of its deathless melodies. Whoever walked beside her felt that holy thrill.

"Now," said the Prince of Candia to the Emperor Peter, who had been for six years ruling his mock empire in a lunatic asylum, "now," said the Prince, "your kingdom is in order; your subjects love you well, and your daughter is a being whom no man can be wise enough to love sufficiently. The course of Aime has made me king of Candia-Emperor Peter you shall be again, and I will ais, that you give me your daughter to be my fond of reading and study, could embroider that you continue the government as I have established it; obeying the counsels of the myself combetent to take charge of, and dis formed, and he will work you good or evil, with one, "dearer than all the world beside," and be 'm id of all work" in his pretty cot as you merit either at his hands.

Emperor Peter was glad to escape on any terms from Bedlam. He kept his own counsel, and, continuing to receive credit for the at length, and was a bosom friend to honest

Sirius courted the emperor's daughter in another year or two obtained her reasonable who was present at the wedding, (Marl was) there, too,) told the princess all her husband's right to tell, because he wished her father to | ing it, that it tasted so strong of potash as to have all the credit of her education. That Suzemunda did not wish. But when Suzemunda afterwards told the king and queen of far from being excellent. Candia about the old women Kospatza-how, since she had lost her fairy power, she had been living miserable in a hut, and how she the mortification of placing paneakes, or poor was at that moment suffering under a pain shortcake upon my table in place of good ful disease, they did not rejoice as the good bread biscuit. Then too the heavy cake, un fairy expected and desired. Suzemunda had palatable pics, &c., rendered me so vexed some spite about her, for she was a little and during the Honey Moon, when I should have noyed when the king and queen sent nurses been the opposite. I have been a long time and doctors in a post-chaise, with orders that in learning to get up good dishes. I have the old woman was to be tended kindly. But found there was more to learn in this department of this kindness was that the consequence of this kindness was, that of in my philosophy; I have suffered more Korspatza (she was too obstinate to drink annoyance and embarrassment than I could any of the medicines) recovered, and lived to have believed possible. become a very amiable person.

The story ends with that which is beyond question the most surprising of all transfor- this branch—so sadly neglected, will prove of mations.

HOUSE-KEEPING DIFFICULTIES.

From the Chie Cultivator.

Perhaps some of the trials of a young iouse-keeper, may not be amiss in the col umns of this department. It may stimulate some of those young ladies to: action, who consider the arts of the culinary department beneath their proglous notice. I was tender y reared, and flowed to follow such pursuits and pleasures as I had a mutive taste for. gain be Sirius, on two conditions. The first understood music, drawing and painting, was wife, if she be willing; and the second is, neatly, sweep, dust and arrange rooms to perfection, imagined I could readily learn any thing I took a fancy to, and therefore thought prime minister whom I shall leave. He is charge the duties of housekeeping; and with the spirit by whose power you are now trans. few fears, consented to unite my destinies

I thought it a very small matter to learn to make good bread, pies, cakes, sweatments, &c., with a common Receipt Book for a guide. My first effort was a loaf of bread, which goodness of his government, soon found that might have been a atab'e, had it been allowit was more pleasant to gratify his reason as ed sufficient time to rise, but as it was, it was a good man, than to gratify his passions as a bad one. So he became good on principle until it was exceedingly light. With pride I cut a loaf for tea-but imagine my surprise. when, upon tasting it, I found it had stood too ong, and was so sour we could not eat it. his own person, and, having in the course of to the sponge for my next loaf I should make another year or two obtained her reasonable all right; so into the sponge I put a table love, he married her. The fairy Suzemunda spoonful of saleratus, allowed it to rise sufficiently, moulded it into two loaves and baked it, perfectly confident of success though I could not imagine why it looked so dark. But story. This he had himself not thought it I was vexed beyond endurance to find, on trybe totally unfit to eat. In the next loaf, I left out saleratus, and added a small quantity of sugar to 'the yeast; this was catable, but

During this time we were favored (?) with many calls from our friends, so with chafed

Let me urge upon all young ladies to attend to this important art. Few there are but will sometime find that a knowledge of great benefit to them. Take warning from one proud girl's failures, and profit thereby.

Blackberry, Ill., June, 1854. HATTIE.

