If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourseli in the hands of Quarks, who start up every day in a city like this, and fill the papers with giaring false-hoods, too well calculated to deceive the young, and those not acquiling of a remedy in these cases. The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known.— It is a medicine perfectly pleasant in its lastic, and very innecent in its action, and yet so thorough that it anni-hilates every particle of the rank and polsonous rins of this dreadful disease; and, unlike other remedies, does not terrible disease, which has brought thousands of the bunan trace to untimely graves, thus basing the brilliant hopes of parents, and blighting in the bud the glorious annithed Remedy. OST IMPORTANT TO THE LADIES.—Dr. Geissner's celobrated MENSTELL Fills have been long and widely known as invariably cottain in removing any stoppage, irregularity, or sup-pression of the menses.⁴ In the Fennile Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remo-dies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astanishing efficacy would be almost incredible, if not voucled for by indubitable testimony, in numerous instances pro-ducing returns of the monthly poriod after all hope had been alandomed. In every case, from whatever cause the olstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient; for which reason they must not be used uring pregnancy, though alway mild, healthy, safe and certain in their effects.  NOTICE TO THE UNFORTUNATE FEMALE.
 I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchis's Uterine Ca-tholicon has proved to me. For two years my health was miscrable: I was almost unable to walk. Thysi-clans pronounced my case falling of the womb, exten-sive ulcerations, commencing with fluor albus. The pains, irritation, prostration, éc., rendered life a barden. In this miscrable condition. Dr. F. P. Stewland recom-mended Dr. Marchis's Uterine Catholicon. After tak-ing four bottles I find myself in perfect health. Grati-tude for my restoration makes me ardently desire that all my sex, alike unfortunate, may find sure relief from this inestimable medicine. ELIZABETH A. NEWLAND, J. No. 19 West-st., Utica, N. Y.
 The above statement I know to be true. F. P. NEWLAND, M. O. Utra, N. Y.
 I have no hesitation in saying. Dr. Marchis's Uterino Catholicon is invaluable in uterine diseases generally I have used it in Fluor Albus, Amenorrhoza, Prolapsus Uteri, and in cases of extensive ulceration of the vagina nd os uteri. It is worthy of the notice of the Faculty. JOHN C. ORRICK, M. D., Baltimore, Md.
