# Cije Markets

PHILADELPHIA MARKET.

Philadelphia N. American Office Weekly Review, September 12, 1851. REMARKS.—The market, owing in some REMARKS.—The market, owing in some measure to the excessive heat of the weather, has been inactive and dull this week, and business, generally in most of the leading articles has been on a moderate scale for the senson. Cotton has improved, owing to the more anvorable tenor of the foreign news. Flour and grain are also bringing better prices: Salted Provisions and Lard are buoyant; Groceries remain inactive; Coal is firmer; Iron is steady, and Cloverseed is, attracting more attention.

FLOUR AND MEAL.—There is yery little export demand for Flour, but the market, owing to scarcity, has improved fully 121c. Bbl: since last week. Transactions for shipbbl. since last week. Transactions for shipment reach some 7000@8000 bbls. standard and straight brands, at \$3,814@\$3,874 \$\mathbb{B}\$ bbl, and half barrels at \$4,12\frac{1}{2}\$ the pair, including a small sale of 250 bbls. strictly fresh ground, made to-day at \$8,98 \$\mathbb{B}\$ bbl. The market closes rather quietly, but good shipping Flour is scarce and is generally held at our highest figures. The home demand has been to a fair extent, at rather improved rate been to a fair extent, at rather improved rates, and sales have ranged from \$3,81\ to \$4,62\ for common to extra, and \$4,75\ \$5,50\ \displaystyle{1}\ bbl. for fancy brands. Corn Meul is scarce and firmly held, with sales of 12\(\tilde{0}\)1500 bbls. rand army held, with sales of 12(2)1500 bbls. Fennsylvania Meal, in lots, at \$2,87½, including a lot on Saturday last at something less. Rye Flour is very little inquired for, and \$3, 12½(\$3.25 % bbl), are the nominal asking rates. The inspections of the week ending the 11th instant are 7929 bbls. Flour, 913 half bbls do 20 bbls. Play Flour, 913 half bbls do 20 bbls. half bbls. do.; 20 bbls. Rye Flour, and 272 bbls. Corn Meal.

GRAIN-Comes in slowly, and the demand for Wheat continues small without change in prices - only some 18@20,000 bushels lawing found buyers at 80@83c. for Southern reds 85@88c. for white, as in quality, and 90@91 c. for Prime old Penn'a. of the latter description. Rye is in demand at improved rates, and 2@ 3000 bushels sold at 60c. for Southern and the for Penn'a., mostly at the latter rate. Corn is very scarce at a further advance, and adout i 100 bushels Southern and Penn'n, yellow sa. at 64@60c., closing with a good demand r: the latter rate. Oats are more plenty and press have declined within a day or two; some 8@10,000 bushels Southern having been disposed of at 34@33c.

SEEDS—The failure of the crop of Clover-seal in the South of France, caused some de-mand in this market, in the early part of the week, and 7000 bushels prime old seed, em-bracing nearly all in first hands, sold at a private bargain, since which the market has been quiet, and sales coffined to some small lots of new seed at \$5,50@\$5,75 % bushel. Timothy seed is plenty and dull, and sales range at \$2@\$3 % bushel for old and prime new Seed. Flaxseed is also dull, with small sales at \$1.40 % bushel. at \$1,40 % bushel.
