Alt is ascertained that Hon. Richard Vaux is to be the Democratic nominee for Mayor, and Willian L. Hirst, Esq., for City Solicitor.

In Congress yesterday, Mr. Cooper presented to the Senato eight petitions for the erection of a suitable post office building in Philadelphia. A bill for the relief of the Burlington. University, Iowa, passed the Senate, as also one allowing an exchange of school lands in Alabama. In the House, the bill increasing the salaries of employees in the executive departments at Washington was passed. Mr. Lane, of Oregon, introduced a bill to enable the people of Oregon to form a State constitution and government and to account the people of Oregon to form a state constitution and government and to account the people of Oregon to form a state constitution and government and to account the people of Oregon to form a state constitution and government and to account the people of Oregon to form a State constitution and government and the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to form the people of Oregon to form a State constitution and government and the people of Oregon to form the people of Oregon to the people of tion and government, and to provide for the admission of such state into the Union. It was admission of such state into the Union. It was referred to the Committee on Territories.— The Scanto amendments to the West Point Academy bill were debated, the knotty point being the appropriation of \$20,000 for the erection of a Cavalry Exercise Hall. The question was taken on this, but no quorum voted, and the House adjourned.

Captain Canfield, of the Topographical Engineers, a son-in-law of Senator Cass, died yesterday in Detroit.

A bill to amend the Massachusetts Prohibitory Liquor Law has passed the Lower House

tory Liquor Law has passed the Lower House of the Legislature of that State. In the Pennsylvania Legislature, the bill to transfer the Franklin railroad to the Cleveland Painsville and Ashtabula railroad Compan passed Committee of the Whole of the Senate, and a bill to transfer the same road to the Sunbury and Eric Railroad Company passed first reading in Committe of the Whole of the same body. Certain amendments to the constitution, restraining the State from subscribing to railroad stock, limiting the State dobt, &c., passed first reading. The House passed a bill authorizing the Harrisburg, Mount Joy, and Laucaster Railroad Company to increase its capital stock and to issue bonds. The bill to incorporate the Phillsdelphia Passets R. passed Committee of the Whole of the Senate

to incorporate the Philadelphia Deposite Bank
passed second reading.
The House also passed the bill to incorporate the Board of Directors of the Fire Department of Philadelphia, after being amended so as not to interfere with the authority of the Councils of the consolidated city to regulate the firemen within its limits. The act is to be wold, in case Councils should hereafter establish a municipal fire department, as authorised by law.

by law.

The vote rejecting the Gadsden treaty. has been reconsidered by the Senate, and another effort is making to procure its ratification.—
Douglas is also trying to resuscitate his Nebraska bill in the House.

Thursday April 20.

In Congress yesterday, the Senate passed a bill to prevent unnecessary delay in discharging cargoes of vessels arriving from foreign ports. The Senate also concurred in the House amendments to the bill increasing the pay of the employees in the executive departments at Washington, and also passed a bill to reward the discoverer of anæsthesia. The reward the discoverer of anæsthesia. The Homestead bill was taken up, and Mr. Thompson, of Kontucky made a speech against it.

A most destructive fire has taken place at Charleston, S. C., nine large stores being bur nied. The loss is stated at \$600,000

A report comes from Washington that Sen-ator Bell's amendment to the Gadeden treaty, recognizing the Sloo grant, will be adopted and the treaty saved. The House passed the Senate bill granting ten millions of acres of the public lands for the benefit of the indigent insage in the sever-

States. The Liverpool packet ship Underwriter is ashore at Squam Beach. The steamship Del aware, bound for Philadelphia, in endeavoring to render assistance, lost a boat and two of

A dreadful shipwreck has occurred near Absecom beach, and 57 dead bodies have been washed ashore. It is supposed that some Liverpool packet ship has gone to pieces. The bodies look like those of German emigrants. A singular case of conspiracy to on trial at that place. The previous high haracter of all the parties gives peculiar in terest to the affair.

In the Pennsylvania Legislature, yesterday the House fixed on Tuesday, the sec May, for the adjournment of the Legislature, provided the Senate concur. The Senate discussed the proposed amendments to the constitution, and rejected an amendment offered by Mr. Price, providing for the election of Senators and Representatives by single dis-tricts. The House concurred in the Senate amendments to the bill for the sale of the pub lic works, and the bill passed finally. The minimum price fixed is ten millions of dollars The bill now only requires the signature of the Governor to become a law.

