Wednesday, April 25 We have by the Arabia, at Halifax, news week later from Europe. The Spanish gov ernment has made prompt reparation for th Black Warrior affair, by apology, pecuniary recompense, and censure of the Captain Gen eral. A violation of the Servian territory by the Russians has occurred. Austria appear to be acting more in unison with the allies while Prussia leans more, to Russia, while temporizing with both sides. A protocol guar anteeing the integrity of the Ottoman empir has been signed by the four powers at Vienna Hanover, and all the minor German power except Bavaria, side with Austria and the al lies, and will join Austria in forcing Prussit to declare herself in the Federal Diet, should the with the contract of the state of the contract of the cont to declare herself in the Federal Diet, should the subject come up. Several English grait vessels on the Danube have been fired on by the Russians, and one sunk. Three thousand French troops have arrived at Constantinople, where the declaration of war by the allies had caused immense rejoicing. St. Petersburg has been illuminated in hone of the passage of the assage of the Danube by the Russ passage of the Danube by the Russians. The Greek insurgents have been repulsed in sever al engagements. From India it is reported that Dost Mohammed has offered an Affghan alliance against Russia. The Austrian troops are reported as entering Servia. An Englis steamer has been sent in search of three Asteamer has been sent in search of three Armerican ships, which were reported in the Baltic, with stores for the Russians. The Turks have made a sally from Kalafat, and had a four hours' battle with the Russians, they routed and pursued for a consid erable distance. There is also a statement canother battle, in which the Turks assaile the Russians in the rear, and, after a hard fight, half of the Russian troops were cut to pieces, and the rest retired across the Dan-ube. The Turks have evacuated the fortress of Czarnavoda, in the Dobrudscha, which was shelled by the Russians. The Russian expedition has announced the intelligence that the

dition has announced the intelligence that the ports of Japan will be opened.

An arrival at New York brings the full details of the California news. The Walker expedition appears to be on its last legs, the force being reduced to seventy five men, and in a starving condition. The French consul at San Francisco has been attempting to send at Son Francisco has been attempting to sent French and German recruits for the Mexican army from that city. Lieut. Whipple's explo-ring expedition has reached California. Fre-mont's party is thought to be lost. There is much trouble with the Indians in Washington

Thursday April 27.

In Congress, yesterday, the Senate passed a bill appropriating five thousand dollars to purchase the portraits of the five first Presidents of the United States, painted by Gilbert Stuart. The Indian appropriation bill was amended and postponed. The Senate also held an Executive session, in which the nomination of James C. Vandyke, as United States District Attorney for Eastern Pennsylvania, was confirmed. A motion to remove the injunction of secresy from the proceedings on the Gadsden treaty was lost.

In the House, the Post-office Appropriation bill was reported, as also a bill to equalize the salaries of the United States District Judges. In the State Legislature, yesterday, the Senate passed finally the bill to permit the Cleveland, Painsville and Ashtabula Railrond Company to extend their road to Erie, in such a shape that proper running time and other a snape that proper running time and other arrangements are required to be established for the protection of the Philadelphia and Eric interests, and the Cleveland Company is to make an inalionable subscription of half a million dollars to the stock of the Sunbury and Erie Railroad Company. The Senate als curred in the House amendments to the bil consolidating the Susquehanna line of rail-The House pa

school bill as it came from the Senate. The Arabia has arrived at Boston. The China mail confirms the fact of the opening of the Japanese ports, though a year must clapse before any treaty will be made. Meantime vessels may stop there for wood and water.— The Turks throw upon the allied fleets the blame of the Russian successes on the Danube. The Emperor of Russia has seized the properties of the Danube. of the British Ambassador, Sir H. Seymo Relations between Austria and Prussia are growing cool. Austria, it was thought, had need to Prussia a German ultimatum, de ing the evacuation of the Danubian prin driven across the Danube.

An arrival at New Orleans from Vera Cruz reports a battle between the troops commanded by Santa Ana and Alvarez, in which the latter was defeated, and the victory has been celebrated at the capital; but other account represent the official report to be a ridiculous exaggeration. The prisoners taken on boar the schooner Anita have been sent in chains to the capital. They were mostly Americans.

