FIRE.—We learn that the toll-house of the old Harrisburg Bridge, on the Cumberland county side, was partially consumed by fire, on Saturday morning last. The fire caught from a stove pipe, and the upper story of the house was entirely destroyed, with a considerable amount of furniture in the rooms. The loss falls severely on Mr. Wm. Lamb, who occpied the house.

SLEIGHING!—There was a fine fall of snow here on Sunday night, which has made delightful sleighing. That is, it *looks* so; for we are "a mere looker-on" here in our editorial den, while jingling bells, dashing teams, gay turn-outs and merry insiders, whirl past us in all the glory of sleighing excitement. We hope no reckless individual, with a spanking pair of horses and a fur-lined sleigh, will attempt to drive up to our humble door and ask us to take a seat!

Notices.

☞We are indebted to L. A. Godey, Esq., the well known editor of the "Lady's Book," for a proof impression of his own portrait, which is to honor the February number of that favorite Magazine. Mr. Godey has presided over the Lady's Book for twenty years, during which time it is said he has paid to American writers and artists no less than $200,000, and has elevated his Magazine to a high rank in popular favor. The patrons of the Lady's Book will of course be pleased in being put in possession of an authentic likeness of its enterprising publisher.

Methodist Quarterly Review, for January 1850. John McClintock, D. D., Editor—New York. We have been able in the short time since it was received to give but a slight glance at the contents of this number of the Review, which under the editorship of Prof. McClintock has attained the highest reputation. We should be glad to see it regularly. It is unquestionably the cheapest Review in the country—each number comprising one hundred and sixty pages octavo, elegantly printed. The name of its editor is a sufficient guaranty that it will never be allowed to rank lower than the ablest. Subscription, $2 a year. It is entitled to an extensive patronage, particularly in the denomination of whose faith it is a leading exponent.

"A defence of Medical Galvanism, containing a few cheering stubborn facts, especially interesting to the afflicted"—by Dr. Wm. R. Massey, of Baltimore. This pamphlet contains a great many testimonials to Dr. Massey's success in the treatment of disease by galvanism, in Baltimore and elsewhere. Truth compels us to say that neither in the theoretical elucidation or practical application of his system, did Dr. Massey achieve any thing like the same degree of success in this community.

WE would thank our friends in the different townships for the particulars of any occurrence that may take place in their vicinity, which they would consider worthy of a public notice. In this way additional interest will be imparted to our columns.

For the Herald.

VOCAL MUSIC.

Mr. Beatty—The writer has given some attention to note-singing, and has experienced great inconvenience in the use of round notes.—Some say there is no difficulty attending them; but, with all modesty, he does not believe it, and is sure that a majority of the singing classes of the country are unbelievers also. The Music Books in common use—at least among competent instructers—are written with round notes, requiring us to call the same figure, *do, re, mi, fa, sol, la, si*, determining the name by certain characters placed at the beginning of the tune. These characters are subject to numerous changes, and thus play mischief with the names of the notes; for having found by them that the note on the first line is *do*, on the principle that music is like other things, there you would look for it again, but the piece being changed you will find it,—if found at all—perched on the top of the staff; reminding one of the Frenchman learning English; when he found that t-r-o-u-g-h was pronounced troff, he he thought d-o-u-g-h was doff, until better informed by the Baker! What is the use of masking the notes and compelling a squad of singers to play blind mans-buff a whole winter through, and in the end not know *re* from *la*? If every note had its own form, and the time now unprofitably spent, learning to name them, was employed in *singing*, our schools would possess by far more interest, and yield ten-fold the improvement they do. But, says the learned instructor, "they can't learn to sing without round notes." We reply, they *don't* learn *with* them! You keep them studying flats, and sharps until you become a *sharper*! and they a great deal *flatter*! than when you began to instruct. But why can they not learn to sing with each note looking like itself? "Because they will not!" Now what is the practical difference between *will not*, and *do not*? on our plan when you say "let us sing the notes," instead of two or three joining with you, you would have the whole class singing. Ask eight-tenths of the singers to name the notes of any tune—except Old Hundred—and the first inquiry is, for the key note; if no one present can inform them, they are unable to sing, evidently showing that they have only such a knowledge of the art as a blind man has of a path he can travel by getting a fair start. Why keep up a practice so irksome and profitless as this? If it is done merely to give dignity to the music doctor, by making the crowd wonder at his great learning, it would be a decided improvement if he would carry a cane, and occasionally apply it to his chin, for the same purpose. We have had a fair trial of the mysterious notification, and hope to see as fair a trial of a plan in harmony with the simplicity of the age; and with the same instructors we will find vocal music reviving. The writer perhaps cannot appreciate the value of the round note system, and would be pleased, if some one would furnish a better reason for their use than "so he heard."

