CUREOF RHEUMATISM, BRONCHITIS AND DYSPEPSIA Rev. Dr. Landis, a Clergyman

reputation :- Storary, New Jorsoy, July 19, 1846. Ds. A. II. CHARTER-Deer Sir: You wish to know of me what has been the result in my own case, of the appli-cation of THE GALVANIC BELT AND NECKLACE My reply is as follows: For showt

me what has been the result in my own case, of the appli-scation of THE GALVANIC BELT AND, NECKLACE My reply is as follows: For about *twenty* years I had been suffering from Dys-popsis. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medi-cal treatment whatever. About *fourtern* years since, in consequence of frequent exports to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheimatiam, which, for year after year caused me indescribable anguish. Farther: in the winter of '45 and '46, in consequence of preaching a great dea, in my own, and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe in the Bronchitis became worse, soon became as severe as to 'require an immediate suspansion' of my pa-toral labors. My nervous system was now thoroughly pro-trated, and as my Bronchitis became worse, so also did my Dyspopsis and Rheumatic affaction—thus winching that the medium of the Nervous System. In the whole phar-macopesia there seemed to be no remedial agont which could reach and recupera; my Nervous System j overy thing that I had tried for this purpose had completely ringentions, and (though with no very sanguins hopes of their efficiency). I determined to try the effect of the seplication of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1866. To at oracia A arontentment, in TWO DAYS MY DYSTERS MATC AFFECTION HAR ENTRELY CEASED TO ATS MY DISTERSIM MY FATONAL LABORS; NON MAYEL SINCHITED A SINGLE MATC AFFECTION HAR ENTRELY CEASED TO ATSONE WITH MATC AFFECTION HAR ENTRELY CEASED TO ATSONE MATC Buch is the wonderfal and hoppy routils of the experiment. GEOMANCY

(Eng's wife,) and her children, were at the Trap. Hill establishment. As, in point of time, the first call was upon her she, at first, is here entitled to notice, He found her with three childrentwo girls and a boy ; the latter of whom is called Decatur. Their flat, swarthy features, black, coarse hair, and low re-treating forehead, indicated clearly their Siamese paternity. In the large room where the guests were received, stoed an enormous bed, some ten feet in width, which Mrs. Eng Bunker explained, with all the innocence and naivette imagina-ble, was brought into requisition whenever her hu sband, his brother and her sister visited Trap Hill. Nothing shorter,' she said 'would do for them all.'---The woman, herself, was good looking, though rather corpilent, with rich, au burn hair, fine testh and hazel gyes, The house was neatly kent, the supper spread for the visitor oxcellent; and although uneducated, Mrs.Eng displayed much good sense and shrewdness in her conversation.

twenty years of age,) when they enter

ed into this strange union. They were

the young women were concerned, it seems that all went smoothly enough

during the courtship ; but the two brothers differed as to which should have Sarah, the largest of the girls, and who is

GALVANIC NECKLACE

Is used for all complaints afforting the Throat or Hes such as Bronchills, inflammation of the Throat, Nervor and Bick Headache, Dizintess of the Head, Nouralgia the Face, Buzzing or Rearing in the Ears, Deafness, while is generally. Nervous, and that distressed complaint, calle The Delorever. Palsy and Paralysis.

"All physicians acknowledge that these terrible diseases are caused by a deficiency of Nervous Energy in the afforded limbs. Dn. Cunstruct advania Articles will supply this deficient power, and a complete and entire curse is thus effected. 1000 Cases of Palsy and Paralysis

neve been reported to Da. CHRISTIE and his Agents within he last two years, which have been entirely restored.

DR. CHRISTIE'S

The active two years, which have been entirely restored.  $\partial_{0}^{cp} \in Car$ . Aronawa V. F: Toxies of Brooklyn, N. Y., had not been able to walk a step for near four years, and was so belpless that he had to be fad. Tho most celebrated physicians gave him up. In five days after he commenced wearlog the Garvanto Burr, Nexnacs, aro Bhaornara, he walked across the room, and in three weeks he had par-factly, recovered his health. Captain Tomos is soverly years of sge.

## Severe Deafness Cured.

**Devero Dealmoss Ulter** The following is an extract from a letter, lately received from a diatinguished physician in the State of Virginia: "A. H. CRESTRI, M. D.—Deer Sir : One of my patients, unknown tiome, obtained your Galeanic Belt and Neck-face, with the infeguetic Fluid, for a serious affection of Desthess. The case was that of a ledy whose Nerrous system was much disordered, and her general health poor. Much was done previously to the application of Belt, but will very little success, and I feel it only right to tell you, that since also commenced wearing the Belt and using the Fluid, but a forw weeks age, size has ENTIFELY RECOVERED HER HEARING, and her general health is batter than for several year."

eneral health is better than for several years." for Every case of Deniness, if it be Nervous; a enerally is, can be oured by this wonderful remody.

DR. CHRISTIE'S
