SCHIEDAM AROMATIC SHNAPS. LO THE CITIZENS OF PENNSYLVANIA .-I beg leave to call the attention or the citizens of Pennsylvania to the above article, manufactured by

my self exclusively, at my factory in Schiedam, Holland, expressly for medical purposes. It is made from the best Barley that can be selected in Europe and the essence of aromatic Italian berry, og acknowledged and extraordinary medicinal perpy, quantit has long since acquired a higher reputation both in Europe and America, than any other dictoric beverage,

rage, and Ruermarism; in obstructions o the Bladder and Kidneys, and debility of the urmary functions, its effects are prompt, decided and invarily reliable. And it is not only a remedy for these manders, but, in all cases in which they are produced by drinking bad water, which is almost universally, tha

dies, but, in all cases in which they are produced ly drinking bad water, which is almost universally, tha cause of them, it operates as a sure proventive.

The distressing effect upon the Stomach, Bowels, and Bladder, of travelers, new residents, and all persons unaccustomed to them, produced by the waters of nearly all of our great Inland rivers, like the Ohio, Mississippl and Alabama, from the large quantity of decayed vegatable matter contained in them, in a state of solution, is well known; as is also that of the waters of limestone regions, in producing Gravel, Cylevell, and stone in the Bladder, in producing Gravel, Cylevell, and stone in the Bladder, and consequently prevents the disease which they occasion. It is also found to be a cure and preventive of Fever and Ague, a complaint caused by the conjoint effects of vegatable malarla in the atmosphere, and vegatable putrescences in the water of those districts in which it principally prevalls. The Aromatic Schiedam Schnapps is consequently in great demand by persons traveling, or about to settle in those parts of the country especially; as well as by many in every community where it has become khown, on account of its various other remedial properties.

More than three thousand, physicians, among whem are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own signatures, to the valuable medicinal properties of such an article, as the severest tests have proved the Schiedam Aromatic Schnapps to be and have accepted it as a most desirable addition to the Materia Midder, Put up in quart or pint bottles, enveloped in yellew paper with my name on the bottle, cork and seal. LABORATORY.N. Y. May 2. 1823,

"Mr. Ubeleh Wolfe—Dear Sis: 1 cannot speak too
highly of the purity of your Schiedem Schaepps. It is
de ideally superior to anything of the kind in the market. It is perfectly free atm the admixture of usil oil,
or of any of those arnylle compounds which produce
such a mischievous and irreparable effect upon the constitution, and which very few alcoholic distilled liquous
are without—most of them being largely impregnated
with it. I have personly inspected the various processof distilation practiced at Schiedam, and know that urusual care is taken to separate the noxious elements
from the pure alcohol, and your Schnaps is a striking
proof of its success. As a medicinal agent for chronic
and renal affections, I have successfully prescribed it,
and reconend it as an agreable cordial and harmless
stimulant, and shall continue to do so; as well as to
use it as a source of pure alcohol for chemical investigations and experiments.
