

Little Folks.

The Good Dog and Bad Boy.

My neighbor keeps a noble Newfoundland dog in his store to guard it in the night. Not long since I was passing his store about mid-day, when he came out with Towser at his heels and a pail in his hand. He told Towser to take the pail, and carry it to the house, a few rods across the way. The dog did not whine over the command, nor curl his tail and refuse to go. Not he. He obeyed at once, took the pail in his mouth, and away he went to the house. I watched him to see how well he fulfilled his master's orders. The door was closed, so he sat down on the piazza and waited a welcome. Five minutes passed, and no one opened the door; yet the dog was patient and faithful. Five minutes more passed, and just as I was about to leave, he was seen from the window and admitted with his charge. Faithful dog, thought I, never to refuse obedience or wait for the second bidding.

Then I thought of little Willie S. who said to his mother in my presence, "No, I can't do it; let Ned go, he is not doing anything."

"Willie," exclaimed his mother in a commanding tone, "go and bring that wood immediately; don't let me have to tell you again."

The little fellow was mending his cart, but he dropped his hammer, now that he saw there was no escape, and started. "I have always the wood to bring," he muttered as he left the room. He obeyed very reluctantly. He went putting and murmuring after the wood, and when he returned he threw it into the box with a violence that threatened to break it to pieces. His mother looked ashamed and heartsick. I pitied her from the depths of my soul. Think of it. Her son was less obedient than the dog; for the dog went cheerfully, wagging his bushy tail, and lifting his head as if to say, "I obey."

Learn a good lesson from the example of the dog, and never let it be said of you, "Towser is more obedient than Willie."

A good school, viewed in its power over the young soul, shaping its character and destiny, is of such moment, that a few dollars a month in the price of teaching is as the dust of the balance in the comparison. Make your district school one of the best select schools.

You will thus save money, for your children will not then be tempted to go abroad to school, wasting their time and your dollars to little purpose. A higher style of thought and manners and morals will quietly spring up in your midst; and to do this you must produce a good teacher for your winter schools.

HAPPINESS! HAPPINESS!! WHAT CAN MAKE US HAPPY?

Reason's whole pleasure, all the joys of sense, lie in three words—Health, Peace, and Contentment.

But when we have pains, affliction or anguish of distress, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-being suffer? Does not Christ say: "With the same measure ye mete, it shall be measured to you again?" Mat. 7: 2. "Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James 3: 13.

HELMHOLD'S GENUINE PREPARATION—HELMHOLD'S HIGHLY CONCENTRATED FLUID EXTRACT OF BUCHU. For Diseases of the Bladder and Kidney, Stricture, Discharges, Weakness, and all diseases of the sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter how long standing. If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of the body, do not trust the cure to any other hands, but call on the subscriber in a city like this, and in the papers with genuine receipts, too well calculated to deceive the young, and those not acquainted with their tracks. You cannot be too careful in the selection of a remedy in these cases of the fluid extract of Buchu has been pronounced by eminent physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste, and very innocuous in its action, and yet so thorough that it annihilates every vestige of the disease, and restores the system to its natural health, and, unlike other remedies, does not dry up the disease in the blood.

Constitutional debility, brought on by self-abuse, a weak nervous system, which has lowered thousands of the human race to untimely graves, thus blighting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which never fails to exert its full and powerful effects, it is the continued and despairing invalid, no equal to be found acting both as a Cure and preventive.

HELMHOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SASSAPARILLA. For Purifying the Blood, removing all diseases arising from excess of Mercury, exposure and impudience in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and safe remedy for Scrophulous, Salt Rheum, Scaled Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetters, Pimples on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla ever offered to the public. It is a safe and reliable remedy for Scrophulous diseases, has been recently recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases have been fully reported by the medical officers of the Institution, and are on file in the office of the Dispensary, in the city of New York, Philadelphia and Baltimore. Dentists prescribe it in their practice most successfully, and for every source the most flattering laudations are awarded it.

Inflamed and bleeding gums are immediately benefited by its use; its action upon them is mild, soothing and effective. It cleanses the teeth so thoroughly, that they are made to rival pearl in whiteness, and diffuses their natural sweet and delicious fragrance, so that the breath is rendered exquisitely sweet. It disinfects those Impurities which tend to produce decay, and as a consequence, when these are removed the teeth must always remain sound. Read the following from Dr. J. A. CARMAN.

Medicines.

