### THE CAR AND ADDRESS OF THE PARTY OF THE PART BY LAST MAILS.

### MASSACHUSETTS ELECTION.

### F Great American Triumph!

Boston, Nov. 13 .- The election for Covernor. State officers, members of the Logisla-ture and Congressional representatives in this state takes place to-day. Up to noon the weather has been very stormy and exceed a try unfavorable for voters. The Gubergenorial candidates are :- For Gövernor -1: W. Bishop, democrat; Emery Wash burn, whig; Gardner, know-nothing; and Wilson, free soil. For Lieutenant Governor —Caleb Stetsen, democrat, and Wm. C. Plun-

Boston, Nov. 13.—Returns from nearly all the chief towns, as far as received, are of one complexion-immense Know-Nothing majorities. Boston elects to the Legislature forty-four Know-Nothing Representatives and six Senators, being the full ticket. Lowell elects ten Know-Nothing Revresentatives.—Lawrence gives Gardner, for Governor, 1,135 majority, and all the other caudidates of the same party 312 majority. Daurell, Banks, Comings and Burlingame, all Know-Nothings, are undoubtedly elected to Congress. .

The general opinion is that the party have swept the State, and that Gardner is elected Governor.

Boston, Nov. 13, 10 o'clock.—It is universally conceded here that the Know Nothings have swept the State, In the Ninth District, Dewitt; in Second, Buffington; and in the Sixth, Davis, all Know Nothings, are elected to Congress.

An immense procession of Know-Nothings is parading the streets, although it is raining in torrents. Rockets are being set off from the Bee and Traveller offices, and the city is wild with enthusiasm. Gardner, the Know-Nothing candidate for Governor, has 9,000 majority in the towns thus far heard from, and is undoubtedly elected by the people.

### NEW YORK ELECTION.

ALBANY, Nov. 13 .- Clark, the whig candidate for Governor, is probably elected. The Argus foots up the returns for to-morrow's issue as follows:--

Clark, (whig,) -128.752Seymour, (dem.,)

These returns do not include Clark's estimated majorities in Fulton, Hamilton: Schenectady and Tompkins counties, which added to the above, give Clark a total majority of

Evergreen Cemetry, at Gettysburg, Pa., was opened last Tuesday, with approprinte ceremonies.

Fision seems to have had as much to do with the late elections as confusion, which has been so much talked about. We do not know anything about polities, but we do know a good deal about citing, and we can inform our readers that Rockhill & Wilson have the linest, cheapest and most fashionable assertion of gentlamen's garments to be mand anywhere.

ADVERTISE! ADVERTISE!!-The Merchant, Manufacturer, Master Mechanic, Professional Man, indeed, every class of the community has or ought to have more or less to do with the advertising columns of newspapers. Now is the time for the trader particularly, to show his colops. Everybody is on the look-cut for winter goods. Therefore, take advantage of the engine ready to spead you on to fortune, and advertise.

the greatest ordination of the blocd is justly esteemed the greatest ordination of Divine Providence; by that beating engine, the heart, it is driven to all parts of the system, giving vigor and strength to the complicated machinery of man. This living flood, whether we sleep or wake sallies briskly through the arteries and geturns softly through the voins. How necessary that it should be kept free from all impurity, and yet how negligent many are respecting this great essential to the enjoyment of perfect health. Derangement in the Liver and Nerves is generally the primary cause; and Junaice, Indigestion, and all the harassing feelings attending Dyspepsia, which makes life a burthen result from it.—Suicido would rapidly follow suicide, if there was no cure. No one would suffer long, if he is able to obtain a battle of Hoofland's celebrated German Bitters, prepared by Ir. C. M. Jackson, Philadelphia, they rarely fall in affecting a permanent cure.

Dyspersia.—It has been the study of Physicians, to discover some remedy for this most distressing c amplaint. Whother they have been successful, remains for the suffers to say. There are, in this country, hundreds of thousands who are suffering from indigestion, pribably, in most cases, caused by their own imprudence in living. To these we would say try Myers' Extract of Rock Rose. It has cured, and will cure, the worst and most obstinate cases of Dyspersia, and all its concomitants—Costiveness, Sick-headache, Heartburn, Platuloncy, Acidity, &c. See the following certificates:

Rov. Apil. L. Myers—Dear Sir—In the winter of 1847-8, I suffered beyond description with Dyspersia, and a train of other avils dependent on it. Thad applied to various Doctors, and a number of nostrums had been recommended to no purpose. I procured and used two bettles of your Extract of Rock Rose, and found almost immediate relief, so much so, that I have used no othe medicine since, and in fact, I can find no other, which in my deliberate opinion, can bear comparison to yours.

And in all cases, when I have the opportunity, I.recommend-your Extract, as standing first over all others. Let all who are thus afflicted try it, and find what I have found.
