# A NOBLE WHIGHTRIUMPH.

The Borough Efection. The staunch and true Whigs of Carlisle achieved a noble triumph in the election for Borough officers, on Friday last. Although our ever active opponents put forth every effort which they have usually employed, the majorities for parts of our ticket are larger than they have been for years. Major Blair, our officient Chief Burgess, is re-elected by a majority of ever seventy, our candidate for Assessor, Mr. Bentz, has a majority of 58, and for our ticket throughout the majorities are amply sufficient to show that our ancient tion to Whig principles and men. Had city of Mexico. A son of Col. McKee. the full vote of our party been polled the result would have been still more gratifying. As it is we congratulate our friends on their noble triumph. The government of the borough is again in Whig hands, and under the control of men who are well written, plain, practical and inwe are sure will not abuse the confidence teresting to all who take interest in the reposed in them. We subjoin the returns of the election:
