i η ξη ή MEXICAN MUSTANG LINIMENT.

MESRS. A.G. BRAGG & CO.—GENTLE-MES. We have been using your MEXICAN MUSTANG LINIMENT with the most perfect success. One of our most valuable Express-horses had been much troubled by large swellings or tumors on the follooks; they had grown larger 'than 'hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened; swollen and laime. We lind tried many Limments and other remedles, but nothing appeared to produce any effect upon them. We would willingts, HAVE GIVEN T-VENTY-FIVE DOLLARS to have had them removed, and the horse restored to soundness. TWENTY FIVE DOLLARS to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without knowledge. A few days ago he called our attention, his legs were perfectly sincoth, THE TUMORS HAVING ENTIRE-LADISAPPEARED! We asked him by what magic he had effected such a remarkable cure? His reply was that he had been using the MUSTANG LINIMENT on them about ten days, and the result was the entire removal of the tumors without producing any screness or leaving a sear.

mors without producing any soreness or tearing usear.

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results.

KINSLEY & CO,
Southern and Eastern express, No 1 Wall st., corner of Broadway, New York-

Since the above certificate was given, Messrs Kinsley & Co have informed us that one of his drivers was thrown from his wagon in the upper part of the city, and very badly bruised, the wagon passing over his body. He was taken into a Dector's office close by, and I'HE PHYSIC-IAN TOLD HIM TO U.E. THE MUSTANG LINIMENT, as he had recently tried it in a similar case with great success. He did so, and all the soreness, lameness, and stiffness was removed, so that the next day he was about his business as usual.

"We take great pleasure in recommending the MEXICAN MUSTANG LINIMENT to all our friends and customers, as the best article we have ever used for sores, brulese, spraius, or galds in horses. We have used it extensively and always effectually. Some of dur men have also used it for severe bruises and sores, as well as rheumatic pains, and they all say it acts like magic—we can only say that we have abandoned the use of any other Liniment,

NEW YORK, July 31, 1852.

We hereby certify that we have used the compound known as the MUSTANG LINMENT and have no hesitation in recommending it as the best article we have ever used for the cure of sprains galls, cuts. bruises, &c on horses.
