ment freely, because I have, as a principle, withheld my name from all patent medicines, and sedulously abstaued from recommending them to the public, helieving them frequently the spawn of quackery, and humbug, and as discuss and suffering. Such, I fear, is the character of a large portion of the patent pana-memo is legion," and from their influence, sa from the demoniaccal spirit, we have reason to pray for a safe deliverance. to pray for a safe deliverance.

Read the following opinion founded on the The First Test .- I had myself suffered ociong experience of the eminent Physician of the port and eity of ST JOHNS, May 8, 1851. casionally with sudden attacks of Sick Head-ache, and Billious Diarrhea, and I had sought

a great variety of curative agents to but little purpose; and suffering from this discuse (diar-rhen) at this time, I determined to test the new Syrup first upon myself. The results were be-saw from its curation. a great varies of curative agents to but little purpose; and suffering from this disease (dar-rhen) at this time; I determined to test the new Syrap first upon myself. The results were be-yond my expectations. It was a powerful *alterative*, and the morbir action of the system was changed, and the functions of scoretion were restored to a healthy state. It give tone and elasticity to my 'system, 'm'd corrected the derangement of the digestive organs, and gave net that inestimable blessing-health. This test was not determined in a week, or a mouth; but I took four or five bottles in perhaps an many months. Since that time I have suffer-Sick Headache is en'irely Cured.

thousand more: SUBDRY, Jan 24th 1851. Dr Ayer: In the month of July last 1 was attacked by a violent diarrhea an the mines of California. I returned to San Francesce in hope of receiving henefit from a charge of change and diet. My diarrhea coase, but was tollowed by a severe cough, and much sorteness. I finally started tor home, but re-served no benefit from the voyage. My cough continued to grow worse, and when J arrived at New York, I was at once marked by my acquidint-neces as a victum of consumption, I must confers that I saw no sufficient reason to doubt what my triends all believed. At this time I commenced taking your truly invaluable Other Tests .- Finding this medicine so use ful to myseli, I at once gave it to several inva-lid friends. About thus time, I was carnesily solicited to give advice in reference to a child. some eight years of age. This child was severely efficied with a Scrofula humor, of a very severe type, the humor showing itself on all parts of the surface, and then suddenly dis appearing. The child was very sick, and it was thought doubtful whither she would live. The humor resembled black specks of mortified The humor resembled black specks of mortined flesh. In addition to some other remoties, gweithe child this Sy up for about its weeks, whan she had sufficient strength to go ont to school recasionally. The swelling of her films censed, and she was restored to heath. The censed, and she was restored to heath. The censed, and she was restored to health. The Erive these fines did I not regard it my duty to family feel that they owe her hfe, with G d's state to the afficient, through you, that my blessing, to my remedies. This test satisfied me that the Rock Ruse possessed specific powers for Second us hte-

possessed specific powers for Secold us har-mors. I then tested it in casts of Cutaneo.s Eruptions, in Measles, Chicken Pox, Cancor,

WILLIAM W. SMITH

Sore Month, Erystpelas, Satt Rhenn, Piles, & In all these cases with perfect success. After testing this Syrup for more durin a year, I wrote, Mr. Myers (October 7th, 1850) enthusi

WILLIAM W. SMITH WASHINGTON, Ph., April 12, 1848. Dear sit is Feling that Dhesebeen sportdue m in promature prive, through your institumental-ity by the providence of God, I will take the iberty to express my guattate. A cough and the alarmit g symptoms of Con-sumption had it due at net too low to leave me highting like hope, when my physican brough me a bottle of your Prevental. It seened to afford homediate relief, and how in the works time bas restreed me to reund had h. It is will do for others what it has due for he, you are certainly one of the backster is a frankind. Sincerchy vishing you every blessing, I am Very respectively yous, asigally, not expecting my letter would be published, that his Syrup was a "Pa korite," all heating; and I gave him the result of its operations in several instances. I stated in that letter that "it was invaluable as a remedy in Counceas Eruptons, Erysin las, Salt Rheum, and other disorders, Eryspinne, Sain Rheum, and other disorders, included in the varied family of discusses known as Scrotyla, &c.; that in Dyspepsin it acted with wonder-ful-fficacy." My opinion of its value for the ab ve named discases, remain nuchanged, and

attained an immense popularity, for eleansing, preserving and beautifying the teeth. It is an excellent remedy for sore, soft or bleeding pums. It also imparts a delightful freshness to the mouth and agreeable odor to the breath. Read the following from Dr. Murray.

