| NOTES BY THE WAY. |  |
|  |  |
| No. III. <br> My last olosed with my arrival in Wabting- |  |
|  |  |
|  reet hera that it moulld require, muyh longer ime to oxnmine them oritically than my. busi |  |
|  |  |
| time to oxnmine them oritically than my business allowed me, and as the papers are week- |  |
|  cumetances phiob havo been drolt upoňby |  |
|  |  |
| cumstances whiob havo been dwolt upon/by abler peng. Belpig informed that the Presi- |  |
| dent had ar roception, T wended my may to the White- House ind bad the pleagure of grusp- |  |
|  his. personil apponatance is not bo ine asusianly represeonted. Coogress wna in sesion. | - |
|  |  |
|  |  |
| usually represented. Congress was in session. For many years I had desired to trend the |  |
| art which are there exbibited and listen to the orators of the Nation, but now that ambition |  |
|  |  |
| orators of the Nation, but now that ambitionWas gratified, and I found that my expectations were too high, and as I looked around |  |
|  |  |
| tions were too high, and as I-looked around upon the members who are the Represanta,tivee of the American people and listened to their, fegreches, iny ambition to bo one day n |  |
|  |  |
| Cony, rosmin diminished, and I thought how |  |
| foolish it is for young men of talent to exert .their whole energies to gain that honor, whilst |  |
|  |  |
| thero are so many spheres of activity in which they can gain reputations that will live long after the names of ninety-nine handredths of |  |
|  |  |
| after the nnmes of ninety-nine hundredths of these Congressmen are forgotten. |  |
|  |  |
|  |  |
| the North and South. Margland is a hiad of neutral ground where the manners, eustoms |  |
| neutral ground where the manners, sustomsand prejudices of both sections commingle, which ronder it impossible to form a just estimate of the Southern character unless we pro- |  |
|  |  |
| ceed beyond the reach of Northers influences. The excursionist no sooner crosses the Po |  |
|  |  |
| tomac than he feels that he is in the South, for things aseume is differènt appearanco from what he has beea nocustomed to. That por |  |
|  |  |
| what he has been accustomed to. That portion of Virginin through which the great |  |
| southern routo leads is very poor and in a worse state of cultivation. As wo burried on |  |
|  |  |
| Worbe state of cultivation. As wo burried on I anxiously surveged the country, desirous to oee some of the princelyiresidences in which |  |
|  |  |
|  | ed |
| weary. Nothing relieved the monotong of old worn out fields, pine woods and log huts. |  |
| Forn out fields, pine woode and $\log$ huts. The only conolusion that I oould arrive at, |  |
| Was that in the collection of:pent or rather houses, for they appeurod to be.inhabited by |  |
| specimens of homanity, the lorgest was one of the far-famed Virginian mansions. I would |  |
|  |  |
| $\begin{aligned} & \text { the far-iamed virginian mansions, } \\ & \text { not say that this is true of other parte of the } \\ & \text { State, nor would } I \text { hope so, for if it is the } \\ & \text { cose the F F Ve (The First. Families of Vir- } \\ & \text { pinin) heve. very little upon whioh to oupport } \end{aligned}$ |  |
|  |  |
| pinin) bave very littlo upon whioh ta oupporttheir protensions. $13 y$ the way, a gentlemana |  |
|  |  |
| - Who is himself a citizen of tho Old; Dominion' informed mo thit a great discovery had lately |  |
| ind | ma |
| that a becond family really exists in Vi ;-- ginia, but as that gonus has not beon jot re- | sin |
|  |  |
| cognized by the learned in Natural History he eaid that he was unable to giva me a full depoription of the nopdescripts. • Richmond is a |  |
|  |  |
| city of conaiderable importance; besides other thinge it is noted for boing one of the finest |  |
|  |  |
| Blavo markets infthe country, My attention |  |
| Was called to a oard hung in one of the cars, stating that Mesisrs. - of Riobmond |  |
| would. attopd to the disposing of slapes at,very reasonable per centage. This is.an occupation of profit and many derive their live |  |
