SCHIEDAM AROMATIC SHNAPS. LO THE CITIZENS OF PENNSYLVANIA. I be ; leave to call the attention or the citizens of Pennsylvania to the above article, manufactured by my self exclusively, at my factory in Schiedam, Hold land, expressly for medical purposes.

It is made from the best Barley that can be selected in Lurope and the essence of aromatic Italian berry, of acknowledged and extraordinary medicinal preperties; and it has long since acquired a higher reputation both in Europe and America, than any other dietene beve-

rage,
In Gravel, Gout, and Rueumatism; in obstructions of the Bladder and Kidneys, and debility of the urmary functions, its effects are prompt, decided and invaribly reliable. And it is not only a remedy for these namedies, but, in all cases in which they are produced by drinking had water, which is almost universally, that was a fixed property as a surprographic.

dies, but, in all cases in which they are produced by drinking had water, which is almost universally, tha cause of them, it operates as a sure preventive.

The distressing effect upon the Stomach, Bowels, and Bladder, of travelers, new residents, and all porsons unsaccustomed to them, produced by the waters of nearly all of our great Inland rivers, like the Ohio, Mississippi and Alabama, from the large quantity of decayed vegatable matter contained in them, in a state of solution, is well known; as is also that of the waters of limestone regions, in producing Gravel, Cyletell, and stone in the Bladder. The AROMATIC SCHIEDAM SCHNAPPS is an absolute corrective of all these injurious properties of bad water, and consequently prevents the disease which they occasion. It is also found to be a cure and prevontive of Fever and Ague, a complaint caused by the conjoint effects of vegetable malaria in the atmosphere, and vegetable putrescences in the water of those districts in which it principally prevails. The Aromatic Schiedam Schnapps is consequently in great demand by persons traveling, or about to kettle in those parts of the country especially; as well as by many in every community where it has become known, on account of its various other remedial properties,

More than three thousand physicians, among whom are numbered the greatest names belonging to the faculty of medicine in this country, have certified, over their own signatures, to the valuable medicinal properties of such an article, as the severest tests have proved the Schiedam Aromatic Schnapps to be and have accepted in as a most desirable addition to the Materia Medica.

Put up in quart or pint bottles, enveloped in yellow paper with my name on the bottle, cork and seal. For sale by all respectable Drugglats and Grocers.