An awful disaster has occurred at New An awful disaster has occurred at New York, by the falling of a rear wall of a burning house, killing a number of firemen, and desperately wounding a number of others.— Fourteen dead bodies have been taken out of the ruins. Flimsy building is said to have caused the fatality, and the fire department of that city have joined in a protest against the present mode of building where fire-proof safes are higher up than the first story.

one of the victims of a railroad accident in Massachusetts has just recovered, in a suit for damages in a court at Boston, a verdict of fifteen thousand dollars. The American Scientific Association yesterday commenced its an

nual session in Washington.
We have the gratifying intelligence from
New York, that a vessel answoring to the de
scription of the anxiously looked for steamship City of Glasgow has been seen near the Ba-hamas. She had her yards squared and bare, no appearance of being disabled, but was in sual position, and no person was see on board of her.

Friday, April 28.

In the State Legislature, yesterday, the Senate concurred in the House amendments to the Common School bill, except one striking out the limit to taxation for scho ont the limit to taxation for school purposes. The joint resolutions to amend the Constitution passed second reading in the Senate, and were laid over; an amendment to elect Senators by single districts being rejected.

In the House, re-charters were passed for the Manufacturers' and Mechanics' Bank of Thilldelphia and the Pann Taxashin Bank.

Philadelphia, and the Penn Township Bank, and a charter was refused to the Donegal De

posite Bank.

There has been a great fire in Warrenton
Geo., which destroyed nearly the entire town
Kloss about \$1,160,000. Every store, th court how e, the post office, many of the best dwellings, and a number of offices were burned "The British talk of annexing the remainder of Birmsh to their Indian Empire. Immense guano deposites have been dis covered near Geelong, Australia.

Saturday, April 20. The U. S. Senate was not in session yester day. In the House of Representatives, the to all the States for internal improve and educational purposes, and Mr. Rodgers made a speech in favor of the measure. The House then went into Committee on the Deficiency bill, and a debate took place between Mesre. Glddinge, of Ohio, and Smith, of Virginia

A vessel has arrived at New York, in charge of Lieut. Downes, U. S. N., which was select As a slaver on the coast of Africa, by the U. B. brig Perry. Dr. Jayne's mamment building in Chestnut. street, Philadelphie, was on fire yesterday morning, but not much damage was done. The storm of Thorsday caused the done. The storm of Thursday caused the sinking of the caloric ship Ericason in New York bay, while on a trial trip. There has been a violent gale on Lake Eric, causing the wrock of several vessels and the loss of life. A bill prohibiting the circulation in Ohlo of

bank notes of other States of a less denomi-

In the State Legislature on Thursday evening, the joint resolutions proposing to amond the State Constitution so as to provide a sink-lng fund, to limit the State debt; and to preing fund, to limit the State deet, and to prevent municipal subscriptions to railroads, also passed. A resolution from the House to adjourn on the 2d of May was amended to read the 9th of May, and then passed. A bill to exempt coal and lumber passing over the Penusylvania Railroad from the tounage tax

vas passed. In the House, yesterday, the resolution from the Senate relative to adjournment was again amended so as to read the 4th instead of the amenuea so as to read the 4th instead of the 9th. The House concurred in the Senate's amendments to the bill to establish a House of Correction in Philadelphia. The bill repealing the charter of the Donegal Deposite Bank was present. The supplement to the charter of the passed. "The supplement to the charter of the Philadelphia Savings Fund was defeated. The bills to re-charter the Bank of Penn Township and the Manufacturers' and Mechanics' Bank, passed finally.

The Ward murder trial in Kentucky has JAMES POLLOCK.

resulted in the acquittal of Matt. F. Ward.

Monday May 1. It is stated to be the determination of Mr. Benton to oppose the appropriation for carry-ing out the Gadsden treaty, and to move for a select committee, with power to send for per-

One of the victims of the Norwalk catastrophe has recovered, in a sait at law against the Company, a verdict of \$5,600 The Company had previously offered to settle the same case for \$7,000, but the offer was refused. A man who fell into an exposed cellar way, in Congress Square, Boston, and broke his back, has just recovered in a law court a verdict of \$12,000 against the city. The small note conspirators in Pittsburg have been sentenced to three months imprisonment and pay a fine sons and papers.
One of the victims of the Norwalk catastroto three months imprisonment and pay a fine

of \$100 each.

A stringent liquor law has been passed by he Ohio Legislature, which punishes by fine and impresonment persons selling liquor to parties intoxicated or in the habit of getting intoxicated, and also renders the retailers of liquor liable in civil suits for damages. Snow fell on Saturday to the depth of two inches some sixty miles north of Cincinnati.

some sixty miles north of Cincinnati.

