6s. 4d. her iv is a result of the arrivals for the week have been small. Livenpool. Provision Manner, Aug. 25.— A far amount of business is going freward in Baef, the prices are steady. Both Bacon and Pork have been sold at lower prices. Shoul-ders are dull 100 to 150 hds. were returned to New York within the last few days. Hol-ders of Lard do not offer this article [freely.— Cheese is soarce. Ordinary and inferior con-timue" line unloss at very low nribes.

M. Ledru Rollius has returned to Paris to Stand his trial. The first meeting of the Peace Congress took

place on Wednesday, in the great hall of Ce-cild; in Chausse d'Autin, about 1,500 persons were present. The celebrated M. Victor Hu-go, in the chair. The flags of all nations adorn-ed the hall. The stars and stripes of the Unied the hall. The stars and stripes of the Uni-ted States occupied a conspicuous position, floating side by side with the tricolors of France and the English union Jack. Mr. Cob-den and the American gentlemen were saluted with enthusiastic cheers. The names of parties who gave in their adhesion to the principles of the Congress, and then M. Victor Hugo made his speech amidst intense applause. It is descri-bed as an exquisite piece of composition, and "soplicte with the most benevolent sentiments.-It is understood that the French government have expressly forbiden the speakers from ma-ting any allusion-to passing-polities. ing-any-allu ion-to-passing-politics...

AUSTRIA AND HUNGARY .--- Vienna papers and letters of the 17th August, contain the news of the surrender of Georgey and his army. The following proclamation was posted in Vienna on the 17th:

on the 17th : "His excellency Baron Haynau to His Majesty The Emperor : His Excellency, Baron Haynau, mforms His Majesty the Emperor, that the reb-el chief Georgey, with a large part of his army of 30,009 to 40,000 men, surrendered on the 13th inst, unconditionally, at Vilagos. "Wienma, August 47, 1649.3"

"Vienna, August 17, 1849." Our correspondent gives us an account of the events which preceded Georgey's surrender.— Referring to'an earlier report of Georgey hav. ingerossed the Theiss with his army, our cor-respondent proceeds to say that after Georgey's crossing the Theiss, on the 31st ult., both the Austrian and the Russian Generals were at a iost where to find him. "3 On the 1st inst." continues our proceeds

iose where to find him. <sup>4</sup>; On the 1st inst," continues our correspon-dent, "General Grabbe received orders to fol-low the plan of operations originally laid down for him, which was to pacify the western Hun-garian counties. The Russian Marshal states, that after he had routed Nagy Sardor before Debreczin, he determined to wait in that city antil Georgey, 'who had ratired from the neighborhood of Tokay,' should come down to the south. eighborh 10 south.

Previously to a detailed account of the battle with Negy Sordor, which is given, the Marshal remarks that, on his arrival at Ujvaros, he could gain no tidings of the enemy, as he found the includence of the enemy as he found iants of country so atta

against which he found himself almost casually

Cabinet have addressed the Poper in not very cuttleous temps, to the effect the Poper in not very cuttleous temps, to the effect that France will in-sist, even by force of arms in decessry, on having the reforms she had indicated adopted

MISCELLANEOUS.-Letters have been received at Paris announcing that the Pope had confer-red on Gen. Oudmot the third of Duke of Pine-rezio, and granted him a pension of 6000 crowns, for his valuable services in the cause of the

Holy See. The French ministry are making great efforts to act with judgement and prudence, and be governed by honest motives. When the

WHIG STANDING COMMITTEE.

The members of the Whig Standing Com-nittee of Cumberland county (appointed at the ast county convention) are requested to meet the Public House of Henry Class, in the bor-augh of Carlisle, on SATURDAY, the 15th of -and that they expected his nomination through a rightful claim, are facts which ev only deny them in a spirit of utter rec ptember, at 2 o'clock, P. M. A general lessness. That there must have been some aportance will be transacted. WM. M. PENROSE, Chairman. ruling power covertly at work, is clearly shown in the contemptuous rejection of Mr Carlisle, Sept. 5. 1849. Criswell, and the taking up of Mr. Duke, o WHO IS AT WORK 3-Are the Whies Shippensburg, for Treasurer, in direct opposi of Cumberland county all at work? Are tion to the wishes of the Shippensburg dele hey completely organized in every town- gates. If there was no controlling dique a work why wage' not the known wishes o ship and election district? Have they made all the necessary arrangements to poll a full delegates more respected ? With these facts standing so glaringly out in the proceedings Whig vote on the second Tuesday of Octoof the Locofeco convention, the Volunteer' per next? If not, then let there be no delay. There is no time to be lost. If they are not bold denials amount to little or nothing. ully organized, let them organize immedi-In the matter of the Sheriff's nominatio we leave the people of the county to vindi ately. If their arrangements are not yet complete, let them perfect all of them at the earcate their own rights and claims. The Vol iest possible moment. Let them bear in unteer may appeal to its party to disregard sectional feeling in looking upon the nomina nind that a perfect organization is essential tions, but we very much mistake their char to secure a full vote, and that a full vote enures a Whig victory. Let them, then, bed acter if they do not administer a rebuke the selfish clique, who have broken down old zealous and active in effecting a thorough zealous and active in selecting a thorough and complete organization, and success will follew as a matter of course. Sheriff's nomination to the their own ambi-tious purposes. 

