CULP'S PATENT PORTABLE cider will and press,

HE undersigned having purchased the right of Franklin and Cumberland counties, Pa, and Washington county Md. for CULP'S PATEST POPTABLE CIDER MILL AND PRESS are new manufacturing machines under the immediate supervision of

machines under the immediate supervision of Henry Shepler, a practical millwright. Orders will be received and filled with promptness—All machines will be warranted.

By this machine, which can be conveyed on a wheelbarrow, one man and a boy can make from five to eight barrels of cider a day with ease, and the cider is thoroughly pressed from the pomace. The labor is light and the machines are simple and permanent.

This machine was exhibited at the State Agricultural Fair, at Lancaster, and tested with several eithers, and the committee awarded the premium to it. The machines are warranted to perform what is herein stated. Orders are respectfully solicited.

Manny's Patent Adjustable Reaper and Mower, of which the above presents an engraved picture, is acknowledged to be one of the very best Harvesters now in use. In proof of this fact, this Machine was awarded the First premium for Mowing, and the second for Reaping, at the New York State Fair, in the great trial at Geneva, N. Y., in July, 1852, in competition with ELEVER OTHER HADHINES; awarded a silver medal at the Ohio State Fair, for the best Reaper and Mower; and received the highest award at the Vermont and Michigan State Fairs, for the best REAPING and Mowns machine.

The true merit of this machine has given it a great triumph over all others; and being a perfect combination of REAPEN and MOWER, it comes to the farmer with double value.

This machine will out from 8 to 12 acres per day, with two horses, and one person to tend it,

This machine will out from 8 to 12 acres per day, with two horses, and one person to tend it, when mowing, and two persons when reaping. It will cut equally well all kinds of grain and grass, such as wheat, ryo, onts, barloy, millet, clover, timothy, and flax.

The machines are manufactured at various points, and cost, where made, \$125 cash; or, half cash and half credit, \$135.
