Another circumstance which I noticed a few days ago, I thought spoke highly of the virtues of the Mustang. Being in the office of a PLysician of high standing, I noticed as he opened a door of his book case, several bottles of Mustang, alongside of which was an DMTT Mustang bottle, and a two ounce prescription vial FILLED WITH MUSTANG LINIMENT, on which was the following directions: "Rub" the throat well night and morning with the Liniment, and wrap a woolen cloth around it."

An article founded on Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided heneficial effects where Bowel Complaints and Diarrhoa have made them weak and debilitated; the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an infallible remely for those afflicted with Dyspepsia; the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior officacy above all others.

In order to destroy this worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as 'o remove all obstructions that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls three times a day.
