

CARLISLE, PA. WEDNESDAY, NOVEMBER 15, 1854. THE LARGEST AND CHEAPEST NEWSPAPER IN CUMBERLAND COUNTY.

THANKSGIVING DAY.

Pennsylvania s. s. In the Name and by Authority of the Commonwealth of Pennsylvania. WILLIAM BIGLER, Governor of said Commonwealth.

A man convinced against his will is of the same opinion still. "It was a Know Nothing victory," says the Volunteer. We grant this, but it was none the less an Anti-Nebraska victory too.

The blessing of peace He has bestowed upon us. Our relations with all other States are amicable, and the tumult of internal strife has not been heard in our midst.

These manifold blessings are the gift of God, and to Him our most devoted thanks should be offered. Under the solemn convictions of duty therefore, and in conformity with the wishes of many good citizens, I, William Bigler, Governor of the Commonwealth of Pennsylvania, do hereby appoint

THURSDAY, THE 23D DAY OF NOVEMBER NEXT as a day of general thanksgiving and praise throughout the State, and earnestly implore the people that, setting aside all worldly pursuits on that day they unite in offering thanks to Almighty God for his past goodness and mercy, and beseech him for a continuance of his blessings.

THE NEXT LEGISLATURE.—The Legislature of Pennsylvania assembles and organizes on the first Tuesday in January, annually, and the inauguration of the Governor takes place on the third Tuesday of the same month.

PERRY COUNTY.—At the November term of the Court of Quarter Sessions in Perry county, last week, a man named McClintock, keeper of a public house in Petersburg, was convicted of violating the act of assembly of 1854, in selling liquor to a man of known intemperate habits.

While his hand is in will the Herald tell us why it happened that in this county No. 1 was defeated by 1092 votes over by 1159, and Skyles by 1639?—Vol.

THE MEANING.

"We cannot agree with the Herald, when it asserts that the late election was a condemnation to the Nebraska bill. It was no such thing. It was a Know Nothing victory, and nothing else, and there is not much meaning in it."—Vol.

Our neighbor of the Volunteer may be classed among the utterly incredulous portion of society. He won't believe—2100 majority against Bonham, 37,000 against Bigler—even such terrible "sookdologers" as these don't make him believe that the Pierce administration and the Nebraska outrage have been condemned by the People!

"It was a Know Nothing victory," says the Volunteer. We grant this, but it was none the less an Anti-Nebraska victory too. It was emphatically a people's victory.

Why has Pennsylvania been revolutionized, Congressional districts overturned, the Legislature entirely changed, if the people did not mean it as a rebuke of the reckless men in high places, who entrusted with power, have so outrageously abused it?

The Volunteer's allusion to a new paper to be started in opposition to the Herald, has no terrors for us. The Volunteer has quite as much if not more reason to dread such an enterprise as we have.

The contest in Illinois has been a warm one, and public attention has been very generally interested in the result, as it is the home of S. A. Douglass. The Democratic party was divided on the Nebraska question, and though strenuous efforts were made by Senator Douglass and the friends of the Administration to restore unanimity, the effort has been futile.

In conclusion we trust that if our neighbor has been unable to see the "meaning" of the Pennsylvania election, the still more recent results in New York, Illinois, Michigan and New Jersey may have the effect to fully enlighten him.

THE NOVEMBER ELECTIONS.

MORE "NEBRASKA SETTLERS."

State elections were held last Tuesday in five of the Northern States, which elect fifty-four members of Congress, viz:—New York, 33; New Jersey, 5; Illinois, 9; Michigan, 4; and Wisconsin 3. These States are represented in the present Congress by 38 Democrats to 16 Opposition. We present below the result in each State as far as received.

NEW YORK.

The election in New York was for State and local officers, members of Congress, and of the Legislature. There were fourteen State tickets in the field. The four principal candidates for Governor were,—Clark, Whig and Temperance; Seymour, the present incumbent, 'Soft' and Anti-Temperance; Bronson, 'Hard'; and Ullman, Know Nothing. The result for Governor is not yet conclusively settled.

Table with 2 columns: Candidate and Votes. Clark, Whig, 124,261; Seymour, Soft, 124,183; Ullman, K. N., 104,254; Bronson, Hard, 21,812.

Clark 108. A despatch from New York on Saturday evening says that Clark 1428 ahead of Seymour. or Lieut. Governor, Raymond, Whig, is conceded to be elected, without doubt, and the probabilities are that the Whig candidate for Canal Commissioner and State Prison Inspector are also elected.

Table with 2 columns: Party and Votes. Whigs and Americans, 27; Soft Shell Democrats, 4; Anti-Nebraska Democrats, 2.

In the State Legislature the Whig and American majority will be equally decided. Returns from 113 out of 128 districts for members of Assembly show the election of 78 Whigs; 32 Democrats and 3 Temperance men. Such is the voice of the Empire State!

ILLINOIS.

The contest in Illinois has been a warm one, and public attention has been very generally interested in the result, as it is the home of S. A. Douglass. The Democratic party was divided on the Nebraska question, and though strenuous efforts were made by Senator Douglass and the friends of the Administration to restore unanimity, the effort has been futile.

