STARTLING, BUT TRUE! WHAT EVERY WOMAN SHOULD KNOW

How often it happens, that the wife lingers from 'ear to year in that pitiable condition as not oven or one day to feel the happy and exhibitrating influence incident to the enjoyment of health

THE BLOOMING BRIDE, But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, affering and misery not only to the wife, but often suffering and misery, not only to the wife, but often

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN. One Hundredth Edition, (500,000), 18mo., pp. 250. [ON FINE PAPER, EXTRA BINDING, \$1.00.] A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal pooksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES ve been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL attesting the high estimation in which it is held as a re-lable popular Medical

BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her aw symptoms with those described, the nature, character, tauses of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of nstruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregular

ities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb); or from fluor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confine nent Many have difficult if not dangerous deliveries, und alow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly in tended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and hap piness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as ordenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other levices and deceptions, it has been found necessary, therefore, to

CAUTION THE PUBLIC to buy no book unless the words "Dr. A. M. MAURICEAU, 129 laberty Street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

CONNEAUT, Feb. 3, 1853. Mr. Z. LAKE.—Sir: Please send me another bottle of Fit Medicine, as I do not like to be without it on hand. Fit Medicine, as I do not like to be without it on hand. When I commenced giving the medicine to my son Edgar, he had from one to three fits per day. He has now taken the taedicine over five months, and has had, I think, but two fits in that time, and those very light.—
His body and mind are very much improved; and by the blessing of God, I feel that the medicine will restore his body and mind to their wonted activity. He is 28 years old, and, has had fits over. 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars have been expended for medicine to "cure prise," but nothing has relieved him until he used your medicine. Respectfully yours,

Ashtabula County Infirmary.

Mr. Z. Lake—Sir: Pleaso send a few more bottles of your "Fit Medicine;" I may not need it, but think safer to keep it on hand. Your medicine hasdone wonders. I gave it to Miss Jane Delano; she has had fits for 20 years, brought on by having the measels when but four years old, which could not be brought out to thosurface. After taking the medicine a few days, she had a fix for 20 years. The measure of the medicine is since. She had fits or symptoms almost daily. She and her father concur with me in saying that we believe the medicine has or will work a perfect cure. I also gave the medicine to Miss Jane Henderson and Aris Carby, who have had fits almost daily, for a number of years. Their fits have ceased, and I believe the medicine will have the desired effect. Much money has been expended by the friends of the above patients for dectoring, all to no purpose.—The cure was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery.—Respectfully yours.

THE GREATEST DISCOVERY OF.

THE AGE—Farmers, Families and others, can pur chase no remedy equal to Dr. TOBIAS' Venetian Lini ment, for Dysentery, Colic, Croup, Chronic Rheumatism Quinsey, Sore Throat, Toothache, Sea Sickness, Cuts Burns, Swellings, Old Sores, Musquito Bites, Insect Stings, Fains in the Limbs, Chest, Lack, &c. If it does not give relief, the money will be refunded—all that is asked, is a trial, and use it according to directions. The article is an English remedy, and was used by Wm. IV. King of England, and certified to by him, as a cure for Rhoumatism, when everything else recommended by his physicians had failed.

Over 10,000,000 of bottles have been sold in the United States, without a single failure, and families have stated that it was worth \$10 per bottle, they never would be without it, in case of Croup, as it is as certain as it is applied. It cures Toothache in three minutes; Headache in half an hour, and Cholera, when first taken, in a few hours. It is perfectly innocent to take internally, and has the recommendation of many of the most eminent Physicians in the United States. Price, 25 and 50 cents.

Dr. Toblas has also put up a Liniment for Horses, in THE GREATEST DISCOVERY OF

most eminent Physicians in the United States. Price, 25 and 50 cents.

Dr. Tobias has also put up a Liniment for Horses, in pint bottles, which is warranted—cheaper and better than any other, for the cure of Colle, Galls, Swellings, old Sores, Cuts, Bruises, Scratches, Cracked Heel, &c.—Price, 50 cents.

Dr. Tobias could fill a dozon newspapers with the certificates and letters received, relating to the wonderful cures accomplished by his Liniment, but considers that warranting it is sufficient, as any person who does not obtain relief, need not pay for it. There has been so much worthless medicine sold to the public, that Pr. Tobias wishes his article to rest on its own merits, and if he gives the value of the money received, then he asks the patronage of the public, not otherwise.
