting shoets extant, it is by far the cheapest-the terms being only

HOLDEN'S DOLLAR MAGAZINE.-The June number of this remarkably cheap publication contains a variety of interesting original articles in various dopartments of literature, together with several good Wood Engravings. If your readers are incredulous as to the possibility of any person issuing a Monthly Magazine of near 100 pages, well printed on good paper, and edited with ability, for the mere triffe of \$1 a year, let them remit that amount to Charles W. Holden, No. 109 Nassau street, New York, and their incredulity will soon vanish.

THE GLORIOUS FOURTH !- Temperance celebrations are talked of in Shippensburg and Newville on the 4th. A large society has recently been formed in the latter place, we are informed. We wish it permanency and boundless increase of membership.

to announce Col. William Gilmore; of Chambersburg, Franklin county, as a candidate for the office of Major General of the XV division Pennsylvania Militia, (being Cumberland, Perry and Franklin counties,) at the election in July next.

THE CALIFORNIANS !- A letter from Geo Fleming, Esq. (received just as we were going to press) dated "Plain's, noar Caw or Kanzas River, May 11, 1849," informs us that the party have reached that point safely. It is about one hundred miles beyond Independence. All of them were in good health and getting analong finely.
