something valuable to say. "The inner door of your heart must be well shut against temptation, for con-science, the door-keeper, grows very in-different if you disregard his call; and sometimes drops asleep at his post, and when you may think you are doing very well, you are fast going down to ruin. If you carefully guard the outside doors of the eyes, and ears, and lips, you will keep out many cold blasts of sin, which get in before you think. MPORTANT TO FEMALES!^{*} DR. CHEESEMAN'S PILLS.
