## Fancy Printing.

to-Having ordered for our Job Office an additional variety, of. Fancy Types, Ornaments, &c., we are prepared to do all kinds of printing, such as Circulars, Blanks, Cards, &c., in the most showy style, and prices at low as any other Establishment. We have also peculiar facilities for doing pamphlet printing.—
Our friends are requested to give us a call.

Doubling GAP Springs.—We cannot doubt that this new watering place is destined to become a favorite place of popular resort.-The medicinal properties of the waters -the attractions of the location-and the excellence of the arrangements which we are confident will be made in every department by the gentlemanly proprietor, must give popularity and success to the Doubling Gap Springs From what we learn quite a large company of visitors may be expected there this summer. Some of our own citizens are already forming parties for the jaunt.

During our absence last week at the time our paper was made up for the press, several favors from one of our most val. ned advertising patrons were suffered to be crowded out by the overeight of our foreman. We are sorry to have thus given cause for complaint, but shall endeavor to prevent a recurrence of the like.

STOLEN GOODS, - We are requested to state that officer McCartney of this borough took into his nessession on Monday last as stolen goods, a number of articles, consisting of five shirts, one large towel, and six salt shad, which the owner is requested to come forward and identify.

ENCAMPMENT. - Capt. Henderson's gallant Company of "Carlisle Cadets," we been intend visiting the Doubling Gap Springs early in July, to perform samp duty.

Losr.-On Monday evening last a miniature gold breast pin, shape of a padlock. The finder will receive thanks and a suitable reward by leaving it at this office.

#### For the Herald. Major General.

MR. EDITOR:—Permit me to suggest the name of Major E. M. BIDDLE, of the Borough of Carlisle, as a suitable person for the office of Major General of the 15th Division of Pennsylvania Volunteers. Major Biddle has every qualification for a commanding offi-cer, as any man who belonged to the Old Carlisle Light Artillery can attest. He com-manded that company for eight years, and the high state of discipline to which it attained, and at the same time his great popularity among his men, show that he would make a first-rate Major General.

A CUMBERLAND VOLUNTEER.

LIPPARDIANA .- The Reading Gazette, a very genteel locoloco paper, also refuses to help George Lippard into "notoriety." The Gazette, in prelacing the Lancaster Intelliegencer's notice of Lippard, says:

"Ye adopt from the Lancaster Intelligencer, the following reasons for not admitting George Lappard's recent letter against Gon.
Taylor, into its columns. George is a very Taylor, into its columns. George is a very sublitious young gentleman, and is determined to acquire notoriety, if he cannot win legitimate fame. One of his latest tricks, with this end in view, consists of writing importinent, and abusive letters to distinguished personages; somewhat atter, the fashion of the half witted clowns who fire platols at Queen Victoria, that they may figure conspicuously in the policie records. We do not think that George's aspirations are of a character, to ment commendation; and agree acter to merit commendation; and agree with the Intelligencer that the press has already too freely ministered to his morbid thirst

FAITHFUL SLAVE .- The Fairfield S. C. Herald mentions the death of a slave, the property of a Mr. Hudson. He had been treated always with great kindness, and so loved his mistress, that when she died he was unable to bear her loss, and committed

Wew and Important!

CEORGE W. RHEEM having recently Parent Collar Stuffers, would respectfully call the attention of the trade to that important important invention. It is certainly one of the greatest improvements of the age. This machine stuffs the Collar crooked around the block, faced with hair, wool, or other materials, back stuffs it with long straw, and also makes collars of cut straw with less than half the labor gud time of the old way of stuffing. This methine will stuff all and every kind of horse collars, from the best patent leather down to the commonest kind in use, and with but one man steadily at work will and, bester siyle than any other way known. Saddlers in the county are invited to call at the subscriber's establishment on North Hanover street, Carlisle, and examine the machine. Township or shop-rights will be sold. To those who do not wish to buy a right the subscriber offers Ready Mark Cellars in the sales much cheaper than they can be manufactured in any other way. Orders for collars in any quantity are respectfully solicited.
