LIBERTY, Frederick Co Md.,
Nov 6th 1849.

Mr Shriner—Dear Sir—I have been afflicted with a disease of the throat for a number of years, and for eighteen months past have been much troubled with a cough, during which time I have tried many of the popular remedies for such diseases, without finding any tasting benefit. At your suggestion I was induced to try your "Balsamic Cough Syrup," and I am happy to inform you that I find it to be superior to any I have taken. From my knowled, ed I's ingredients, and my experience of its efficacy, I take pleasure in recommending it to to the public for the purposes specified in your circular.

W ROBY, Pastor

LOUDEN CO, Va, June 10th, 1850
Mr Shainea -D ar Sir -1 received your
communication in due time after it was mailed
and now take up my pen to reply to your enquiries in regard to the effects of your "Balsamic Cough Syrup."
For fifteen months previous to last March, I
was troubled with an affection of the throat,
and the rejuited from severy cold and cough

was troubled with an ancernu of the through and the origin ted from severe cold and cough, trie caused me much difficulty in speaking. I died several prepractions professing to be remedies, but they all failed to produce the good desired. My throat grew worse and worse, so much so that my friends became claumed, and became fearful lest it should terminate in Bronchitis. While home last Spring in Triadelphia, the use of your "Balsamic Cough Syrup" and having overcome my prejudices against patent medicine, resolved to try it, and used two bottles; I found myself entirely coved. I feel prepared to say that I believe it to be a superior remedy to any before discovered: certain it is superior to any I have over used.

Yours respectfully

THEOPHEUS BURTON,

THEOPHEUS BURTON,

The improvements are a large double stone and brick Dweiling HOUSE, two andch originated from severe cold and cough

use in my own family induces me to offer this testimony in its favor.

About three months since Mrs Evans was taken with a very severe cold, which in a short time effected on her breast, causing the most distressing cough, pain in the breast, &c. The usual remedies were made use of, but she continued to grow worse, until it was deemed prudent to call in the family physician, who attended her for some time without and apparent benefit. Finally through the persuasion of friends, we were induced to make a trial of "Shinner's Cough Syrup." I procured a hottle, and she commenced taking i on Sunday, and by Thursday was entirely relieved.

The obstitacy of the case, and the promptness any was entirely reneved.

The obstitute of the case, and the promptness of the relief fillerded, causes me to think this one of the greatest remedies of the kind in use.

Come, freely qualf, from out the fount,
Where health doth overflow; At Shriner's find this glorious gift-Then say, will not you go?

No tongue can speak the wretenednes
No language can convey
The g eat amount of suffering
Occasioned by delay:
A little cold or trilling cough
May lead one to the grave,
But Shriner's Syrup taken in time;
Possesses power to save.

Yes, his BALSANIC SYRUP rare Yes, his Balsanic Syrup rare
Contains this mighty power:
And mothers speak in tones of praise
And bless it every hour,
For when their little ones are racked
With Whooping Cough severe,
They fly at once to Shriner's Fount,

It is a sovereign, speedy oure
For Quinsy; want of breath;
For Asthma, and Throat Diseases,
Which other end in death;
When others fail, this will effort
A permanent relief,
Will bring the sufferer back to health;
