Prof. C. De Grath & Co., Philadelphia—Gents: We obtained from our P. M., some "Electric Oil" made by Prof. C. De Grath, of Philadelphia. Its effects on me and my family have been such, that I am constrained to write you. It cured the worst Hendache and Neuralgia in twenty minutes: Inflammatory Rheumatism in six hours. Every family ought to have it. Samuel G. Stockton, of this piace, had a trial of it on condition that if it cured him he was to pay for it, if not, he was not to pay. The next day he called at the P. O. and paid up; said he knew nothing in the world like "De Grach's Electric Oil." We use a for everything. I would not hesitate to warrant it all the time. The people will hang on to it.

Nothing can surpass the enthusiasm and tonacity of these who use this Oil. Mrs. E. Jones, 462 North Second street, says it relieved her of an injury received by a fall from a wazon, and her son is using it for Rheumatism. More than 5000 have now recommended it. It will often cure in a few minutes, pains of the severest kind, and is the only medicine in the world that will begin to do this. It cures the worst Burn in one day. Beware of all pretended Electric Oil, unless coning direct from the Central Office. 29 South Eighth street.—The name of "De Grath & Co.," must be written with a pen, to counterfeit which is forgery! This Oil is not peddled, all offered, therefore, is known to be limitation and worthless.