An arrival at Charleston, S. C., from Nassau, brings accounts of serious marine disasters on and about the Bahamas. During two weeks, property estimated at from \$600,000 to \$1,000,000 was wrecked. No mention is

made of the steamer Glasgow, or any craft resembling her. St. Paul's Episcopal Church, at Baltimore. one of the largest and finest church edifices in that city, was nearly destroyed by fire on Saturday morning. It was insured.

A land slide at Brooklyn Heights, L. I., on

Sunday afternoon, crushed a frame house it which were seven or eight persons. At the latest accounts two of the victims had been taken out dead.

In the Pennsylvania Legislature, on Friday

night, a bill passed finally, incorporating the Farmers Market Company. The general Ap-propriation Bill was considered and amended, by raising the salary of the Governor to \$4000 of the Lancaster law judges to \$2,200 per aniving also the same addition of \$200 to all

were made from the committee on the bill to incorporate the Board of Directors of the Philadelphia Fire Department, the majority report for the bill, and the minority report against it. The General Appropriation Bill was considered, and an amendment rejected appropriating \$3,000 to erect a monument in memory of the deceased members of the Pennmemory of the P ham, Baker & Dock, in the event of a failure ham, Baker & Bock, in the House, on Sat-to sell, was rejected. In the House, on Sat-urday, the bill authorising the Cleaveland, Painesville and Ashtabula Railroad company 'to extend their road to Erie, was passed thro' Committee of the Whole, and put to second

Tuesday, May 5. From the north we have accounts of great awage done by the recent heavy fall of rain: New York and Erie, Hudson River and Harlem Railroads, and in one case some seven laborers were drowned. The most serious desaster, however, is the breaking away of the

Pacific, we have news from Europe four days the relative positions of the Free and the later, but things are still in statu quo. The Slave States. Can any free white man, north Pacific brings us intelligence of the commence. Baltic upon the Russian merchantmen. Five of the latter have fallen into the hands of the decisive in nothing, however, mor than the destruction of battalions, in which sians. The Turks still hald the same and the Russians are pressing them severely, and the Russians are pressing them severely, and the respective the same severely. it is probable that the next encounter w them in the Russians' hands. The British troops had been landed at Varna, so that it will not be long before they will be engaged in putting a stop to the further advance of the

Russians.
In open session of the Senate, yesterday,
Mr. Slidell offered a resolution directing the Committee on Foreign Relations to inquire into the expediency of authorizing the President, at any time during the recess of Congress, to suspend the acts preventing expedi-tions leaving the United States against foreign countries. Mr. Slidell accompanied his reso-

and also resolutions asking of the President ion relative to the rights of neutral information relative to the rigues in the European war, and the instructions to our representatives abroad on that subject, as

well as in relation to Cuba.

Both branches of our State Legislature have the father of the murderer, and there burnt in effigy his two sons. The house caught fire during these proceedings, but not much dam

age was done.

There is a serious freshet in the Delaward river, and considerable damage has been done tioe of whose verdict was to the Delaware Division of the Pennsylvania by his own confession. Canal, so that it is feared there will not be any boating for some time to come.

THE SUNBURY AND ERIE RAILROAD .- The Philadelphia Bulletin announces that all the St. Louis post office, any letters or papers obstacles to the prosecution of the Sunbury and further, that the office of Adams & Co. and Eric railroad are removed. The city sub- in St. Louis, will be, after this, his post office scription of \$1,000,000, being the first half in that city. Mosers. Adams & Co., he states of the conditional subscription of two million have offered to convey to and from Washing authorised by the ordinance, is made; the ton and St. Louis, all his correspondence certificates are signed, and the first install- The reason assigned for this singular notice ment of \$100,000 has been paid in. If the is, that the recent appointment of postmaste bill that has passed the Pennsylvania Senote (an anti-Bentonite) at St. Louis, has put i in reference to the Lake Shore road also goes out of his power to communicate through that through the House, another half million will office with his friends there. be secured; the other subscriptions of every kind amount to about three millions; so that work with of about five million and a half.

SUPREME COURT.

The Supreme Court has commenced its Sessions at Harrisburg. The hearing of cases for the judicial district of Cumberland, Perry and Juniata, is appointed for the 22d inst.

