The Fighting Begun by the Fleet. BOMBARDMENT, OF ODESSA.

FRESH DIFFICULTIES WITH SPAIN EXCITING STRUGGLE IN CONGRESS ;

Wednesday, May 10. The Penneylvania Legislature adjourned sine die yesterday. In the Senate, according to custom, the Speaker, Mr. McCaslin, resigned his seat, and a new election to fill that of The was held, resulting in the choice of Byron D. Hamlin, Dem., of McKean county. Mr. Hamlin took the customary oath of office and delivered an appropriate address. A message from the Governor communicated the fact that the Steubenville Railroad Supplement and the Marking Zhao Counterview address whether the become Keyston's Zine Company's charter had becom have by lapse of time without his signature, and that he had signed the Appropriation bill and a large number of other acts. among which

were the recharters for the city banks. In Congress, yesterday, the Senate ordered the printing of two thousand additional copies the Report of the Surveying Expedition t the Northern Seas. A private bill was passed, and the Indian Appropriation bill taken up and debated. In the House, the debate was coninued, in committee, on the Nebraska bill out Messrs. Ingersoll and Perkins made spee ches on the subject of Cuba, and our relation with certain Europian power in reference to it. Nebraska bill. The session was protracted until ten o'clock, P. M., although part of the

time without a quorum. A fire at Brantford, Canada, has destroyed a railroad freight station, two locomotives, sev-eral passenger cars, and a quantity of freight; loss \$25,000. A fire in New York city has destroyed over twenty dwelling houses. We have later advices from Australia, but they are of no special interest. From Peru, the intelligence received is, that the civil war still raged, and that the President was likely to be

angen, but the first first the first of t ity. Acapulco has been blockaded by tw els bearing French colors, and acting a der the orders of Santa Anna. These ship have fired on the steamer John L. Stephens and prevented her from entering the port.-Later news from Montevideo informs us the General Flores has been elected President.and installed into office, and that four thousan Br silian troops were to enter the country on the 80 of March, and remain there as long as ne

cessary to preserve the peace. One of the new steam frigates is to be built at Philadelphia, and two at Norfolk.

Thursday, May 11.

By the British Mail Steamer Canada. Balifar, yesterday, we have dates to the 29th ult. At the time of her sulling, nothing had been heard on the other side of the ill-fated "City of Glasgow," and there remains scarce ly a shadow of hope that she has escaped.-The intelligence from the seat of war is unim portant. Silistria had not yot been taken by the Russians, nor had the allied fleets made any demonstrations against Odessa. Increas ed vigor was, however, displayed by the allies. Twenty thousand French troops and eight thousand British had arrived at Gallipolis. A for various members. A call of the House was then ordered, which consumed much time. At noon, the usual daily hour of meeting hav-ing arrived, Mr. Dean raised the point that the journal should be read. The Chaplain thousand Dritish had arriven at thampons, —A sanguinary engagement has taken place near Kalafat, but without any decided result. It was reported that the Russians had evacuated Lesser Wallachia. The commercial news shows further fluctuation in the market. Flour and Wheat and Corn had declined. Cotton was Speaker overruled it, as there had been no ad journment, and this was the continuation o irregular. Consols had slightly falled, though money is said to be easy. In U. S. Securities the transactions were small, but process were the legislative day commenced on Thursday Subsequently a vain effort was made to go int

unchanged. In the U. States Senate, yesterday, Mr Mor-ton, from the Agricultural Committee, to which was referred the resolutions of the Maryland Legislature on the subject of the British n Legislature on the subject of the British mon-opoly of the Peruvian Guano trade, reported a resolution, which was adopted, referring the matter to the President. Mr. Clayton made some remarks on the subject, saying when Secretary he negotiated a treaty with Peru, in reference to the guano trade, but though it was ratified by the Senate, it was rejected by Peru, through the influence of English capital

ists, to whom the monopoly is secured in pay-ment of the national debt. Mr. Morton made a report from the Agricultural Committee, providing that an appropriation shall be placed

adopted. The vetged Land Bill was debated lietter commenting on his former speech on the and postponed until Monday. In the House, yesterday, Mr. Richardson offered a resolution terminating the debate on and subject. Archbishop Hughes argued that the freedom of conscience is the mere right of thinking, and that the governments of all countries do more or less set limits to the freedom of action distated by the consci-ence, and that this is allowable and strictly right. Gen. Cass goes into a long metaphysical a well as practical train of reasoning, to show that the mere wich of the internet by the const offered a resolution terminaling the debate on the Nebraska-Kanses bill to-day at 12 colock, and moved the previous question. After some debate, a motion was made to by the resolu-tion on the table, which was negatived mild much confusion. Efforts to preouver a call of the House, requests to be excused from voting, motions to lay on the table, &c., occupied the House for many subsequent hours. "At 4 of clock P. M., the Speaker was relieved by Mr. Orr, of South Carolina... Soon afterwards, a vote of yeas and nays being taken on a mo-tion to adjourn, developed, the fact that there. that the mere right of thinking is not the free-dom of conscience. He proves it successfully from the subsequent portion of the Arabbishop's letter, and all the standard authorities on international law. In the House, the struggle on Mr. Richard-

In the House, the struggle on Mr. Monara-son's, resolution to, terminate debate, on the Ne-braska, bill took's now sliaps, and finally came to an end. (Mr., Richardson's opened, the day-by withdrawing his demand-for the previous question, and amending his resolution so as to terminate the debate on Friday, next, but the classifier proceedings him series and a subwas no quorum present, the majority of the members having slipped off to dinner. A coll. of the House was ordered; and consumed much time in hearing excuses, &c. At length a quorum was obtained, and those whose dinner terminate the debate on Friday.next, but the disorderly proceedings being renewed, he sub-sequently procured a suspension of the rules, and offered a new resolution to terminate the debate on Saturday next, and postpone the consideration of the Pacific Rathroad bill until the 24th term. had been interrupted and the lobbies. Near "seven o'clock the Speaker returned from din-ner, and took the chair. Bidiculous sugges-tions, motions to adjourn, voles by yeas and nays on trilling motions, debates on points of order So, then consumed it ime through the nays on trifling motions, debates on points of order, &o., then consumed time through the rest of the night... All these proceedings were oharacterized by great confusion and noise, and benches to sloep, cating their moals in the lobbies, talking sind loughing loudly, &o. characterized by: great contusion and noise, members stretching themselses out on chairs, and benches to sloep, cating their meals in the lobbics, talking and loughing loudly; &o, Thirty deaths from cholers have occurred on and last evening, a public meeting was held to prepare for his suitable reception in Phila-delphia.
