REMARKABLE CURE OF SCROFULA.

REMARKABLE CURE OF SCRÖFULA

Southport, Conn., January 1, 1848.

Messrs. Sands:—Gentlemen—Sympathy for the affilicted induces me to inform you of the remarkable cure effected by your Sarsaparilla in the case of my wife. She was severely affilicted with the Scröfula on different parts of the body; the glands of the neck were greatly enlarged, and her limbs much swollen. After suffering over a year, and finding no relief from the remedies used, the disease attacked one leg; and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use Sands Sarsaparilla. The first bottle produced a decided and favor able effect, relieving her more than any prescription she had ever taken; and before she had used six bottles, to the astonishment and delight of her friends, she found her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and think Sands Sarsaparilla a great. Sours with respect,

The following testimony from Bev. John Grigg, late Rector of the Church of the Crucinxion in this city, commends itself to the attention of the afflicted. Numerous certificates of cures of various diseases effected by this medicine are almost daily received.

Messris Sands:—A member of my family has taken your valuable Sarsaparilla for a severe scrotulous affection, &c. withink most beneficial effect resulting from its use. It gives me very great pleasure to record my testimony in behalf of its virtue and efficacy, hoping that others may be induced to make a trial of it.

New York, May 10, 1638.

Messrs. A. B. & D. Sands:—

Restriamer—Feelings of gratitude induce me to make a public acknowledgment of the benefit I have derived from the use of your Sarsaparilla. I have for several years been afficted with scrofulous swellings in my head, which at times would gather and discharge at my,throat, nose, and ears, and at others would break out in different parts of my face and head. These continued until my throat, face, and head were almost one complete sore, and for a long time I was to hoarse that it was with the utmost difficulty that, could speak above a whisper. During this time I had several attacks of pleurisy and other diseases. I consulted different physicians, and tried various remedies, but received no benefit until I commenced using your Sarsaparilla. I am now well; the sores are all healed, and I attribute the result entirely to the, effects of your valuable medicine.