MOST IMPORTANT TO THE LADIES.—Dr. Gessner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have outshone the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by innumerable testimonies, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient; for which reason they must not be used during pregnancy, though always mild, healthy, safe and certain in their effects. Married Ladies will find particular instructions in the directions, in which are stated in various symptoms by which the causes of the suppression may be determined. Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr. J. G. GESSNER. Principal Office, 127 1/2 Liberty Street, New-York City. Responsible agents will be appointed for their sale as soon as practicable. In the meantime, all orders are to be addressed to Dr. J. G. GESSNER, 127 1/2 Liberty Street, New-York City, or to box 2456 N. Y. Post Office. An extra box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

CAUTION TO LADIES. As various not only ineffective, but injurious compounds purporting to be "FEMALE PILLS," under all kinds of names as "IRON PILLS," "SILVER PILLS," "GOLDEN PILLS," "RHODONITE PILLS," &c. are attempted to be sold, the subscriber, in order to prevent any such imposture, has deemed it necessary for Ladies to be on their guard against the same, and in all cases where there is no authorized agent for the sale of "DR. GESSNER'S MENSTRUAL PILLS," to order direct from him by mail, by return July 25, '65.

DR. J. B. MARCHESI'S CELEBRATED CATHOLICON, FOR THE RELIEF OF ALL AFFECTIONS OF THE URINARY SYSTEM. It stands pre-eminent for its curative powers in all the affections of the Urinary System, for which it is recommended, usually called FEMALE COMPLAINTS. Of these are Protrusion Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhages, or Flooding; Painful Suppression, & Irritable Menstruation, &c. with all other accompanying evils, (Cancer excepted), no matter how severe or of how long standing.

This medicine has never been introduced by empty puff, and misrepresentation, nor is it intended that its present popularity shall be sustained by any medium but the approbation of the public.

NOTICE TO THE UNFORTUNATE FEMALE. I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchesi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with fluor albus, the pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. NEWLAND, recomended Dr. Marchesi's Uterine Catholicon. After taking four bottles, I find myself in perfect health. I am grateful for my restoration, and am ardently desiring that all my sex, alike unfortunate, may find relief from this inestimable medicine.

ELIZABETH A. NEWLAND, No. 19 West 4th, Utica, N. Y.

F. P. NEWLAND, M. D., Utica, N. Y. I have no hesitation in saying, Dr. Marchesi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Protrusion Uteri, and in cases of extensive ulceration of the vagina and uterus. It is worthy of the notice of the Faculty.

JOHN C. ORRICK, M. D., Baltimore, Md. Let all interested call and obtain a pamphlet (free, containing ample proof, from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

LIVER COMPLAINT, Dyspepsia, Jaundice, Chronic or Nervous Debility, &c.

Jaundice, Chronic or Nervous Debility, &c. see the Liver, and all diseases arising from a disordered Liver or Stomach, such as Constipation, inward purging of blood, the head, acidity of the stomach, nausea, heartburn, disgust for food, fulness or weight in the stomach, sour eructations, sinking or fluttering in the pit of the stomach, swimming of the head, vertigo, and difficult breathing, fluttering at the heart, or other suffocating sensations when in a lying posture, sickness of vision, dots or webs before the sight, fever or dull pain in the head, depression of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flashes of heat, burning in the feet, constant humors of extra, and depression of spirits, can be effectually cured by DR. HOELLEN'S CELEBRATED GERMAN BITTERS, prepared by Dr. C. J. JACKSON, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, equalled by any other preparation in the United States as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of Invalids.—Possessing greater virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weak and affections of the digestive organs, they are vital safe, certain and pleasant.

TESTIMONY FROM PENNSYLVANIA. J. D. Spring, Laceyville, Pa., April 6, 1864, says, "I am certified on some good certificates in your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew. Having done her and her husband much good."

S. B. Lawson, Bedford's Store, Somerset Co., Pa., Aug. 15, 1863, says, "I am much attached to your German Bitters, having used two bottles of it, which I procure from S. Kirtz, your agent at Somerset, and found great relief in its use. It has cured me of a long and great effort on my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. Giles, Newton Hamilton, Pa., May, 1861, says, "I have used myself half a dozen bottles of your German Bitters for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was pained and afflicted with spasms from the use of it, but by the use of your medicine, I was cured of it, and I find it to be a most valuable remedy, which I obtained my relief. I have also given it to many dyspeptics, with the most salutary results. I think as many more bottles will cure me."

S. C. Young, Esq., of Dauphin, Pa., writes May 3, '65. "I was afflicted with General Debility, Constitutional Weakness and Costiveness, for which I used many different remedies without relief. I at last used your Holland German Bitters. I took a few bottles according to directions, and was cured of my ailment. I have since been healthy for ten years as I have been since I took your Bitters, which is about one year ago."

These Bitters are INDEEDLY VERGABE, always strengthening the system and never prostrating it. Sold by dealers in medicine and storekeepers everywhere, and by Samuel Elliott, S. W. Haverstick and I.
