The locofoco papers boast of their hostility to a State debt. The official records of the Commonwealth show that all the debt now i originate was created under Opposition A but a stanfons. The evidence is overwhelming, that when they had power they abused it most scandalously by putting burthens on the people instead of taking them off. Last winter even-not six months ago - a Lecofoco House of Representatives passed a bill providing for a LOAN at five per cent. of \$250,-000 and for an ACTUAL INCREASE of the public debt to that amount! Put this practice along side of their profession, and you will see what reliance to place on Locofoco promi-

SLAVES OWNED BY CHRISTIANS .- By calculations based upon the United States Census and statistics of religious bedies, it is estimated that Methodists in the United States own 218,563 slaves; Presbyterians (Old and New Schools,)-77,000; Baptists 115,000; Campbellites 101,000; Episcopalians 88,000; other Protestants 50,000-making a sum of 650,663 slaves owned by ministers and members of Protestant Churches in the United States.

ADVERTISING. -Genin, the great hatter, in n note to the editor of the New York Courier, inviting him to test his style of hats, holds the

following language: " The benefits I have derived from the Press as an advertising medium it is beyond my power to estimate, and I am well satisfied from careful observation and experience, that advertising is the mainspring of success in every branch of business."

MS_Some of Col. Bigler's political friends recently presented him with a splendid gold-headed cane. Beaver Star.

His political foes will present him with an elegant walking stick, on the Second Tuesday of October next.

Our lady readers will be interested to know that a small piece of paper or linen, just moistened with turpentine, and put into the wardrobe or drawers for a single day, two or three times a year, is a sufficient preventive against moths.

HARD TO BEAT .- A married couple, living in the upper part of Queen Ann's county, Md., who have been in wedlock twenty years, have had twenty children. No danger of depopula-, tion in that quarter.

To pay the postage on letters you send is now a rule of common politeness, which no one should disregard.

Ben Hon. Thomas Corwin, Secretary of the Treasury, returned to Washington on Thursday evening, much improved in health.

The Markets.

PHILADELPHIA MARKET.

Philadelphia N. American Office Weekly Review, July 25, 1851.

REMAIKS.—The operations of the last week have generally been on a small scale.— Cotton continues depressed. Flour and Meal are in limited demand. Wheat is lower. Corn is scarce at a slight advance. Groceries remai inactive. Iron continues dull, and Provisions are firmer with a good demand for Bacon, otherwise there is no change to notice, since the close of last week in any of the leading articles.

FLOUR AND MEAL.—Receipts are light but fully equal to the demand, which continues on a limited scale, and only some 7@8000 bbls. Flour have been disposed of, including old stock at \$4,124, late inspected \$4,184 and fresh ground at \$4,25 \$\ \mathref{B}\$ bbl., the market closing quiet but firm at quotations. The home trade has also been to a limited extent at \$4, 184@\$4,25 for fair common and fair retailing brands, \$4,31@4,37\ \mathref{B}\$ for bakers flour and \$4, 50@\$4,75 for extra. Rye Flour scarce but quiet, with small sales at \$3,37\ \mathref{B}\$ bbl. Corn Meal is but little inquired for, and \$6,600 bbls. sold at \$2,81\ \mathre{B}\$ bbl. for Penn's. Meal. Some holders ask more. The inspections of the week erwise there is no change to notice since the

holders ask more. The inspections of the week ending the 24th inst. are 12,656 bbls. Flour; 197 half bbls. do.; 216 bbls. Ryo Flour; 87

bbls. Corn Meal, and 6 half bbls. do.

GRAIN—Comes in slowly, but the demand for Wheat having fallen off, the market has been dull and drooping. Some 10,000@12,000 bushels sold—early in the week, mostly prime white, at 101@102c., including good reds at 90@91c., and subsequently sales of \$15,000@20,000 hushels now-Southern-red-have been made, mostly within the range of 85@88c. as in quality. Rye is stendy, with sales of 2000 in quality. Rye is steady, with sales of 2000 (63000 bushels Penn'a. in lots at 72c. Corn has been scarce and in demand, closing at a slight advance; about 10,000 bushels Southern and Penn'a yellow having been sold at 62@63c mostly at the former rate. Oats are dull, with sales of 7000@8000 hushels at 40@41c., for old Penn'a., and 33@38c. for new Southern, as in quality.

INDIANA LAND.

TNDTANA LAND.

TOR SALE a valuable tract of land in Clinston to ton county, Indiana, lying 15 miles from the large and flourishing city of Lafayette, and an ear the rail road from that city to the capital of the State, Cincinnatti and other eastern cities, containing 181 Acres. The Land is in a generally improved and healthy section, and is well-decommodated with common roads, and within a few miles of two plank roads, loading to important points on the Wabash and Eric Cand. Clinton county lies in the great valley of the Wabash, and is celebrated for the fortility and productiveness of its soil, it not being uncommon to produce three successive crops of wheat, of 30 to 10 bushels to the acre, from the same field, and 80 and 100 bushels of corn to the acre, for almost an unlimited period. That section of Indiana and particularly Clinton, is mostly settled by good and substantial tarmors from Cumberland and the adjoining counties in Pennsylvania. The land here offered for sale is of excellent quality and finely timbered, and lying as it does in the vicinity, of extensive prairies, the timber alone is very valuable.

The above described tract would be sold at a great bargian for cash—or would be exchanged of or improved real estate. READ AND REFLECT.—The afflicted
would do well to reflect before trusting their
health, happiness, and in many cases, their lives
in the hands of physicians, ignorant of this class
of maladios. It is certainly impossible for one
man to understand all the ills the human family
are subject to. Every respectable physician
has his peculiar branch in, which he is more suc
cessful than his brother professers, and to that
he dovotes most of his time and study.