Friday, April 21. In Congress, yesterday, the Senate passet a bill establishing a land system for the terri tory of New Mexico, and held an executive on, after which it adjourned until Monday The Senato's amendments to the West Po Academy bill were debated and agreed to among them being the one making an appro ion for a cavalry exercise hall.

printion for a cavalry exercise hall.

In the State Legislature, on Wednesday evening, the supplement to the not regulating banks was passed finally by the House. An amendment to prevent the issue of notes of a less denomination than ten dollars, after July 4th, 1855, was voted down; ayes 23, nays 55. The House also passed two bills concerning releases and divorces. In the Senate, on the same evening, Mr. Quiggle read a bill, from which it appears that a bonus of \$850 000 km. which it appears that a bonus of \$350,000 line been offered to the State for the privilege of building the Lake Shore railroad. The bills to authorize the Laveston and H rize the Lancaster and Harrisburg Railroad Company to increase its stocks was passed, as also one to exempt Charity schools nd the Academy of the Fine Arts from taxa-

SALE OF THE MAIN LINE. Vote of Wherry, Moser and McKee.

The bill for the sale of the Main Line of our Public Works has at length passed the Legislature, and we think the Tax Payers of Cumberland county will hear with as much indignation as surprise, that their Representatives did all they could to defeat the measure .-When the bill finally passed the Senate, Mr. Wherry was absent from his seat, but whether it was intentional dodge or not we are not prepared to say, In the House the enemies of legislation necessary to our common country the bill endeavored to kill it by fixing the price.

The honest claims of hundreds of our citizen are to be postponed, ruled out of court; the When it was sent back to the Senate the price was again reduced to ten millions, this being well ascertained to be the highest price which could be obtained. When the bill came back to the House for concurrence on Wednesday last, the final and greatest struggle took place. A motion was made that the House insist on its amendment (eleven millions) and appoint a committee of conference—this was lost by the close vote of yeas 47, mays 50. Among the yeas, in this attempt to kill the bill, we find the names of MOSER and McKEE! The question in the region to the country for personn aggroundizement. He believed, in the face of God, that he should he a coward it he did not denounce this plot against the peace and quiet of the Union. Yes, Nebraska, and Kansas, and Kansas, and Kansas and Wears and early the sound of these cant phrases; and we are told that the rich in the first of the compromise of 1820, the work of our fathers, completed in times of great public excitement, when the Union of When it was sent back to the Senate the price

they content to go on paying enormous taxes

and the balance in ten equal annual instalments. The proposals are to be opened on the first Monday in June next. Any company incorporated under the laws of the Commonwealth may become the purchaser; but, whoto construct lateral roads in every direction.

THE PROHIBITION QUESTION.

The Harrisburg correspondent of the North American, under date of the 21st, says, the Committee of Conference of the two Houses on the differences between them, on the subject of a Prohibitory Liquor Law, met yesterday evening and agreed upon their report. It consists of a preamble and three sections .-The preamble sets forth the causes which have led to the Prohibitory monement, and the sections prescribe the mode in which it is pro-One of the sections prescribes the manner in association. which the ballots are to be prepared, and authorizes the Sheriffs of the several counties of the commonwealth to give the usual legal notice of the election on this subject. I have several that the several states, that public lands shall be given for nothing to puor settlers, and the colonist be aided further with government funds. There not yet seen the report, but from whit I have been able to gather, the above constitutes an accurate outline of its contents. The probabilities are, that this report will be adopted by both Houses. Should either reject it, no other both Houses. Should either reject it, no other both Houses. any legislation upon the question.

be made. As it is almost certain that the inters cannot out exerts the public admittation Legislature will adjourn on Tuesday, the 2d The attempt to enforce them would produce of May, the Governor hopes, in this way, to avoid acting upon these bills, as he would be required to do if they were placed in his hands try.—Phila. Ledger. Legislature. This attempt to dodge responsility is quite novel, and is affording amuse ment in some quarters and indignation in Public.—Charles Weeks has been held to bail others. The general opinion among intelligent in Philadelphia, to answer the charge of being men here is that the Governor will gain no friends by being more timorous than his party associates in the Legislature. The people do not often repose much confidence in, or have called the Ladies' Literary Journal, purport-

of pollution, and their posterity from taxation."

been productive of a most terrible disaster at, Long Beach, on the coast of New Jersey. The emigrant ship Powhatan, from Havre, went ashore, and all hands, consisting of 300 passengers and the crew, were lost. Not a living soul appears to have escaped. Fifty-eight soil appears to have escaped. Fifty-eight bodies have been washed ashore at Abscom, and more than thirty at Long Beach. The hodies found consisted of men, wompn, and children, the latter with their night clothes on Not a vestige of the wreok was found, but a piece of hedding. Judging from the clothing

ship had gone ashore on Saturday, near Barnegat, and was still beating on the sand on Sun day, the dreadful state of the weather not permitting any assistance to be given. The gale of Sunday night was a terrible one, and no ship in the condition that she was represented to be, could withstand it.

