Mr. Z. Lake—Sir: Please send a few more bottles of your "Fit Medicine." I may not need it, but think safer to keep it on hand. Your medicine has done wonders. I gave it to Miss Jane Delano; she has had fits for 20 years, brought on by having the measels when but four years old, which could not be brought out to the surface. After taking the medicine a few days, she has had a first or symptoms almost daily. She and her father concur with me in saying, that we believe the medicine to will work a perfect cure. I also gave the medicine to Miss Jane Henderson and Aris Carby, who have had fit almost daily, for a number of years. Their fits have Miss Jano Henderson and Aris Carby, who have had fits almost disily, for a number of years. Their fits have ceased, and I believe the medicine will have the deslect effect. Much money has been expended by the friends of the above patients for dectoring, all to no purpose.—
The cure was left for your medicine to perform, and I can cheerfully recommend it as a valuable discovery,—ttespectfully yours,
