For the Cure of COUGHS, COLDS, HOARSENÉSS, BRÓN-CHITIS, CROUP, ASTH-MA, WHOOPING-COUGH

Of all the numerous medicines extant, [and some of them valuable, for the cure of pul-monary complaints, nothing has ever been found which could compare in its effects with this preparation. Others cure sometimes, but at all times and in all diseases of the longs and throat where medicine can give rolief, this will do it. It is pleasant to take and parfectly and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of these who have tried it but those who have not.—Families that have known its value will not be without it and by its timely near there are without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected, ripen into

Coughs and Colds which neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September 1847; also, the medals of the three great Institutes of, Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the Cherny Pectoral, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the aminent Physician of the port and city of ST JOHNS, May 8, 1851. Dr J C Aven:

Five years trial of your CHERRY PECTO-RAL in my practice, has preven what I fore-saw from its composition, must be true, that it eradicates and cures the colds and coughs-to which we, in this section are peculiarly. table.

I think its equal has not yet been discovered nor do I know how a better remedy can be made for the distempers of the Threat and Lungs.

Dr Ayer: In the month of July last I was attacked by a violent diarrhoa in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet. My diarrhoa ceased, but was followed by a savere cough, and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived at New York, I was at once marked by my acquaintences as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use, You would not receive these lines did I not regard it my duty to state to the afflicted, through you, that my health; in the space of eight months, is fully restored. I attribute it to the use of your CHERRY PECTORAL, Yours truly.

Dear sir: Feeling that I have been spared from a premature grave, through your insibumentality by the providence of God, I will take the liberty to express my gratitude.

A quigh and the alarming symptoms of Gonsumption had reduced me too low to leave me anything like hope, when my physician broughtme a bottle- of your Provider. It seemed to afford immediate rehef, and now in a few weeks time has restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am Very respectfully yours.