The schooner Manhatten was also wrecked, and all her crew, but one person, drowned.

REPEAL OF THE MISSOURI COMPROMISE. The American Union, published at Griffin, Geo. the Tallahassee (Florida) Sentiael, the St. Louis (Mo.)Democrat, and the Texas Advertiser, all Southern journals, oppose the policy of Mu. Douglass' Nebraska-Kansas bill.

THE EASTER SNOW STORM .- According to the recollection of the colder inhabitants,' it has been 88 years since we had so winter like an Easter, as Sunday week. The Easter of The contraction of the party of the property of the profession of the contraction of the

A CAPITAL SPEECH.

Mr. Cullom, of Tennessee, on the 12th made ne of the most effective and telling speeches against the Nebraska measure that has been made in the House eliciting more applause from members than I have before witnessed in that Hall on any occusion, says a Washington correspondent. He denounced the whole thing as a pefarious scheme to disturb the peace of the country, and to promote individual ambi tion. He came here he said "to participate i

stream of legislation to be dammed up by thi nefarious project which he intended to de yeas, in this attempt to kill the bill, we must the names of MOSER and McKEE! The question was then taken on concurring in the Senate amendment of ten millions, and on this the vote stood yeas 54, nays 42. Messrs. MOSER

Work of our fathers, completed in times of the great public excitement, when the Union of the the taken on concurring in the Senate was in jeopardy, is to be repudiated and trampled under foot.

"The question had been sprung on us like a fire bell at midnight. Where, he asked, was

and McKEE voting with the noys!

Is this what the Tax payers of Cumberland county call representing their interests? Are they content to go on paying enormous taxes they content to go on paying enormous taxes all their lives to sustain the mercenary cormorants on our public works, or will they not, on the second Tuesday of October next, show Maine to the Pacific.

on the second Tuesday of October next, show their stern disapprobation of the votes of Mosen and McKee by sending men to Harrishurg who will vote according to the interests of their constituents rather than the wishes of the Executive and Canaf Commissioners?

But thank fortune the bill has passed in spite of the machinations of corrupt apposition. Under its provisions no bid which offers tion. Under its provisions no bid which offers less than ten million dollars for the works will be considered. The purchasers are required to pay twenty per cent of the purchase money to pay twenty per cent of the Commonwealth, and cash or the bonds of the Commonwealth, which denounced such a purpose, soon afterwards seried upon it as a means of nationalization the Administration. zing the Administration.

He referred to Mr. Breckenridge's speech upon this subject, in which he denied that Mr-Clay had anything to do with the Missouri impromise, and asserted that he did not even wealth may become the purchaser; but, who over may be the purchasers, the act incorporates them into a body politic under the title of the "Keystone Railroad and Canal Companion". The act also authorizes the purchasers rote for it; and in reply to this, turned to the he saved the Union by becoming the great pa-cificator, and the author of the compromises

This brought forth immense applause, and old, with great effect. Col. Benton sat near General Cullom, who often appealed to him for the truth of his statements, and it was observed that the Old Nestor of Congress nodded, assent to every denunciation poured out upon the bill and its author,

GERMAN MOVEMENT.

As soon therefore, as any affection of the liver is perceived, we may be sure that the digestive organs are out of order. The first thing to be done, is to administer a specific which will not directly upon the stomach—the mainspring of the animal machinery. For this purpose we can recomend Horsland's Garman Hitters For this purpose we can recomend Horfland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia. Acting as an alternative and a tonic, it strengthens the digestion and countges the condition of the blood and thereby gives regularity to the bowels.