FREE AND SLAVE TERRITORY.

We present our readers to-day with a beau tiful and accurate map, giving the entire area giving also the same addition of \$200 to an intuit and accurate map, giving the chief and the other law judges, including those of the Supreme Court, and raising the salaries of the Chief Supervisor and two Dispatchers on the Columbia Railroad to \$2.50 per day.

On Saturday, in the Senate, two reports were made from the committee on the bill to support the Bloard of Directors of the Slave States, and that part which the authors and supporters of the Nebraska bill mean to incorporate the Bloard of Directors of the make slave territory, if they can, is shaded as doubtful.

The boundaries of Nebraska and Kanzas ire given, not with absolute exactness, but memory of the deceased members of the Pennnear enough to show the vast magnitude of the vast magnitude of the territory endangered by Douglas's bill. It near enough to show the vast magnitude of roposition to lease the public works to Bing- extends from Texas to Canada, and from Iowa to the Rocky Mountains, comprising an area of over 480,000 square miles, more than ten times the extent of Pennsylvania, and sixty times that of Massachusetts.

By a glance at the map the reader will see that by far the greater part of the settled lands of the U.S. are now in the hands of daveholders. The free population of At North is about fourteen millions; the free pop Extensive land slides have occurred along the ulation of the Slave States about siz and a half millions; while the number of slaveholders i Croton dam, and the consequent cutting short of the supply of water to New York city. It the North propose to open to them all the reis feared, too, that it will take some time to mainder! Imagine the shaded parts of the repair the damage.

By the arrival at New York of the steamship above map to be deep black, and then conside ment of operations by the British fleet in the Five ment as to his duty in the present crisis? There is one thing further to be consider

of the latter have fatten into the nance of the British. Admiral Napier was slowly pushing up the Baltio. There was no immediate indication of active hostilities, though the British will no doubt seize the first favorable opportuil to try the Russian strength in that tunity to try the Russian strength in that tunity to try the Russian strength in that them, they will be represented in Congress as quarter. On the Danube there is much skirnishing. The Turks fight bravely, but they isseem to lack military skill, for the Russians constantly advance, in spite of the Turkish five hundred slaveholders, cach owning ten fortresses. The encounters between the part slaves, are equal to three thousand five hundred free white citizens of Pennsylvania! And than the destruction of battations, in which the Turks suffer nearly as much as the Rustines. The Turks still hold their defences the Volunteer, and the Locofoco party generations.

ACQUITTAL OF WARD.

The most sugacious portion of the public scarcely looked for the conviction of Matt. F. Ward, who was tried last week in Kentucky for the murder of Prof. Butler, and they have not been disappointed. He has been acquitted. 'This verdict was not, of course, rendered in accordance with law and evidence. It will be regarded as bold effrontery on the part, of countries. Mr. Sidedi accompanied his resource of control with a speech on the subject of our present relations with Spain in reference to Coba, which is of some importance.

In the Hobse a bill was passed for the construction of military roads in New Mexico, and also resolutions asking of the President. witnesses, such as the Scoretary of the Treasury, and others-the dragooning, brow-beating course of his counsel-the low estimation in which human life is held in the South-these Both branches of our State Legislature have agreed to adjourn on the 9th instant. The House spent the whole day on the Ohio Railrond bill and made rapid progress with it.

The Ward case has caused a public indignation meeting at Louisville, at which resolutions were possed requesting Mr. Crittenden to resign his seat in the U. S. Senate, and Mr. Wolfe, another of Ward's counsel, to resign his seat in the State Senate. The Ward family were also requested to leave the State. A large mob went to the house of R. J. Ward, the father of the murderer, and there burnt probably formed the combination of influences pathies of almost the whole country with him but whom a stern Massachusetts jury, faithful to its own integrity and the majesty of law and justice, condemned to death, and the justice of whose verdict was afterwards vindicated

P. Colyer.

TION.
If everything is true of which they are accused the Legislature of Pennsylvania has become a most shamefully corrupt body. One of our exchanges says that corruption has become so open that it is a common boast of borers that they have purchased votes and laws, and of members that offers are made to them for their votes and influence. The Harrisburg Item, in an article on this subject.

