

RECORD AND EXPOSURE

CARLISLE, PA. WEDNESDAY, AUGUST 27, 1851. THE LARGEST AND CHEAPEST NEWSPAPER IN CUMBERLAND COUNTY.

WHIG STATE TICKET. FOR GOVERNOR: WILLIAM F. JOHNSTON, Of Armstrong County.

FOR CANAL COMMISSIONER: JOHN STROHM, Of Lancaster County.

FOR THE SUPREME BENCH: RICHARD COULTER, Westminster, JOSHUA W. COMLY, Mouton.

CUBAN SYMPATHY MEETINGS.—In all the cities of the South, and in that section of country generally, the recent accounts from Cuba have created the most intense excitement.

A GLORIOUS DEMONSTRATION. The old spirit is up again in Cumberland county! The old Whig is re-kindled, and the watch-fires begin to blaze brightly and cheerily as in the victorious days of 1840 and 1848!

The proceedings of the meeting will be found at length in another column. The principal address of the evening was made by JOHN C. KUNKEL, Esq., of Harrisburg.

OUR GOVERNMENT AND CUBA. The Washington Republic commenting upon the late news from Cuba says: "The whole atmosphere of prisoners incapable of further mischief, without a trial, and without a hearing, seems an act of cold-blooded atrocity which shocks every sentiment of humanity, and all civilized indignation." It has received, as it demanded, the prompt attention of our Government.

THE WHIG COUNTY TICKET. The proceedings of the nominating Convention, which was held on the 22nd inst., and the election on Monday night, to ratify the nominations, will both be found in to-day's paper.

WHIGS! AWAKE!! The Whigs of the townships, AWAKE! AROUSE from your lethargy and supineness! The time for ACTION HAS COME!

THE SINKING FUND CONTROVERSIBLE

The Harrisburg American makes the following notice of a speech made at Harrisburg, on the 20th inst., by J. Ellis Bonham, the Free Trade, State-Debt-increasing candidate for Assembly in this county.

Mr. Bonham states further that all the sources of revenue now in existence were in existence when Gov. Shunk resigned his office. This is Mr. Bonham's statement re-iterated. We have already proved it false.

Mr. Bonham says it is very easy to pay the debt, when the money was furnished. True! but where did the money come from? The public Administrations were taxed as heavily as under Gov. Johnston.

Mr. Bonham we suppose thinks the Forty Million debt a "contemptible" affair also. He may have thought so when he voted for two years ago.

WHIGS! FOLLOW YOUR LEADER!

Gov. Johnston's Triumphant Progress! "I will be found in the ranks of the Whigs, and will be glad to aid as a companion in arms in the glorious cause of Justice and Truth the active and faithful spirits, who, without fear or favor, contend earnestly for the right."

To have, says the Reading Register, a noble leader—whether it be to meet a foreign foe in time of war, or engage in an important political contest in time of peace—is one half the battle.

THE CUBAN INSURRECTION.

The steamship Cherokee, from New Orleans and Havana, arrived at New York on Thursday evening, the 21st, in four days from Havana, with 1,648,689 in gold on freight, and 165,000 in the hand of passengers.

Gen. Lopez and a party of Americans called a few days ago for Cuba, to seek to put down the Spanish Government. The following is the account of the savage and inhuman manner in which some of the invaders were treated by the Cubans.

The steamer Harburo, while cruising off a place called Bahia Honda, 40 miles west of Havana, captured a party of fifty of the patriots, who were in four boats, unarmed, and report says, were steering for New Orleans.

Gen. Lopez and his troops had effected a landing at Cabañas, a small port about forty miles west from Havana. He had a force of four hundred and fifty men and a park of artillery. The steamer Pampelo in which he sailed to Cuba was sent back for re-inforcement of two hundred and fifty men awaiting orders at Jacksonville, Florida.

This loan was created for the purpose of avoiding the Inclined Plane on the Columbia Railroad—a work of great practical utility, and one which has already resulted to the interest of the Commonwealth.

The above is taken letter for letter and figure for figure from the Official Statement of the Auditor General's Report, page 120. Let us now see under what administrations this debt was accumulated:

Examine the above figures, and say whether the Locofoco party of Pennsylvania, is not the DEBT CREATING PARTY. Except the \$400,000 loan of 1849, created for the purpose of avoiding the Inclined Plane on the Columbia Railroad, not one DOLLAR OF THE PUBLIC DEBT, was ever contracted by a Whig Administration!

THE COMPLIMENTS OF THE EAR.—The following extracts of a letter sent to the proprietor of Cherry Pectoral, from Dr. HASKAN the ruling Paikin of Trebizond, at Erzurum, shows the peculiarities of Oriental courtesy:

THE MARKETS. Philadelphia, N. American Office. Review, August 22, 1851. REMARKS.—The market for flour is not so bright as it has been this week, but without much change to notice.