Read the parameters from services recom-entering of the public services and the public services and the service services and the service services of the service services and Tooth Wash as the best in use. In my, practice as a Dentist, I have used and recommonded it for me has five years, and have found it to give sat-isfaction in every instance, as the Wash does not contain acid, or any thing injurions to the teeth or gums, but, on the contrary, is the best antiseptic in the practice, and therefore, would recommend he use of it, not only to those who wish to pre-serve their teeth and gums, and have a wholesome ibreath, but also to those who have discased gums tor teeth. The use of the Wash, for a short time, will insure a return to their healthy state, GEORGE E. MURRAY, Dentist, No, 61, S. Eleventh st., below Chestnut Phil?a.

GEORGE IS MOUTRAY, Dennis, No 61, S. Eleventh st., below Chestnut Phila. Jr. Hendel, of Carlisle, says - "Mr. Zer-man, I am well pleased with your Torth Wash ; it not only cleanses and whitens the teeth without injuring them, but it curves sore or bleeding guins I cheerfully recommend it to the profession and reneerfully recommend it to the profession and public, as the very best preparation that can be need for cleansing and preserving the teeth, bealing the gums, and giving sweetness to the breath. JOHN W. HENDEL, Surgeon Dentist.

Price 25 cents per bottle. Prepared only Francis Zerman, Druggist and Chemist, corner of Ninth and Catherine streets, Philadelphin, For sale by SAMUEL ELLIOTT, Carlisle, Pa oct13 -153

Since the above certificate was given, Messrs Kinstey & Co have informed us that one of his drivers was thrown from his wagon in the apper part of the city, and very bally braised, the wagon passing over his body. He was taken into a Dector's office close by, and THE PHYSIC-IAN TOLD HIM TO USE THE MUSTANG LINIMENT, as he had recently tried it in a similar uses with reset success. He did so and THE undersigned owning a large Steam Saw Mill, recently built, on an improved plan, with a circular saw capable of sawing with great rapidity, located three miles west of Pa-pentown, Cumberland county, at the base of the South Mountain, on Sprace Run, and having similar case with great success. He did so, and all the soreness, lameness, and stiffness was removed, so that the next day he was about his business as usual.

in possession near one thousand acres of the best timber land, in the Southern part of Penn "We take great pleasure in recommending the MEXICAN MUSTANG LINIMENT to all our friends and customers, is the best article we have even used for sores, furnises, sprains, or galds in horses. We have used it extensively and always effectually. Some of our men have also used it for severe bruises and sores, all well as rheumatic pains, and they all say it nets like magio-we can only say that we have abandoned the use of any other Liniment, J. M. HEWETT, Stable Keener to the Amorican Fxpress Co. sylvanis, are now prepared to saw and furnish In other to order, at the shortest notice of the various descriptions used for mechanical pur poses. They can furnish frame stuff for barn and houses of any length and size that may be required, weather-boarding, flooring, and ten-cing boards, poplar and oak boards and plank shingle and plastering laths, oak and chesnu

shingles, cooper stall, pitch pine posts, and chestout rails and posts. They have now on hand several thousand feet of fumber, chesnut rails and posts for fence, out and pine wood by J. M. HEWETT, Stable Keeper to the American Express Co. and for Haruden's Express."

rails and posts for fince, oak and pinc wood by NEW YORK, July 31, 1852. We hereby certify that we have used the com-pound known as the MUSTANG LINIMENT and have no hesitation in recommending it as the best article we have ever used for the curve of sprains galls, outs. bruises, &c.on horses. All who doubt this, will please call on the undersign-information in their power as regards its efficiency. Rec. LUTZ. DALL & CO., Proprietors Manhattan StageCo Proprietors Manhattan Stage Co