"That legislation has been obtained by other than direct means, and rights and privileges purchased with MONEY, is no longer s ed fact. Those who take an interest in

The Harrisburg correspondent of the North American, under date of Friday last, makes the following comments on recent transactions, which certainly go far to confirm the worst

"To-day another new bank bill passed the defeated by a vote of 28 to 46. 10-day it was re-considered by a vote of 46 to 31, again placed before the House on final parsage, spared from all amendment, and passed finally, by a vote of 40 to 38. Yesterday the majority against it was twenty; to day the majority in favor of it was two votes, and that in a House containing a clear Democratic majority of forty, in the face of the opposition of one of the Lancaster county members, and in spite

less. Men at a distance can know, as well as those here, how Representatives votes are sequently but they experience the control of the contr own door—only two miles from where we are sowhich corruption is now prevailing. If the
secret history of successful bills could be exposed, not one third of the members would ever again be permitted to fill an office of hon-

Banks, and about as many more to establish Deposite Banks—two in Lehigh county, but four miles spart, I am informed—one to be curiosity, being now the object of attraction located in Allentown and another at Catasau- and general talk. We learn that on Sabbath qua. Several others remain to be passed, which, I presume, will be as favorably treated. which, I presume, will be as favorably treated.

These facts suggest two thoughts: the change in Democratic doctrine on this subject, and the one-half of our female population, and the powerlessness of Gov. Bigler."

the people are in good part to blame for it who call and we think no one should go with-Let them send honorable and high-minded men out some little expression of kindness and to the Legislature, instead of the party tools regard. Their several names are as follows, and pensioners, and the evil will be at once Charles M. Burnett, William Rankin, George remedied. Or a better remedy perhaps would Washington, and William H. Harrison. We be to have the Legislature meet only once in purpose to see them soon and will then say two years. Let the People move for BIENNIAL SESSIONS of the Legislature!

HIGH-HANDED ACT.

Main Line, the Loco office holding plunderers from the saddle and, his foot having stuck fast are determined to defeat the object of the law. in the stirrup, dragged some six hundred The Democratic Union, a Loco paper, but yards, injuring him so seriously that his life which seems honestly to favor the sale, has a is despaired of. The horse was frightened by long article exposing the action of the Canal a sudden flash of lightning, followed by a loud Commissioners. W' make the following ex- peal of thunder. - Shippensburg News. tracts from it. The Juion says :

Truly, truly, whom the gods will destroy they first make mad. We assert, unhesita-tingly, as the most charitable conclusion we can come to, that the Canal Commissioners are demented and unfit to exercise that authority which the law has placed in their hands. We say this "more in sorrow than in anger," because the imperious sense of duty to the people of this commonwealth will not permit

us to remain silent. the public works, passed with great unanimity, (or rather by strong majorities,) in both houses of the legislature, it is stipulated that the by the commonwealth." The menning of the legislature is obvious. It cannot be mistaken. The purchaser was allowed by the act to charge the same rate of tolls charged by the commonwealth at the time the bill received the legislative sanction. This was the inter-tion of the legislature. There lives not a ma tion of the legislature. I there in the hot air in or out of the legislative body, who dark deny it. And yet, look at the bold, rough hown-piece of rascality by which that Board in the face of day, in defiance of the Legisla because of the people seek to defeat the con ture and the people, seek to defeat the con summation of an act which was passed by th representatives of the people after long and mature deliberation! Look at it, members of the Legislature: look at it, citizens of Penn sylvania; and say what should be the punishment for such a flagrant violation of duty and the public will! The fact will scarcely be credited, and yet it is "true as holy writ, that the Board of Conal Commissioners, o Saturday, reduced the tolls on the main line for no other reason that can be conceived than to defeat dishonestly and by an abuse power, the sale of the public works."

. The people can thus see how their interests are trifled with by the plunderers in power.

ONLY SIX MILLIONS

The annual appropriation bill, covering the mammath sum of SIX MILLIONS OF DOL-LALS passed the Legislature on Monday. The Ledger remarks upon this monster bill-"We shall want to examine this bill. Six property sold wore only sold to the morary lone affairs will be a curious and philosophic exthis year will be larger than they were last periment. year; other sources of revenue being equal.

KENTUCKY MOBALS .- We can make many allowances for legal figures of speech in defence of a client, but we must say Kentucky practice is too sharp for us. The Etizabethtown correspondent of the Louisville Courier says that Ex-Gov. Helm, in his address to the jury in the Ward case, "avowed his belief that

gives regularity to the bowels.

startling legislative corrue- Comn and County Matters.