NEWVILLE.

COUNTY OFFICERS.—Capt. WM. M. PORTER, the new County Treasurer, entered upon his duties on the 8th inst. We inadvertly omitted to mention, at the proper time, the following appointments by the Commissioners. JAMES H. GRAHAM, Esq. Solicitor.—Mr. WILLIAM RILEY, Clerk; Dr. W. W. DALE, Physician to the Jail; MARTIN CORNMAN, Keeper of the Public Buildings.

☞The season of sleigh-riding is more conducive to the connubial state than any other season of the year. Getting behind a pair of fast horses and under a buffalo robe with a pair of black eyes and rosy lips, is sure to bring about a matrimonial alliance Try it on and see if it don't.

TAKING THE VEIL.—It is asserted by the Cincinnati Times that Miss Irving, of Mobile, a favorite grand-daughter of Henry Clay, has expressed her determination to take the veil. This determination has occasioned much grief to Mr. Clay.

☞Ex-Gov. Pratt has been elected U. S. Senator from Maryland.

☞BRANDRETH'S PILLS ARE A SURE CURE FOR INFLUENZA.—This complaint has become so frequent, that there are few persons who have not had it several times. It is a kind of malignant contagious cold, attended with much fever and great prostration of strength. So soon as possible, swallow six or eight Pills; a large dose is absolutely necessary to relieve the brain, that organ appearing to suffer greatly in this complaint When they have operated well, put your feet and legs in hot water, or take a hot bath. Be sure and be purged before you use any means of increasing the circulation, or your life may be the forfeit. Now go to bed, and when in bed take two more Pills and some hot bone-set tea, catnip, or balm of balsam, or some water gruel—any of these warm drinks will answer, and which may be left to choice—either of them will help to restore insensible perspiration, and this method will generally cure. Should, however, the patient, after the pills and after this treatment, not be better in the morning, let him take another six, eight, or ten pills more, according to the urgency of symptoms, and the warm drinks, and foot or general bath, at night. My experience has shown me that the third day generally finds the patient well, when this plan has been adopted from the beginning. But in any event, the continuance of the treatment is the best that can be adopted, whether it takes one day or twenty to effect the cure. However bad the head may be, never let blood be drawn or leeches applied, we want all the blood we have. Instead of loosing this life of our flesh, let us take more pills, which will take the death principle from us, leaving our blood relieved, and ready to rally all its life powers for our restoration, so soon as the purgation has left it free to effect this object.

SCROFULA

If thousands of cures of Scrofula, Cancers, Syphilis, and other impure diseases of the Blood—and if the VERY SMALL QUANTITY which was used of a Medicine to effect cures of such diseases, be any proof of the purifying medical power in the Medicine which has subdued and conquered such diseases—then there is unquestionable evidence that—

BRANT'S INDIAN PURIFYING EXTRACT

is such a Medicine, in every respect; and there is abundant proof, in *great cures* effected, that ONE BOTTLE of it contains *more* purifying, healing virtue, and *medical power*, than there is contained in FOUR BOTTLES of any *Sarsaparilla*, or any other medicine that has ever been offered for sale. There is undoubted proof in our pamphlets, that by the use of this great *Indian Purifier*, they that were DYING yet LIVE—they that were LAME and CRIPPLED can now WALK—they that were SICK, SCROFULOUS, and otherwise diseased, have been HEALED and CURED.