Tittle Folks.

THE UNKIND CHILDREN.

"Toss it in the air, sir," said one.—
"Hurral. I there it goes!"—"Catch it, Tem, hoist it up again," said a well-deessed boy with a new cap.

There were so many boys that I could not for a minute or two distinguish with what they were amusing themselves.—
At last the wind blew towards me a little cloth cap, not me de, to be sure, in the fashion of the season, but very heatly repaired, and quite good enough to be worn by any respectable boy.

A little boy ran after the cap and tried to get it from the others. His head was bare; therefore I concluded it was his. "Oh, Charles," said he, "give me my cap it will. be all dirty." But the reckless Charles answered by kicking it up into the air again, crying out, "Hurnh for the Dutchman's cap." This stroke of wit, as they all appeared to think it, caused a loud laugh, and one said he bought it from some Dutchman. "Who adid you for some of the public not of the public not their words. The real special contents to the public hat the visite to received, it on he asks the public not of the public not of the public not take in the public not of the season, but very heatly repaired, and quite good enough to be worn by any respectable boy.

A little boy ran after the cap and tried to get it from the others. His head was bare; therefore I concluded it was his. "Oh, Charles," said he, "give me my cap it will. be all dirty." But the reckless Charles answered by kicking it up into the air again, crying out, "Hurnh for the Dutchman's cap." This stroke of wit, as they all appeared to think it, caused a loud laugh, and one said he bought it from some Dutchman. "Who adid you here the cap and the first of the public not otherwise. The Calleger's 18 Colleger's 18 Dutchman's cap." This stroke or will, as they all appeared to think it, caused a loud laugh, and one said he bought it from some Dutchman. "Who did you State of the public from some Dutchman. "Who did you State of the public from some Dutchman. "Who did you State of the public from some Dutchman. "Who did you State of the public from some Dutchman. "Who did you State of the public from the publi

was at last with difficulty kept from tears, and the boys having had enough sport, allowed him to walk home with it. brushng it as well as he could, and trying to get it in shape again, the tears now and then starting to his eyes, and his face goloring at the recollection of the insulting, unkind, treatment he had experieneed from his schoolfellows.

When this little boy came home I heard him say to his mother, "I cant wear this cap again.'

Why not?" said his mother. "Why, the other boys have new caps and they call mine a Dutchman's cap.

This little boy's mother was obliged t

"But the boys all laugh at me as I g long the street, and knock my cap off in he dirt, and that makes me feel so, I now not what to do. Oh, mother, get me a new cap.

"I would if I could," said his mother, but you know I am poor." She looked sorrowfully at him and said, "Your schoolfellows must be very unkind and thoughtless children. But their behavior discovers ignorance and very foolish pride, you must endeavor to bear it with patience and firmness, and show them by your conduct that a boy's character is not determined by the shape or quality of his

very busily engaged in writing and conversing, in came a little boy two or three years old, looking as happy as the birds that entertain us with their sweet music, saying, "Now, papa I am ready to say my little prayer," and gliding swiftlyto the side of his father at the table.

The father laid down his pen, put his

SMMUEL M. BRINKER, of the firm Drinker & Merrise, Richmond was cured of Liver Complaint of Sycars standing by the use of two tottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA—The Editors of the Richmond Republican had a servant employed in their reversor. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the editors in a public notice say they "cheerfully recommend it to all who are afflicted with any discuss of the blook."

STILL ANOTHER CURE OF SCROFULA—I had a yet valuable by cured of Ser fulls by Carter's Spanish

The father laid down his pen, put his arm around the dear child, and taught him to pray. Oh how sweet and confiding was that voice. I was filled with delight, yet with solemn awe, while that child was praying for himself, for his parents, and his little mates. I felt that my heavenly Father's ear was inclined to the petition of that child. In a few moments came the affectionate kiss, the sweet "goodnight," and the father was ready again to attend to his arduous duties.

Such a public servant is a public treasure.

FIRST STEP TO RUIN .- " My first step to ruin," exclaimed a wretched youth, as he tossed from side to side on his straw move the dust, the paper will be found to be bed in one corner of his prison house, was going fishing on the Sabbath. I knew it was wronge; my mother taught Almost every one knows the value of Red me better: but I would heed none of