The Best Men.

against which he found himself almost casually arrayed. Mere soldiers of fortune and foreigners, like Dembinski and Bem, were of course propared to fight to the last extremity, and the instige-tors of the revolution; like Kossuih could have no begie but in resistance : but the military chieft of the Magyars, like Goster, culd have no begie but in resistance : but the military chieft of the Magyars, like Goster, culd have no begie but in resistance : but the military chieft of the Magyars, like Goster, culd have no begie but in consistence : but the military chieft of the concelled with Austria by Very different ties. Roars.—The French government, it isslated, has become so disgusted with the conduct of the Cardinals that the court at Gaeta has been notified that if the commission acting in the name of the Pope continue the, administration in the spirit in which they have begun, and an insurregion should follow, the French garrison press it. The Paris papers say that the French courted to booked to for the indesures to sup-press it. The Paris papers say that the French

tion of Gumbarland county, and are excellent representatives of that slaunch, portion of our community. They are men of sound common sense-of pure moral character-of tried integrity -of honest purposes and patriotic feelings-who if they do not show themselves prolound statesmen or brilliant orators, can at any rate be salely relied upon

The French ministry are making great efforts to pay off Louis Phillipe's private debte, and for this purpose have sold some of his forests. Prince John of Saxouy is about to give two of his daughters in imarriage—one to the Duke of Genos, the other to the Empireor of Austria. The Queen at lastfacedunts was at her High-land home of Bamorhi in Socitand. Odessa is to be a free port for five years lon-or.

And when it pronounces Henry Church having taken place at Alexandria of the and August. His body was interred on the 4th in and DAVID S. RUNSHA, it can only disgust all in the citadel. who know each of them. The Whigs have tions of his own party that he has been denounced as unfit, unqualified, and wanting in character. It is by men in his own poli ical ranks-and men of the best characterthat he has been opnosed, because as they

declared, they could not conscientiously sup port him-and it was a convention of hi own party which passed the significant res olution for one term-to apply to him in the event of his election. Now when these facts are considered it will be seen that the Volunteer offers a deliberate insult to the moral sense of a large portion of its own roaders, in its absurd praise of Henry Church at the expense of George Rupley and David S. Runsha. And to the scores of moral an

respectable democrats who have declare that Henry Church is a man whom they can not consistently vote for, we leave him.

The Nomination for Sheriff. Our exposure of the "doings of the Can liste clique" and the way they diddled Mr Criswell, of Shippensburg, out of the nomiation for Sheriff, when it of right belonged o his section of the county, has aroused all he ire of the Volunteer. Our article on the subject is denounced as the "lowest kind of argument to address to ar. intelligent people, and we are told to name the men who form this clique, and how they rule, or else ac knowledge ourself a falsifier. But that does not follow. We have not been in the habit of dragging names into print through a wanton purpose of casting odium upon them, and have no disposition to do it in this instance. As to hop the clique rules, it is not so easy to explain. We see the results of their roling, while the modus operandi baffles our pene tration. It is useless for the Volunteer to deny the general facts stated in our article respecting the locoloco nomination for Sher-iff. That the nomination rightfully belonged to the upper section of the county, through an old and honored usage, which gives that nomination to each section in regular suc cession-that Mr. Criswell was the acknowl edged choice of that-section-that the dele gates of Shippensburg, and other upper dis

ncts, were chosen particularly as his friend ery man knows and feels, and the Volunteer

THE RECENT ELECTIONS.-If is a standing boast of the Locolocos that Gen. TAYLOR was elected by "democratic" votes, and hence that the vote polled for him must not be re-The Star that Never Sets

GLORIOUS WHIG VICTORY gerded as an evidence of Whig strenglis-An election for Governor, Lieutenant Gov The recent elections prove the fallacy of this nor, Treasurer, members of the Legislaturer, and a member of Congress, was held in Ver-mont on Tuesday of last week, and gloriously did it result for the good cause. The returns tell a tale that will gladden the heart of every While from Maine to California. Loco Focoism assumption most conclusively. They also prove that the Whigs have have manifeste a zeal no way interior to that displayed in the Presidential contest, as will be seen by the following comparative statement from and Political Abolitionism had shaken hands in a seramble for power. They thought it already the official telume from such of the States as within their graps. Could they but carry Ver-mont—the never-failing, glorious, Whig Ver-mont, they Would have should for foy and pro-claimed it as a victory over the administration of General Taylor. But the Freemon of Verhave already come in, carefully prepared by the New York Tribune :---1849.

