SATURDAY EVENING POST.—
ESTABLISHED AUGUST 4th, 1821.
WEEKLY EDITION BETWEEN 80,000 AND 90,000!

In issuing their Prospectus for 1856, the proprietors of the Post take it for granted, that the public are already tolerably well acquainted with the character of a paper that has grown strong during the storms and sunshine of THIRTY-FOUR YEARS. Their object always has been, as it remains to be, to publish a weekly paper for the family circle, which shall not only amuse, but also instruct and improve, those who may read it. To accomplish this object, the best articles are selected or condensed from foreign and domestic periodicals, and original articles of an instructive character procured, when possible.

Letters from Foreign Lands; the most interesting portions of the Weekly News of the World; Sketches of Life, Adventure and Character; Select and Original Articles upon Agriculture; Account of the Produce and Stock Markets; and a Bank Note List are members among the solid information to be constantly found in the Post.

But the mind requires a wider range—it has faculties which delight in the humorous and lively, the imaginative and poetical. These faculties also must have their appropriate food, else they become enfeebled, and, as a consequence, the intellect becomes narrow and one-sided, and is not able to take an enlarged and generous view of human nature and its destiny. To satisfy these heaven-implanted cravings of our mental being, we devote a fair proportion of the Post to FICTION, POETRY and HUMOR.

Among other contributors in the first two of the above Departments, are several of the most gifted writers in the land. We also draw freely from for Fiction and Poetry upon the best periodicals in this country and Great Britain. We design commencing a New Story by Mrs. SOUTHWORTH, author of "The Deserted Wife," "Miriam," &c., in our first paper of January next.

NOTICES OF THE PRESS.

This is one of the few large papers filled with life and thought, instead of lumbering trash. Its management is marked by liberality, courtesy, ability and tact. It employs the best literary talent, and spares no pains or expense. As a family paper, one of literary and general intelligence, we cordially recommend it.—Cayuga Chief, Auburn, N. Y.

We have heretofore spoken in high terms of the merits of the Post, as one of the best papers on our exchange list, and we regard it as one of the best literary papers to be found anywhere. Its editorials are written with ability, and take a liberal, independent and comprehensive view of men and things.—Star and Advertiser, Wrightsville, Pa.

It is deservedly one of the most popular public journals in the United States, combining as it does, in a literary point of view, all the interest of the best magazines, with a vast amount of general intelligence.—Republican, Litchfield, Ct.

$1000! $1000!!
AFFLICTED
AND
UNFORTUNATE,

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying boasts, false promises, and spurious recommendations from the dead and unknown of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the clemency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., without effect—having been deceived by misrepresented and exaggerated accounts of Self-Abuse, Secret Diseases and their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to increase sufferings, and alarm and frighten the unthinking, the more easily to extort large fees, (which is more evident, being sold for less than cost of printing and advertising)—having paid five to one hundred dollars to Foreign and Native Quacks,

WITHOUT BEING CURED,

having suffered much and long—though the time lost cannot be recalled, nor the money recovered you paid and were defrauded of, yet you can be cured, however bad, long standing or afflicting your case, by Dr. LEIDY.

"Be wise, betimes; Delays are dangerous."
"Time is Money; Time saved is Money earned."

YOUNG MEN OR OTHERS,

single, married, or, contemplating marriage, suffering from Self-Abuse or its consequences, or suffering from any other causes, defects, or diseases, and LADIES, whatever their diseases or situations, may honorably rely and confide in Dr. Leidy's skill and success. Dr. LEIDY has more patients, and cures them too, than all advertising Doctors, so called or otherwise, in Philadelphia combined, and proudly refers to Professors and respectable Physicians, many of whom consult him in critical cases, and respectable Citizens, Merchants and Hotel Proprietors, as to his known skill, reputation and unparalleled success.

HAPPINESS! HAPPINESS!!
WHAT CAN MAKE US HAPPY?

"Reason's whole pleasure, all the joys of sense,
Lie in three words—Health, Peace, and Competence.
(Pope.)

But when we have pains, affliction or anguish of diseases, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-being suffer? Does not Christ say: "With the same measure ye mete, it shall be measured to you again?" Matt. vii. "Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James, iii. 13.

IMPORTANT TO FEMALES!
DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have these Pills proved successful. They invariably open those obstructions to which Females are liable, and bring nature into its proper channel, whereby health is restored and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. To ladies whose health will not permit of an increase of their family, these pills will prove a valuable acquisition, as they will prevent pregnancy.—Headache, pain in the side, palpitation of the heart, hot flushes, and disturbed sleep do most always arise from the interruption of nature, and whatever that is the case, the pills will invariably remedy all there evils. Nor are the less efficacious in the cure of Leucorrhea, commonly called the "Whites." These pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter, pre-paid, to Dr. C. L. CHEESEMAN, No. 207 Bleecker street, New York, can have them sent to their respective addressive by mail.

HELMBOLD'S GENUINE PREPARATIONS.—HELMBOLD'S HIGHLY CONCENTRATED
COMPOUND FLUID EXTRACT BUCHU,

For disease of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known.—It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought the wards of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found acting both as a Cure and preventive.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND

☞ This article is now prescribed by some of the most distinguished physicians in the country and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of Secondary Syphilis, Mercurial and Scrofula diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases after the glands were destroyed, and the bones already affected.

Medicines.

MOST IMPORTANT TO THE LADIES.—Dr. Geissner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the hearth will not admit of increase of family, they are always efficient; for which reason they must not be used during pregnancy, though alway mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated in various symptoms by which the causes of the suppression may be determined.

Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr. R. G. GEISSNER.

TESTIMONY FROM PENNSYLVANIA.

J. B. Spring, Lancaville, Pa., April 6, 1854, says "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A Lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c.

S. B. Lawson, Benford's Store, Somerset co, Pa., June 15, 1853, says, "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from it in disease of the Liver. I find it has great effect on my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. Giles, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bittere for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of the latter article. The German bitters is the first medicine from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary results. I think as many more bottles will cure me."

J. C. Young, Esq., of Dauphin, Pa., writes May 5, '55 "I was afflicted with General Debility, Intestinal Weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland German Bitters. I took a few bottles according to directions, and was completely cured. I have not been healthy for ten years as I have been since I took your Bitters, which is about one year ago."

These Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.

Sold by dealers in medicine and storekeepers everywhere, and by Samuel Elliott, S. W. Haverstick and J. W. Caufman, Carlisle; Lininger & Co., Mechanicsburg; Snyder & Diehl, Newburg, and by Dealers in Medicine generally.