The Water Works. An instalment of \$5 per share on the stock is called for by the Carlisle Gas and Water Company. The stockholders ought to be prompt in their payments as the officers of the Company are actively pushing the work, and the completion of the Water works is expected in a few months from this time. The work on the Gas establishment we learn will also be

vigorously commenced at an early day.

New Pavements. Our Borough Council resolved at its meeting disputed fact. Those was take an interest what is going on, are as regularly notified that important Legislatton is projected, by the reappearance in our town of certain persons from other counties, and the regular visits to the rooms of members or the Halls of legislation of certain of our own citizens, as they possis will soon be invited by the proper composals will be proper compo they are of sowing and planting time, in the Spring, by the cawing and whistling of the corows and black-birds which rob the cornfields from Hanavar to Pitt. graded and macademized: from Hanover to Pitt, graded and macademized? There is no necessity of longer delaying these improvements, as the finances of the borough are in a healthy condition, and the community is almost unanimous in its desire for good

The Volunteer tells a story, which it avows House of Representatives. It had previously passed the Senate, and will be presented to the Governor for his approval. It is the bill to incorporate the Donegal Deposite Bank, at week, with which he not only intended to treat Newstein Large-ground. to incorporate the honegal deposite bank, at week, with which he not only included to treat his own household to a good dinner, but was defeated by a vote of 28 to 48. To-day it him appared to offer to sell a steak or reast to kind enough to offer to sell a steak or roast to some of his neighbors! In his opinion it was "reight goot," and he manifested no little surprise that the article did not prove saleable

Extraordinary Birth. On the morning of Thursday the 20th inst. Mr. Joun Sarver, of Southampton township, of the fact that Lancaster county already con- in this county, was presented by the partner tains four banks of issue, and two savings in- of his bosom with four hearty boys at a birth, as additional pledges of mutual affection. CRYSTAL PALACE REVIVED.

The New York Crystal Palace, now, under the management of P. T. Barnum, as President of the board of direction, will be formally re opened on Thursday, the 4th of May .-We have not room for Barnum's circular in full, and can only give a brief and general statement of the plan for re-organizing the exhibition. There is no longer any danger of the Crystal Palace proving a failure. The effect of Barnum's connection with it has been talismanic. In fact, he was the only mar who could have saved it from the rain to which t was hastening. He is adding several new features to the exhibition of last year; new specimens of all kinds are, we understand, at this moment on their way from most countries in Europe. The picture gallery is to have valuable additions-there is to be a horticultural department-bands of music are to be in regular attendance-on the whole, there is every reason to expect that whatever may be said of the past, the future of the exhibition will be such as to afford gratification and pleasure to those who visit it. The opening of the Crystal Palace, on the 4th of May, is to be equal to the grand reception of Jenny Jenny Lind at Castle Garden. The Palace millions of dollars is a very large sum, and to be opened with a grand concert, in which the people ought to be informed what are the e people ought to be informed what are tale all the principal artists are to sing. The tickirposes to whichit is to be applied. Among all the principal artists are to sing. The tickprovisions we understand is authority to ets are to be sold at auction, and, of course, make temporary loans. The whole revenues there will be a great competition for them of the Commonwealth last year, including from various quarters, and among all persons \$4,205,233 of loans, and \$104.662 of public property sold were only \$9,486,770. We in- Barnum's administration of the Crystal Palace periment.

Ex-President Fillmore and the Hon John P. Kennedy arrived at Charleston, S. C., on Tuesday, from Savannah, and were received with distinction and warmly welcomed by the authorities, as they had previously been a Savannab.

THE GREATEST DISCOVERY OF THE AGE. - FRI

says that Ex-Gov. Helm, in his address to the jury in the Ward case, "avowed his belief that Matt. Ward was discharging a solemn social duty when he shot Prof. Butler."

Damage my the Late Storm.—The storm of Thursday last was very govere in Adams county, prostrating houses, barns, fences and trees. Among the sufferers were Col. Neely, Jacob King, David Herman, John F. Felty, and S. Neely, whose barns were blown down, or dwellings unroofed. At Cambridge, Md, the hail stones, it is said, were as large as pignon's eggs, and broke considerable giass.

