HELMBOLD'S GENUINE PREPARATIONS.—HELMBOLD'S HIGHLY CONCENTRATED

COMPOUND FLUID EXTRACT BUCHU.

For disease of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found acting both as a Cure and preventive.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,

For Purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed, and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

PRICES, Fluid Extract of Buchu, $1 per bottle, or 6 for $5.
" " " Sarsaparilla, " " " "
equal in strength to one gallon of Syrup of Sarsaparilla

Prepared and sold by H. T. HELMBOLD, Chemist, 594 Chestnut Street, near the Girard House, Philadelphia.

To be had of Druggists and Dealers everywhere.

All letters directed to the Proprietor or Agent receive immediate attention.

MOST IMPORTANT TO THE LADIES.—Dr. Geissner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medical agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient for which reason they must not be used during pregnancy, though alway mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated in various symptoms by which the causes of the suppression may be determined.

Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr. R. G. GEISSNER.

Principal office, 127½ Liberty Street, New-York City.

Responsible agents will be appointed for their sale as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. GEISSNER, 127½ Liberty Street New York City, or to box 2456 N. Y. Post Office and a box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

CAUTION TO LADIES.

As various not only ineffective but injurious compounds purporting to be "FEMALE PILLS" under all kinds of names as "IRON PILLS," "SILVER PILLS," "CHOLERA PILLS," "PERIODICAL PILLS," &c. are attempted to be palmed off upon the credulous or unwary, it is only necessary for ladies to be on their guard against the attempted imposition, and in all cases where there is no authorized agent for the sale of "Dr. GEISSNER'S MENSTRUAL PILLS," to order direct from him by mail, by return of which a box will be sent.

SECOND ANNUAL FAIR OF THE BIG SPRING LITERARY INSTITUTE, for the promotion and encouragement of Agricultural, Horticultural and the Mechanical and Useful Arts, will be opened

IN "LITERARY HALL," NEWVILLE, ON TUESDAY, AUGUST 7th 1855,

To this Exhibition, Farmers, Manufacturers, Mechanics, Artists, Inventors and all others desiring to display the results of their labor, skill, ingenuity and taste, are cordially invited to contribute. The success of their first exhibition warrants the expectation that the second will not be inferior to any ever held in this, or any of the adjoining counties. The Managers, therefore, feel, that in inviting contributions from this and the adjoining counties to their second annual exhibition, they are offering to the producer of excellent articles a valuable opportunity of making known to the country their novelty and utility, the superior style of their workmanship, and their adaptation to the purposes for which they may be intended. Materials, Machinery and Manufactures, which have elicited commendation at similar displays elsewhere, may here find new admirers and a new market. The managers would respectfully solicit the Ladies to contribute specimens of elegant handiwork, which heretofore have formed so attractive and important a feature of these displays.

The Board of Managers will make every effort to display whatever goods may be received to the very best advantage. Competent judges will be selected to examine them, and premiums awarded to articles of superior merit in the several classes.

The Hall will be opened for the reception of goods on Thursday, August 2d; and on Tuesday, August 7th, the Exhibition will be opened to visitors and continue open FIVE DAYS.

No article deposited after Monday evening, August 6th, can be entered upon the judges' list for competition or premium, except such as the managers shall be satisfied were despatched from a distance in time but from unavoidable detention failed to reach the Hall by the day specified.

TO OWNERS OF REAL ESTATE, and business men generally. The Repository and Whig, published at Chambersburg, Pa., is now in its SIXTY-SECOND YEAR, and has, for more than half a century, enjoyed the LARGEST CIRCULATION of any paper in its section of the State. It is printed on a mamoth Sheet, in quarto form, and contains weekly forty-eight columns of original and selected reading matter, and advertisements. It is unequalled by any of its local contemporaries in the extent and variety of its correspondence, both home and foreign, and original contributions. Price, $2 per annum: five copies for $9; ten for $15—in advance.

It is certainly the very best Advertising Medium in Pennsylvania, out of the cities, not only because of its circulation, but also because of the substantial and thrifty character of its patrons. As a medium for offering REAL ESTATE for sale it is especially desirable, as it reaches a large class of Real Estate owners and dealers and business men generally, than any other local paper. Terms moderate. Advertisements may be sent directly to the Publisher, or through any paper in which this advertisement is inserted. Address

Summer Resorts.

PERRY CO'Y. WARM SPRINGS, PENNSYLVANIA.

Will be open for visiters from the 5th day of June.

H. H. ETTER, Proprietor.

This most desirable watering place is situated on the banks of Sherman's Creek, which flows at the base of Pisgah Mountain, some five hundred feet above the level of the creek, in front of the dwellings. This stream affords pleasure to the guests, as there are boats upon it to pass up and down, also a beautiful Island in it, well shaded with large forest trees; the walks up and down the creek are delightful, while there is pleasure for those who desire to fish in the streams. The springs are numerous, and cannot be surpassed for bathing, there are bath houses separate for ladies and gentlemen, also large plunge pools for each, with an abundance of pure spring water.

There is an extensive view of rich and rare scenery of mountains and valleys, being the most picturesque in the state. Among the attractions of the Warm Springs there are numerous shady and romantic summer roads, making it very pleasant for drives. Horses and vehicles will be kept this season to hire.

Having taken pains in making a selection of first rate servants, I feel confident, they will give general satisfaction to the guests. There shall be no pains spared in supplying my table with the luxuries of the markets.

All persons leaving Philadelphia or Baltimore, in the morning train to Duncannon, on the Central Railroad, fourteen miles north-west of Harrisburg, then taking a coach which is always in readiness, will arrive at the springs about 1 o'clock, the fare being but $1.00 through to the Springs.

All communications intended for the springs should be addressed Duncannon Post Office, for the springs and they will arrive daily after the fifth of June. Persons wishing to engage rooms, &c. will please address Landisburg Post Office, prior to the 5th of June. Persons in the city wishing information can have it by calling on the references hereunto attached. A Band of Music has been engaged.
