THE GREEK SLAVE! BACCHANTE, VENUS, FLORA, HEBE, and the DANCING GIRL. The above celebrated Statues, together with 16 STATUES IN BRONZE, and several hundred Magnificent OIL PAINTINGS form the collection of prizes to be distributed among the members of the Cosmopolitan Art Association at the first annual distribution, in January next.

THE COSMOPOLITAN ART AND LITERARY ASSOCIATION, organized for the encouragement and general diffusion of Literature and the Fine Arts on a new and original plan.

This popular Art Association is designed to encourage and popularize the Fine Arts, and disseminate wholesome literature throughout the country. A Gallery of Art is permanently founded, and will contain a valuable collection of Paintings and Statuary for the annual distribution of each year. The best Literature of the day will be issued to subscribers, consisting of the popular Monthly Magazines, reviews, &c.

The Committee of Management will have the pleasure of announcing that the First Annual Distribution will take place in January next, on which occasion there will be distributed or allotted to members, several hundred works of Art, among which is the original and world renowned statue of the GREEK SLAVE, by Hiram Powers, costing over five thousand dollars, together with the celebrated Statues of Venus, Bacchante, Hebe, Flora, and the Dancing Girl, and 16 Statues in Bronze, imported from Paris; also, a large collection of Oil Paintings, comprising some of the best productions of celebrated American and Foreign Artists.

The Literature issued to subscribers consists of the following Monthly Magazines: Harper's Putnam's Knickerbocker, Blackwood's, Graham's, Magazine of Art, and Godey's Lady's Book, and the Quarterly Reviews reprinted in New York, Edinburgh, Westminster, London Quarterly and North British.

PLAN FOR THE CURRENT YEAR. The payment of three dollars constitutes any one member of this Association, and entitles him to either one of the above Magazines for one year, and also to a ticket in distribution of the Statuary and Paintings, which are to be held in January next.

Persons taking five memberships, are entitled to any five of the Magazines one year, and to six tickets in the distribution.

Persons on becoming members can have their Magazine commence with any month they choose, and rely on its being mailed to them promptly on the first of every month, direct from the New York and Philadelphia Publishers.

LITTELL'S LIVING AGE, Weekly, is published one year and two memberships for \$8.

The net proceeds derived from the sale of memberships are devoted to the purchase of Works of Art for the ensuing year.

Books open to receive names at the Eastern Office, New York, or Western Office, Sandusky.

The Gallery of Art is located at Sandusky, (the Western office) and is open to the public. The Buildings have been erected for it, and in which the splendid collection of Statuary and Paintings are exhibited.

THE ADVANTAGES SECURED by becoming a member of this Association are— 1st. All persons receive the full value of their subscription at the start, in the shape of sterling Magazine Literature.

2d. Each member is contributing toward purchasing choice Works of Art, which are distributed among themselves, and are at the same time encouraging the Artists of the country, disbursing thousands of dollars through its agency.

The increasing interest felt in the advancement of the Fine Arts warrants the belief that this Association will, with the powerful aid of Literature, become at once universally popular as it not only cultivates and encourages the Fine Arts, but also disseminates the same throughout the land, thereby adapting itself to the present wants and tastes of the American people, enabling both rich and poor to make their homes pleasant and attractive by the aid of Statuary and Paintings, the best reading matter which the wide range of American and Foreign Literature affords.

Persons remitting funds for membership should mark letters, "Decorative Art," and state the month with which they wish their Magazine to commence, and also their Post Office address in full on the receipt of which, a certificate of membership, together with the Magazine desired, will be forwarded to any part of the country.

Those who purchase Magazines at Bookstores, should observe that by joining this association, they receive the Magazine and Free Ticket in the annual distribution, all at the same price they now pay for the Magazine alone.

Matches having become an indispensable article in housekeeping, the subscriber after a great sacrifice of time and money, is enabled to offer to the public an article at once combining Utility and Cheapness. These Matches are packed so that one gross or more may be shipped in any part of the World with perfect safety. They are the most desirable article for Home consumption, and the Southern and western markets that have ever been invented.
