OF CINCINNATI.

HAS the pleasure to inform the citizens arlisle and vicinity, that he has taken rooms ver the store of BENTZ & BROTHERS, and is over the store of Bentz & Brothers, and is prepared to execute COLORED DAGUERRE. OTYPES by an EXTINELY NEW PROCESS, known to none other, superior to any thing over before exhibited in this country. By this process pictures possess a depth of tone not infonerior to any in the world, and yet they possess all the BEAUTY OF LIGHT AND SHADE that can be found in the linest steel engravings.

Mr. Davis will remain in this place a few weeks, during which time all who wish a perfect likeness of themselves or family, will do well this ness of themselves or family, will do well to improve the opportunity. The people of this vicinity are invited to come, one and all, and EXAMINE HIS SPECIMENS, AND FUNGE FOR THEMSELVES, and see if these things are set. This process is original with Mr. D., and has never before been offered in this place.

Pictures put up with preservers, and war-ranted never to fade. Miniatures set in lockets, breast-pins, finger-rings, &c. Operating hours, from 8 A. M., to 6 o'clock, P. M. Pictures taken in all kinds of weather. The Dark dresses are most suitable for daguereotypes. Children should be brought on a clean day, between the hours of 10 and 2 o'clock. Carlisle, August 3, 1854. C. E. R. DAVIS.

OPINIONS OF THE PRESS. Davis' new and beautiful Daguerrean sa loon, No. 14 Fifth street, over Leslie's store was opened yesterday for the first time. Hundreds of ladies and gentlemen visited the sa-loon, and were delighted with the convenient arrangements throughout. The fact is, this establishment is the most convenient and fine pictures are the admiration, while Mr. Davis' pictures are the admiration of the art. We advise our friends to call and examine the pecimens at the gallery without delay .- Cir.

DAGUERREAN ROOMS.—The art of transfer ring the features in the shortest possible space of time, through the medium of the da guerreotype, has been brought to great perfect guerreotype, and been orought to great persec-tion at the present time, and we presume the art has reached to no higher degree of excel-lence than in our city. We were so impressed yesterday, upon visiting Davis' Daguerrean plained, by means of which every one is enabled to cure himself perfectly and at the least possible cost, avoiding thereby all the advertized mostrums of the day.

Sent to any address, gratis and post free, in sealed envelope, by remitting (post paid) two postage stamps to Dr. B. DeLaney, 17 Lispeard Street, New York.