The returns though not yet complete show the election of six Whigs and Americans with one anti-Nebraska Democrat to Congress, and two districts yet to be heard from. The Legislature is Whig and anti-Nebraska by an overwhelming majority, which secures a U. S. Senator for that complexion in place of General Shields. The popular majority against the Administration is over 10,000!

NEW JERSEY.

The Jersey Blues have again gloriously wheeled into the Whig and American line. The delegation in the present Congress stands four Democrats to one Whig. The case will stand exactly the reverse in the next Congress, as four American Whigs have been elected to one Democrat! In the state Legislature, owing to the holding over of democrats there will be a tie in the Senate, but the Whigs and Americans will have a decided majority in the House.

MICHIGAN.

The result of the election in Michigan is a terrible rebuke to Pierce, Cass & Co. and the members of Congress from that State who cast their votes for the Nebraska iniquity. Not a single Pierce Nebraskite has been chosen on either the State or Congressional ticket.

Wisconsin has also gone Anti Nebraska all over, and for particulars of the American victory in Massachusetts see telegraphic head!

TRUTH FITLY SPOKEN

The Charleston (S. C.) Evening News has the following reasonable and just remarks upon the effect of the passage of the Nebraska bill upon the country, as demonstrated in the recent elections.

There never was a complete or more disastrous miscarriage than the Nebraska bill. It has not only blasted every expectation that was originally formed of it, but it has proved to its authors a positive and unmitigated curse.

Townand County Matters.

At the request of friends we refrain from giving publicity to any particulars connected with a sad event which occurred in our borough a few days since.

NEW STORE AND NEW GOODS!—Mr. Robert Dick has opened a new establishment at the corner of North Hanover and Louthers streets, where he invites attention to a new, elegant and cheap assortment of Dry Goods, Groceries, &c. Give him a call.

LECTURES.—A course of popular Lectures is to be delivered this winter under the auspices of the Union Fire Company. The first will be delivered on Thanksgiving Evening, by Prof. TITMANY. The Firemen deserve thanks for providing such a source of sound winter evening's entertainment.

NOVEMBER COURT.—The Court of Quarter Sessions, &c., of this county commenced the November term on Monday last. The criminal business was commenced on Monday afternoon. The first case tried was that of

The Commonwealth vs. Charles M. Glaughlin. Indictment for violation of the Act of Assembly of 1851, known as the Liquor Law. The defendant is keeper of a public house in Carlisle, and was charged with selling liquor to a person of known intemperate habits.

Commonwealth vs. C. G. Stough. The defendant is keeper of the Washington House in this borough, and was indicted under the Act of 1851, for selling liquor to minors.

Commonwealth vs. John Young. Indictment for Burglary. The Defendant was charged with committing the robbery sometime since at Newville. Verdict not rendered at the time our paper goes to press.

Commonwealth vs. James Graham. Indictment for larceny of a gold chain, the property of Thomas Conlyn. The prisoner pleaded guilty, and was sentenced to sixty days imprisonment.

THE DROUGHT AT AN END.—We have had successive and copious rains during the last week, which have thoroughly saturated the earth and filled the streams. The long and unprecedented drought is at an end.

STORMY WINTER.—It is predicted by the weather-wise, that the ensuing winter will be unusually stormy, marked by heavy falls of rain or snow, or both. The prediction is based upon the fact that about the same amount of water falls to the earth each year and as much less than the usual proportion has fallen during the last six months, the balance is to be made up this winter.

GOOD PRICE.—The Boston Gazette learns that F. Gleason, Esq., has disposed of his interest in Gleason's Pictorial and Flag of our Union newspapers, to Matthew M. Ballou Esq., for the round sum of 200,000. This is the largest news-paper sale ever effected in this country.

THE GREATEST DISCOVERY OF THE AGE.—Farmers, Families, Manufacturers and others, who are interested in Dr. TOBIAS' Venetian Linctus, for Croup, Whooping Cough, Chronic Bronchitis, Hoarseness, Sore Throat, Asthma, Sea Sickness, Cuts, Burns, Swellings, Old Sores, Muscular Pains, Insect Stings, Bains in the Limbs, Chest, Back, &c. If it does not give relief, the money will be refunded.

Over 100,000 bottles have been sold in the United States, without a single failure, and families have stated that it was worth \$10 per bottle, they never would be without it, in case of Croup, as it is as certain as it is applied. It cures Toothache in three minutes; Headache in half an hour, and Cholera, when first taken, in a few hours. It is perfectly innocuous to take internally, and has the recommendation of many of the most eminent Physicians in the United States. Price, 25 and 50 cents.

Dr. Tobias has also put up a Linctus for Hoarseness, in pint bottles, which is warranted cheaper and better than any other, for the cure of Croup, Whooping Cough, Old Sores, Cuts, Bruises, Scalds, Cracked Heels, &c.—Price, 50 cents.

Dr. Tobias could fill a dozen newspapers with the certificates and letters received, relating to the wonderful cures accomplished by his Linctus, but considers that warranting it sufficient, as any person who does not obtain relief need not pay for it. There has been so much worthless medicine sold to the public, that Dr. Tobias wishes his article to rest on its own merits, and let the value of the money received, then he has the patronage of the public, not otherwise.
