ORPHAN'S COURT SALE.

On WEDNESDAY, the 19th of September, 1855.

In pursuance of an order of the Orphan's Court of Cumberland county, I will expose at public sale on the premises, at 11 o'clock, A. M., in North Middleton twp. about one mile north of the Conedoguinnet Creek at Wiese's Bridge, and adjourning George Gursball, Philip Zeigler, George Rahl and others, A FARM of Slate land in good order, containing

TWO HUNDRED AND FOURTY ACRES

more or less, all of which is cleared and fenced except about twenty acres which is in wood. There are erected upon the premises two good LOG HOUSES and BARN, Hay-House, Stone Granary, and also a good SAW-MILL upon a stream of water which runs through the premises. There is great part of the land which is excellent meadow and produces well, and it is a good market farm being about 4 miles from Carlisle.

This farm will be sold in parts or altogether as will best suit purchasers and bring the best price, the same having been divided into three parts of 81 acres 7 perches; 131 acres 106 perches and 53 acres 60 perches, a plot of which will be exhibited on the day of sale.

I will sell at the same time and place, 52 acres 60 perches of MOUNTAIN LAND situate about one mile from the farm; the land has been divided into two and will be sold separately. It has elegant chestnut timber upon it and is very valuable for rail timber.

TERMS: Five per cent of the purchase money to be paid on the sale is confirmed; one third is to remain on the interest of which is to be paid to the widow annually and the principal at her death to the heirs—the third on the 1st of April 1856, and the balance in two equal payments without interest, to be secured on the land. The landlords share of the grain in the ground to go to the purchaser.

AFFLICTED AND UNFORTUNATE,

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying beasts, false promises, and stuff as recommendations from the dead and unknown) of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the clemency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., with no effect—having been deceived by misrepresented and exaggerated accounts of Self-Abuse, Secret Diseases and Their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to force on sufferings, and alarm and frighten the unthinking, the more easily to extort large fees, which is more evident, being sold for less than cost of printing and advertising—having paid five to one hundred dollars to Foreign and Native Quacks,

WITHOUT BEING CURED,

having suffered much and long—though the time lost cannot be recalled, nor the money recovered you paid an Empiric swindled of, yet you can be cured however bad, long standing or afflicting your case, by Dr. LEIDY.

YOUNG MEN OR OTHERS,

Single, married, or contemplating marriage, suffering from Self-Abuse or its consequences, or suffering from any other causes, defects, or diseases, and LADIES, whatever their diseases or situations, may honorably rely, and confide in Dr. Leidy's skill and success. DR. N. B. LEIDY,

No. 114 North FOURTH Street, above Race,

Is the only regular Physician residing in Philadelphia, Graduate of the University of Pennsylvania, of 1833, (twenty-two years) exclusively engaged in the treatment of Secret or Delicate Diseases of both sexes: Self-Abuse and its consequences; Organic Weakness and Inability; Nervousness; Irregularities and other diseases or situations of Females; and which he will cure in less time and less restraint, more effectually, than any other, under forfeit of

ONE THOUSAND DOLLARS.

Dr. LEIDY has more patients, and cures them too, than all advertising Doctors, so called or otherwise, in Philadelphia combined, and proudly refers to Professors and respectable Physicians, many of whom consult him in critical cases, and respectable Citizens, Merchants and Hotel Proprietors, as to his known skill, reputation and unparalleled success.

DISTANT PATIENTS

and business men generally. The Repository and Whig, published at Chambersburg, Pa., is now in its SIXTY-SECOND YEAR, and has, for more than half a century, enjoyed the LARGEST CIRCULATION of any paper in its section of the State. It is printed on a mamoth Sheet, in quarto form, and contains weekly forty-eight columns of original and selected reading matter, and advertisements. It is unequalled by any of its local contemporaries in the extent and variety of its correspondence, both home and foreign, and original contributions. Price, $2 per annum: five copies for $9; ten for $15—in advance.

It is certainly the very best Advertising Medium in Pennsylvania, out of the cities, not only because of its circulation, but also because of the substantial and thrifty character of its patrons. As a medium for offering REAL ESTATE for sale it is especially desirable, as it reaches a large class of Real Estate owners and dealers and business men generally, than any other local paper. Terms moderate. Advertisements may be sent directly to the Publisher, or through any paper in which this advertisement is inserted. Address

COAL! COAL! COAL!!

The subscriber would respectfully inform his friends and the public, that he is now receiving 1000 tons of that very superior RED ASH COAL, from the Lake Fidler, mines of Boyd, Rosser & Co., the only Red Ash coal brought from the Shamokin Basin, introduced and known in Carlisle as the Helfenstine Coal. It is entirely free from slate and all other impurities, and is perfectly adopted to all mechanical and domestic purposes. Its easiness to ignite, renders it particularly desirable for small stores, while its intensity of heat and great durability in burning makes it equally so for large ones. He would also call the attention of farmers and others to a superior article of CHESNUT COAL, from the same mines for steam and lime purposes.
