## STARTLING, BUT TRUE!

### WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even or one day to feel the happy and exhibitating influence incident to the enjoyment of health.

THE BLOOMING BRIDE.

But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently in explicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often the problem and counter the problem and plaines. HEREDITARY COMPLAINTS UPON THE CHILDREN

"UNTO THE THIRD AND POURTH GENERATION." Transmitting CONSUMPTION, SCROFULA, HYPOCHONDRIA, INSANITY, GOUT, KING'S EVIL, and other and worse Diseases, as a

DREADFUL INHERITANCE FROM THE PARENTS.

"And must this continue? Must this be? Is there no remedy? No relief? No hope?"

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them These are pointed out in

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU,

PROFESSOR OF DIREARES OF WOMEN. One Hundredth Edition, (500,000), 18mo., pp. 250. [ON FINE PAPER, EXTRA BINDING, \$1.00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal cooksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES have been sold, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MAIL.

attesting the high estimation in which it is held as a re-liable popular Medical BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter. Here every woman can discover, by comparing her awn symptoms with those described, the nature, character.

causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such in struction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregular Ities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb), or from, fluor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confinement Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of preyention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly in tended for the married or those contemplating marriage Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfore with their health and hap piness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by initations of title page, spurious editions, and surreptitious infringements of copyright, and other levices and deceptions, it has been found necessary, therefore, to

CAUTION THE PUBLIC to buy no book unless the words "Pr. A. M. MAUJUCKAO, 120 Liberty Street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

AT Upon receipt of One Dollar "THE MAR-MED WOMAN'S PRIVATE MEDICAL COM-PANION" is sent (mailed free) to any part of the United States, the Canadas and British Provinces. All letters must be post-paid, and addressed to Dr. A. M. MAURICEAU, box 1224, New-York Citz-Publishing Office, No. 129 Liberty Street, New-York York.
