

Little Folks.

Adventure of a Lost Child.

On Saturday, the 7th inst., a child of Henry Nicholson, residing about two miles north of Rockaway, went into the woods with an older brother to hunt the coars.

On Monday, probably over one hundred persons were searching the woods in all directions, and on Tuesday and Wednesday it is said that two hundred were searching but without discovering him.

On Thursday morning, a young man from Denmark Forge concluded he would search, and accordingly went from his house to Bench Glen, directly across the mountain, which overlooks, the Glen.

He had lived on berries, and told his discoverer that he was "looking for the red cow and had not found her yet."