Old Sores, Ulcers, and all eruptions and di seases arising from an impure or depraved state of blood. See the extraordinary cure of Mr. Wm. G. Harwood, a highly re Mr. Wm. G. Harwood, a highly respectable citizen of Richmond, Va, by Carter's Spanish Mixture. He had ulcers, and sores of the . 1821, is said to have been a day similarly notwas mable to walk except on quotoles. A ted for rain, hall and sudw, and like unto two holes of Carter's Spanish Mixture, the which we have had pone since, and we hope the future 88 years may be equally expent. worst description, and finally got so bad, he from such winter like visitations, in the midst rhomatism, bad effects of mercury, and pains of the Spring months. commencing on the second Tuesday of June commencing on the second Tuesday of June and to continue open two weeks. The details of the plan will be found in the notice published by the officers and managers in our advertising columns. If carried out according to their views it will be an attractive exhibition, 10,000 bushels offered, and sales of white at 78.676 cents, vellow at 75.674 cents, and and we trust the design will meet with success

The Crops. The grain fields throughout Cumberland county are said to present a very promising appearance, although their growth is not quite so forward as usual. The weather this spring.

Mr. Cressier, who as a citizen of our county has been highly esteemed for his excellent personal qualities.

The Dillsburg Rail Road, The friends of the York, Dillsburg an Greenoastle Railroad are actively pushing that enterprize, and a corps of engineers we learn is now engaged in surveying the route. The following gentlemen compose the party, viz Messrs, James Worrall, Chief Engineer Alexander Worrall, Field Engineer: Garrison Barnitz, Maddox and Baird, assistants.

Another meeting of the friends of the road will be held at the public-house of Wm. Noaker, in Papertown, on Saturday next, the 29th inst., when the corps of engineers is expected to be present and give their views of the practicability of the route so far as they have gone

throughout the State is split up into two separate factions, each running a ticket of its own. The St. Louis Democrat says that Atchison has written to his adherents in Platte county, advising them not to regard his interests in any arrangement they may be able to many of the patrons of his former school, ests in any arrangement they may be able to make with the Whigs; as he himself stands no chance of an election, he tells them, therefore, to sacrifice him freely, if in so doing they can defeat the election of Benton. Acting upon this advice the Atchison party in that county ful, and the adjoining grounds afford a dehave nominated a coalition ticket on which have nominated a coalition ticket, on which The utmost regard will be had to the morals have nominated a coalition ticket, on which are two anti-Benton Democrats and two Whig candidates for the Legislature. Should this exertion made to render the School pleasant and profitable. For turther information as to terms. &c., apply to with the work of the second secon we may have another Whig Senator elected from Missouri.

Rep Two former New England Senator died at their respective homes in Rhode Island also be received as scholars, to whom Lectures and Massachusetts on Wednesday. The first, will be given on the theory and practice of Nehemiah R. Knight, who died at Providence, R. I., served twenty-one successive years in the U. S. Senate as a mamber from Rhode Island. The second, John Davis, who died at Worcester, Mass., was prominent in latter times as a member of the same body from Massachusotts. He held many high public persitions in his day, and in all of them won the sitions with the same body from the latter than the sitions with the same series on the latter same series of same s esteem of many thousands of his countrymen.

A Hand Task.—The notorious Orestes L Brownson, in it recent course of lectures in St. Louis, has been endeavoring to prove that Spain and Portugal are model governments, that the destines of brown freedom are bound musical instruments such as Pinno Meldelen musical instruments such as Pinno Meldelen that the destinies of human freedom are bound up in the success of Russia and Austria, that England is low down in the scale of freedom, and that in the Unite | States we do not understand the first principles of liberty.

A serious riot occurred in Cambridge, Massachusetts, on Friday night, between a gang of twenty five college students and a fire company. The former are said to be the aggressors. Pistols and knives were used by the students, and spanners, horns, and stones by the firemen. Several of the latter party by the firemen. Several of the latter party were badly wounded. The affray lasted about half an hour, and was finally quelled by the aid of the engineers, police, and citizens—Proff of Languages. D. A. L. LAYERTY, Instruction in Figure 2. The Mayor had previously attempted in vain structor in English and Mathematics Prof G. to read the riot act.

Hon. Luther Severence, of Maine, late United States Commissioner at the Sandwich mence on MONDAY, the 17th of April next, with an incurable cancer, which, it is said, Orthography, Reading and Writing, 55,50 has already eaten away his lower lip and chin, and is extending among the glands of the throat, where the flesh is rotted out and re-

throat, where the fiesh is rotted out and requires constant dressing. He is actually be ing eaten up alive.

Great Britain.—In the House of Lords, on the evening of April 7, the Earl of Aberdeen, replying to a question put to him by the Earl of Shaftesbury, announced that the 26th inst, had been appointed as a day of national humiliation and prayer in consequence of the declaration of war.
