[Loty from Hon. J. Minor Botts, of Virginia.] RICHMOND, July 9th, 1855 .- Mosses. WM. S. Beirs & Co., GRAYS.—Considerations of duty to the afflicted alone

Co., GRNTS.—Considerations of duty to the afflicted alone prompt me to send you this voluntary testimonial to the great value of "Carter's Spanish Minture," for tha almost incurable disease, Schoptla.

Without being disposed or deeming it necessary to go into the particulars of the case, I can say that the astonishing results that have been produced by the use of that medicine on a member of my own family, and under my own observation and superintendence, after the skill of the best physicians had been exhausted and all the usual somedies had failed, fully justify me in recommending its use to all who may be suffering from that dreadful malady.

commending its use to all who may be successful to all constitutions, or that it will afford the same relief in all casess; for, of course, I can know nothing about that—but from what I have seen of the effects, I would not hesitate to use it, in any and every case of Serefula, persons for whom I fet an interest, or over whom I could exercise influence or control.

Respectfully yours,
July 25, '55.

Respectfully M. BOTTS.

Hoofland's German Bitters, prepared and sold by Dr. Jackson, at the German Medical Store, 120 Arch street, Philadelphia, daily increase in their well deserved celebrity, for the cure of all diseases arising from derangement of the liver. These Bitters have, indeed, proved a blessing to the afflicted, who show their gratitude by the most flattering testimonials. This medicine has established for itself a name that competitors, however willy their schemes, or seductive their promises, cinnot reach. It gained the public confidence by the immense benefits that have been derived from it, and will ever maintain its position. See advertisement.

CHIEDAM AROMATIC SHNAPS.

JO THE CITIZENS OF PENNSYLVANIA.

I beg leave to call the attention of the citizens of Pennsylvania to the above article, manufactured by my self exclusively, at my factory in Schiedam, Holland, expressly for medical purposes.

It is made from the best Barloy that can be selected in Europe and the essence of aromatic Italian borry, of acknowledged and extraordinary medicinal preperties; and it has long sinca acquired a bigher reputation both in Europe and America, than any other dietetic beverages,

I bog leave to call the attention of the public to the ollowing letters from physicians:

LAMORATORY, N. Y. May 2, 1823,

"Mr. Under Wolffe—Dear Sis: I cannot speak too highly of the purity of your Schiedam Schnapps. It is decadedly superior to anything of the lind in the market, it is perfectly free from the admixture of tasil oil, or of any or those arrayile compounds which produce such a mischieveus and irreparable effect upon the constitution, and which very few alcoholic distilled liquors are without-smost of them being largely impregnated with it. I have personly inspected the various process of distribution practiced at Schiedum, and know that unusual care is taken to separate the nochus elements from the pure alcohol, and your Schnaps is a striking proof of its success. As a medicinal agent for chronic and remain affections, I have successfully proscribed it, and recomend it as an agreable cordial and harmless stimulant, and shall continue to do so: as well as to use it as a source of pure alcohol for chemical investigations and experiments.

Consulting Analytical Chemist.

Dr. Charles A. Leas, Commissioner of Health, Balthmore, writes as follows in relation to the value of Schnapps as a remedy in chronic catarrhal complaints, &c. The letter is dated July 27, 1853:
"I take geat pleasure in bearing highly creditable testimony to its efficacy as a remedial agent in the disease for which you recomend it. Having a natural tendency to the nuncous surfaces, with a slight degree of stimulation, I rogard it as one of the most important remedies in chronic catarrhal affections, particularly those of the gonito urinary apparatus. With much respect your obedient servant,

CHARLES A. LEAS, M. D.

"Mr. Udolpho Wolfo, No 22 Beaver at N. Y.—Dear sir:
Last season the writer received, through your agent in
this city, a bottle of your Aromatic Sebledam Schnapps,
and since that period has prescribed the same in certain
forms of urbary complaints; also in cases of debility in
aged persons. So far, the Schnapps has been of much
benefit to those using it * * * In conclusion, where a
diurgite and stimulant is required, I should use the Aromatic Schiedam Schnapps. Thanking you for your
kindness, I am respectfully yours,
A. D. CHALONER, M. D., 180 S. Eighth st.