Hundreds—Thousands—

who have used *BRANT'S PURIFIER*, after having used and tested ALL the *Sarsaparillas* and other medicines recommended to cure blood diseases, have decided that—

Brant's is the Cheapest,

because *one bottle* of it has *more* medical, curative matter in it, and, in consequence, cures *more disease*, in much *less time*, than *one bottle* of any other medicine.

Thus, *one bottle* of BRANT'S PURIFIER will cure *FOUR TIMES* more disease than *one bottle of Sarsaparilla*—"BRANT'S PURIFIER" would be as *cheap* at *four dollars* a bottle, as *sarsaparilla* at *one dollar*. But BRANT'S PURIFIER is sold for only ONE DOLLAR a bottle; and as a bottle of it *has* cured, and is *capable* of curing, *FOUR TIMES* as much disease as *one bottle of Sarsaparilla*, therefore, Sarsaparilla, in consequence of its *less* power and *less* medical efficacy, should be sold at no more than *twenty-five cents* per bottle, to be as *cheap* as the PURIFIER at *one dollar*.

One Dollar's Worth!

How much CANCER—how much SYPHILIS—how much SCROFULA—will *one dollar's worth of BRANT'S PURIFIER* cure? Read the following statement, which is a specimen of its power:—

CANCEROUS SCROFULA!

This is the case of a *dying man* who *yet lives*. He *was cured* of a worse case of SCROFULA, by only *twelve bottles* of Brant's Purifier, than ever was cured by the use of *twelve* GALLONS of the best *Sarsaparilla* that was ever made. Sarsaparilla has not *sufficient medical power* to effect the cure of such a *revolting hopeless* case.

"Mr. J. B. HASKIN, of *Rome, Oneida Co., N. Y.*, had *Scrofula four years*—was confined to his bed the *last year*—he was so much diseased and debilitated as to be unable to raise his hand to his head. He had the *best medical advice* —had used ALL of the *best Sarsaparillas* to no good effect—*got worse and worse*, and was considered to be in a *dying state*, and could not live *twenty-four hours longer*, when he commenced using BRANT'S PURIFIER. His *neck was eaten nearly off, from ear to ear; a hole was eaten through his shoulder, to the bone*; his chin, so that he breathed through the hole; his *ear* was so eaten around that it could be *lifted* up out of its place, it only holding by a *small piece*; the use of *one can* was destroyed by two ulcers; an ulcer under the arm, as large as a *man's hand*, had nearly *eaten through his side into his body*. Thus he was afflicted with *twenty* such *putrid, acrid, offensive ulcers*, on various parts of his person." For further and full particulars, see our PAMPHLETS.

Dr. THOMAS WILLIAMS, one of the most skilful physicians of Rome, was called to see Haskin the *day before* he commenced using Brant's Purifier. Dr. W. examined him, and then told him that *all the medicine in the world could not cure him*—that his case was

Worse than Hopeless!

Now hear Mr. HASKIN'S statement of cure! He said—"My wife procured one bottle of *BRANT'S PURIFYING EXTRACT*, of *Bissell & Leonard*, druggists of Rome. I commenced using that, and *began to get better*. That bottle enabled me *to get off my bed*, where I had been confined *one year*; the *second bottle* enabled me to *get out of the house*; the *third bottle* enabled me *to walk two miles*; to Rome Centre, where I procured *six bottles* more; and when I had finished using them, *seventeen* out of *twenty-six* pimples had *healed up*—and *six bottles* more effected a PERFECT CURE of all the ulcers, and restored me to *good health*."

FOURTEEN WITNESSES!

Mr. HASKIN has sworn to the above facts, and the facts are witnessed and certified to by Dr. T. WILLIAMS—Mr. G. R. BROWN, proprietor of the *West House Hotel*—Messrs. BISSELL & LEONARD, wholesale and retail druggists—and ELEVEN other *respectable witnesses*.