REX. The Stomach prepares the elements of the bile and the blood; and if it does the work feelby and imperfectly, 'liver disease is the certain result. As soon therefore, as any affection of the liver is perceived, we may be such that the digestive organs are out of order. The first thing to be done, is to administer a specific which will act directly upon the sum, and a tonic, it strengtheus the digition and a tonic, it strengtheus the digestion and and a tonic, it strengtheus the digestion and and a tonic, it strengtheus the digestion and a changes the condition of the blood and thereby gives regularity to the howels.

**BOATHOR THE LATE STORM.—The storm the finish and the sum of the

THE WARD TRIAL.

The editor of the Cincinnati Gazette makes the following notice of the testimony in the

Ward trial: "We have read it with attention, and the weight of testimony is clearly, in our judgment, against the prisoner. We do not know what the verdict may be, but a more deliberate case. of murder was never made out than is made out by the published evidence. We have no acquaintance with the Wards, and had none with Mr. Butler. We therefore bave no bias one way or the other. More than half a dozen witnesses, young men, students of Mr. Butler, swear unequivocally that the Wards came to the school, and after a few angry words Matt. Ward, who called Butler a d.—d. came to the school, and after him ang."
words Matt. Ward, who called Butler ad —d
liar, drew a pistol and shot him. The wound
was in the breast, and of which wound Mr.
Butler, after being carried home, died. The
attempt to prove that Mr. Butler struck Ward or struck at him, after Ward called him a d-d har, is not made out satisfactorily. The weight of testimony is that he did not strike or attempt to strike Ward."

THE COMING CROPS.—It appears from an examination of items in relation to the crop contained in papers from nearly all the agricultural States that the prospect of an abundance is more promising than usual at this season of the year. The season is backward, but the winter grains appear to have wintered well as a general thing.

Old Sores, Ulcers, and all eruptions and distate of blood. See the extraordinary cure of Mr. Wm. G. Harwood, a highly respectable of Richmond, Va, by Carter's Spanish J K Boyer for printing Mixture. He had ulcers and sores worst description, and finally got so bad, he Janitor to Council' was unable to walk except on crutches. A G S Searight salary as clerk to few bottles of Carter's Spanish Mixture, the Council great blood purifier, cured him as it has cured hundreds of others who have suffered with rheumatism. had effects of recommendations and effects of recommendations. and ulcers of the bones and joints. * . *See advertisement.

The Markets.

PHILADELPHIA MARKETS. Monday, May 1, 1954. Monday, May 1, 1854.

The Flour market is firmer under the forceign news. Sale of 11@1500 bbls extra were made early in the day, mostly for export, at \$8,75@8,874 for common, and \$9 \$7 bbl for good brands, but \$8,75 was afterwards generally asked for, standard brands; without finding buyers, except in a small way, for home use, the demand for which is also lunted. Rve Flour and Coru Meal are quiet, and ed. Rye Flour and Corn Meal are quiet, and nominally held at former quoted rates. The receipts of Wheat continue very light.

Small lots were sold early in the day at 205c for reds, and 201c for white of good quality in store, but these rates were afterwards refused.
Rye is searze, and a small sale of Penna. was
made at 100c, which is an advance. Corn is
about stationary, and 10,000 bushels southern
and Penna vallow sold before the receipt of and Penna, yellow sold before the receipt of the news at 95c affect. Outs continue dull.

BALTIMORE MARKET.

____Monday, May 1, 1854. FLOUR AND MEAL—A sale this morning of 800 bbls Howard street and City Mills Flour, before the news, at \$8.25. We also note a settlement of the difference on about 8000 bbls superfine Flour at \$8.35 B bbl. After the Pacific's advices became known, showing ar advance on the other side, our market was unsettled, and on second 'change holders generally contended for \$8,50, but no sales and not much disposition to operate. Before the close, however, there were sellers disposed to take less. We quote Rye Flour at \$5.50%, 5.62; country Corn Meal \$8,37, city do. \$4.50

Fight We quote Potomae Herrings at \$60 and Shad \$10,00@11 F bbl. Mackerel unchanged. GRAIN AND SEEDS-Apout 7000 bushels of

Wheat offered, and sales before the steamer's news of red at \$2@2,08; white at \$2.05@ 2'08. Inferior lots 2 to 15 cents less. Corrstandy—About 13,000 bushels offered, and sales of white at 70 cents & bushel. Oats— 2000 bushels offered, and sales of Maryland at 50 cents & bushel. Rye-No sale seed \$4,50@4,58, and Timothy \$8@3,25 P
