DR. J. B. MARCHESI'S CELEBRATED CATHOLICON, FOR THE RELIEF & CURE OF SUFFERING FEMALES. It stands pre-eminent for its curative powers in all the diseases for which it is recommended, and is especially adapted to the relief of FEMALES. Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Alba, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Suppression, & Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing. This medicine has never been introduced by empty puffs, and misrepresentations, nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public.

NOTICE TO THE UNFORTUNATE FEMALE. I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchesi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with fluor albus. The pains, irritation, restlessness, and general debility in this miserable condition, Dr. F. P. Newland recommended Dr. Marchesi's Uterine Catholicon. After taking four bottles I find myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, alike unfortunate, may find relief from this salutary medicine. ELIZABETH A. NEWLAND, No. 10 West-st., Utica, N. Y.

I have no hesitation in saying, Dr. Marchesi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Alba, Amenorrhoea, Prolapsus Uteri, and cases of extensive ulceration of the vagina, and so on. It is worthy of the notice of the Faculty. JOHN C. ORRICK, M. D., Baltimore, Md.

Let all interested call and obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations. STARTLING, BUT TRUE!

WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

THE BLOOMING BRIDE. But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often HEREDITARY COMPLAINTS UPON THE CHILDREN.

"UNTO THE THIRD AND FOURTH GENERATION," Transmitted CONSUMPTION, SCROFULA, HYPOCHONDRIA, INSANITY, GOUT, KING'S EVIL, and other worse Diseases, as a DREADFUL INHERITANCE FROM THE PARENTS.

"And must this continue? Must this be? Is there no remedy? No relief? No hope?" The remedy is, by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out in THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU, PROFESSOR OF DISEASES OF WOMEN. One Hundredth Edition, (500,000), 18mo., pp. 250. [ON FINE PAPER, EXTRA BINDING, \$1.00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time FIVE HUNDRED THOUSAND COPIES have been sold, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MAIL, attesting the high estimation in which it is held as a reliable popular medical book.

BOOK FOR EVERY FEMALE. The author having devoted his exclusive attention to the treatment of the female system, he is enabled to recommend which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceits, it has been found necessary, therefore, to buy no book unless it is on "Dr. A.
