MEXICAN MUSTANG LINIMENT, Through by Express.
MESSRS, A G BRAGG & CO.-GENTLE MRS: We have been using your MEXICAN MUSTANG LINIMENT with the most per-fect success. One of our most valuable Express horses had been much troubled by large swelling ger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints ap-perred quite stillened, swollen and lame. We had tried māny Li sumeitiš and other remedles, but nothing appeared to produce any effect upon them. We would willingly HAVE GIVEN TWENTY-FIVE DOLLARS to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without knowledge. A few days agg he called our attention to the horse, and to our surprise and gratification, his legs were perfectly smooth, THE TUMORS HAVING ENTIRE: LY DISAPREARED! We asked him by what magic he had effected such a remarkable cerer His reply was that he had been using the MUS; TANG LINIMENT on them about ten days and the result was sorceess or leaving to sear. We therefore take great pleasure in recom-mending the Liniment, and shall continue to uso it whenever occasion requires, in preference to any oth -r preparation, so long as it produces such remarkable results. mors without producing any accurate in recom-to scar, We therefore take great pleasure in recom-mending the Liniment, and shall continue to use it whenever occasion requires, in preference to any oth repreparation, so long as it produces such remarkable results. June 30, 1052. KINSLEY & CO, Southern and Eastern express, No 1 Wall si., corner of Broadway, New York-

Since the above certificate was given, Messrs Kinsly & Co have informed us that one of his drivers was thrown from his wagon in the upper part of the city, and very badly bruised, the wagon passing over his body. He was taken into a Dector's office close by and I'HE PHYSIC-IAN TOLD HIM TO UE THE MUSTANG LINIMENT, as he had recently tried it in a similar onse witb great success. He did so, and all the soreness, lameness, and stiffness was re-moved, so that the next day he was about his business as usual.

We hereby certify index and the MUSTANG LINIMENT and have no hesitation in recommending it as the best article we have ever used for the eure of sprains galls, cuts. bruises, & con horses All, who doubt this, will please call on the undersign-ed, and they will be happy to afford all other information in their power as regards its efficacy, &c. Extract from a letter dated SACRAMENTO CITY, Cal. Aug. 15, 1852. I believe the MUSTANG LINIMENT most

an excellent article. My wife brought a couple of bottles with her, which I must thank you for. Since she came here, MY HORSE FELL DOWN WITH ME; and injured me consider-ably, but broke no bones. I had recourse to the Mustang, and the relief, and in fact euro was astonisbing. (Signed) D RANSOM.

Extract from a letter dated Pirrssuve, Pa.. Octuber 5th, 1852. Another circumstance which 1 noticed a few days ago; I thought spoke highly of the virtues of the Mustang. Being in the office of a Physi-cian of high standing, I noticed as he opened a doon of his book-case, several bottles of Mus-tang, alongside of which was an parry Mustang bottle, and a two ouncepreseription vial FILLED WITH MUSTANG LINIMENT, on which was the following directions: "Rub the throat well night and morning with the Liniment, and wrap a woolen cloth around it."