Gen. Taylor's vote. Whig Cong. vote. Rhode Island, 2d dist. 2,393 2,832 Andoan 5 cont diar 31:032 N. Carolina, 9 do do 30,073 Indiana, complete 69,907 Total, of these, 124,315

124.455 This shows an increase of the Whig Couthey have over-thrown. gressional vote of 1849 over that of General Taylor, of 137 votes. Some of the States yet remaining to be heard from, but they show an overwhelming defeat of Locofocoism and pseuto send in their returns in an official shape, will increase this difference, especially Verdo Free-solism. The Whig State Officers are supposed to be elected by the people, and the Legislature is Whig in both branches by large majorities. The returns indicate large and de-cided. Whig gains in every section of the State. So far the Whigs have 20 members of the Sc-bate, and the Locofcors and their allies 6. In mont, which it is presumed will show an increase of from 2000 to 3000 votes. The ill success in Kertucky and Tennessee arose from the fact that the Whigs were, in the hate, and the Locofocos and their allies 6. In the House the Whigs have 91 members, and the words of the Tribune; "cried -down-as - the anti-Slavery party.". This was sufficient' to deter some thousands from voting at all, or to induce them to vote for Locoloco Congressmen. Upon the whole, the result of the election

the House the Whigs have 91 members, and the Locofocos and Free Soilers 50, being a gain upon last year of 18. The majority for Prof. Meacham, for Congress, is from 800 to 1,100. It will be recollected that last year the State officers failed of an election by the people, and wore chosen by a close vote of the Legislature. This is indeed a glorious result. The New York Tribune, the Editor of which stummed the State for the rough of the cause in prove that the Whigs are active and united, as faithful as ever to principles, and as de termined in action. The result in Pennsylstumped the State for the good of the cause, in commenting on these returns, says : vania, we will not permit ourselves to doubt, "We rejoice the more at this victory because will be another evidence of the fact. The signs of it are numerous and most promis-

"We rejoice the more at this victory because it is a decided expression of the people of the State of the great question of Free Soil, and against a coalition which sought to use the Free Soil sentiment of the State for its own purpo-ses. Their shuffing intrigues could not pass with the intelligence and straight-forwardness of the Vermont electors. They were not to be humbugged out of the certainty that the Whig Party ever has been and still is the great barrier to the Extension of Slavery. They have cast their votes accordingly. It is for others to fol-low their example if they would secure the great object at stake, Free Institutions for Soil now Free." HONEST JOE MCDREMOND .- The little incident we published week before insi, showing Joseph McDermond's noble don duct towards a poor and embarassed Metho dist Congregation, in collecting funds to relieve them from their difficulties-worries our neighbor of the Volunteer no little .-That paper strives to make light of it, and Since the above we have returns of Repre-

intimates that it was merely an electioneersentatives from 207 towns in Vermont, all but about 40 in the whole State. In these 117 ing scheme. But this attempt to convict Vhigs are elected to 78 all others: Whig ma Mr. McDermond of unworthy and selfish jority thus far 39. These same towns, last year elected 92 Whigs to 99 all others, show motives will not do, in the neighborhood of Newville. There, the people know honest ing a clear net Whig gain thus far of forty-two Joe McDermond, and know his warmin the House!

### hearted benevolence and disinterestedness

of character. The incident we have stated APPORTIONMENT BILL .- The success is but one of the many in which his ol the Whig party at the next election, so far kindly feelings have exhibited themselves in as the Legislature is concerned, is a mater efforts to promote the public good. As we of some importance. At the next session, before remarked, his name has passed into says the Reading Journal, the bill for the apa proverb for kind actions toward his neighportionment of Senators and Representatives bors and the community; and their apprecifor the next seven years, will have to be pasation of his character will be testified in an sed. This, in itself, should induce the Whigs unmistakeable voice at the the ballot-box on to bring out their entire strength, in support the second Tuesday of October! of their candidates. The Locos have neve 1.1

scrupled to resort to the basest means to ger GEN. TAYLOR AND SLAVERY .- The Free Soil rymander the State so as to retain power in men have had a story among them, that after their hands. with regard to the President's using his influence in favor of Walker's amendment, came up in the course of conversation. The General said he had been entirely misrepresented by Mr. Giddings in this particular-that the first inti-mation he had of influencing members of Con-gress, was conveyed to him, in the published charge of Mr. Giddings. He had never sent for a single member of Congress for the pur-pose of conversing with them on this topic, and out of the large number who caffid upon him after his arrival in Washington, the California question was mentioned but rarely, and then atter his arrival in Washington, the California question was mentioned but rarely, and then only as the conversation happened to take that turn. He owned to being anxious that Califor-in should have a supersonance memory have that Califor-in should have a supersonance memory have that a supersonance memory and the in should have a supersonance memory have that it wars against turn. The owned to being anxious that cannot be the general good—exceeds all prudent lim-bowie knife and pistol, but said he had never expressed a preference for the amendment of Mr. Walker over that of any other. He re-politics must receive the attention of the marked in this connection, that the people of the people. The honest and patriotic freemen .North need have no apprehension of the further exof the country must come to the resouelof an tension of Slavery-that the necessity of a third administration whose sole aim is the pros party organization on this score would soon be obviated; with other observations too signifi-cant to be misunderstood."
