TOOTH WASH .- Beautiful Whit Teeth Healthy Gums and a Sweet Breath—All wh are desirous of obtaining these benefits should use ZERMAN'S CELEBRATED TOOTH WASH. This delictous article combines so many meritorious qualities that it has now become a standard favorite with the ciliques on New York. Philadelphia and Baltimore. Dentists prescribe it in their practice most successfully, and from every source the most flattering laudations are awarded it.

Inflamed and bleeding gums are immediately benefit ted by its use; its action upon them is mild, soething and effective. It cleanses the teeth so theroughly, that they are made to rival pearl in whiteness, and diffuses through the mouth such a delightful freshness that the breath is rendered exquisitely sweet. It disintects these impurities which tend to produce decay, and, as a consequence, when these are removed the tecth must always remain sound. Read the following from Dr. J. A.

Mr. F. Zerman—Sir: Having used and recommended your Tooth Wash in my practice for some time, I find it the most effectual Dentrifice in use, and therefore recommend it to the public.

Dr. J. A. Carman, Dentist,

Hartisburg, Pa.

Read the following testimony:

Mn. Zerman—Dear Sir: I have fully tested the merits of your valuable Tooth Wash, and can, without hesitation, recommend it as the best that has come under my notice during an experience as Dentist of more than sixteen years. It cleanses the Teeth, soothes and hardens irritated Gums, and imparts a delicious fragrance to the Breath. From the mouths of those who make use of it, however, it will certainly speak for itself.

Mr. Z. Lake—Sir: Please send me another bottle of Fit Medicine, as I do not like to be without it on hand. When I commonced giving the medicine to my son Edgar, he had from one to three fits per day. He has now taken the medicine over five months, and has had, I think, but two fits in that time, and those very light.—His body and mind are very much improved; and by the blessing of fod. I feel that the medicine will restore his body and mind to their wonted activity. He is 28 years old, and has had fits over 12 years, which have been very frequent, and very destructive to his constitution and mind. Hundreds of dollars' have been expended for medicine to "cure virs," but nothing has relieved him until he used your medicine. Respectfully yours,

Mr. Z. Lake—Sir: Please send a few more bottles of your "Fit Medicine;" I may not need it, but think safer to keep it on hand. Your medicine has done wonders, I gave it to Miss Jane Delano; she has had fits for 26 years, brought on by having the measels when but four years old, which could not be brought out to the surface After taking the medicine a few days, she had a rise for symptoms almost daily. She and her father concur with me in saying that we believe the medicine has or will work a perfect cure. I also gave the medicine has or will work a perfect cure. I also gave the medicine has of the above patients for dectoring, all to no purpose.

The cure was loft for your medicine to perform, and I can cheerfully yours.

I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchis's Uterire Catholicon has proved to me. For two years my health was miscrable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with fluor albus. The pains, irritation, prostration, &c., rendered life a burden. In this miscrable condition, Dr. F. P. Newland recummended Dr. Marchisi's Uterire Catholicon. After taking four bottles I find myself in perfect health. Over 10,000,000 of bottles have been sold in the United States, without a single failure, and families have stated that it was worth \$10 per bottle, they never would be without it, in case of Croup, as it is as certain as it is applied.
