### New Publications.

THE BRITISH PERIODICALS. PREMIUMS TO NEW SUBSCRIBERS.
L. SCOTT & C.J., New York, continue to publish the following leading British Periodicals, viz: 1, THE LONDON QUARTERLY (Conservative.)

3, THE EDINBURGH REVIEW (Whig) 3, THE NORTH BRITISH REVIEW (Free Church.) 4, THE WESTMINSTER REVIEW (Liberal.)

a, BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The great and important events—Religious, Political and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the newspapers, and the ponderous Tome of the historian, written longafter the laving interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised, whether of friend or foe, and all short-comings fearlessly pointed out. The letters from the Crimea and the Baltic in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable account of the movements of the great belligerouts than can elsewhere be found.

These Periodicals ably tepresent the three great political parties of tireat Britain—Whig, Tory, and Radical,—but politics forms only one feature of their character. As organs of the most profound writers on spicince. Interature, Morality and Religion, they stand, as they have ever stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional non, while to the intelligent reader of every 5, BLACKWOOD'S EDINBURGH\_MAGAZINE (Tory.)

ing considered indispensable to the scholar and the pro-fessional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can possibly be obtained from any other

EARLY COPIES.

The receipt of Advance Sheets from the British publishers give additional value to these reprints, especially during the present excited state of European affairs, mas.nuch as they can now be placed in the hands of subscribers about as soon as the original editions.

public that he is prepared to make the following SPLENDID OFFER.

TWENTY Boardman, Gray & Co.'s celebrated PIANOS and TWENTY C. W. Fisk & Co.'s PREMIUM MELODEONS will be placed in the hands of a committee of gentlemen, to be by them distributed among the holders of my certificates.

To each purchaser of my Popular Music, a certificate will be presented, entitling the holder to an interest in ONE PIANO and ONE MELODEON, to be disposed of by the Committee for the benefit of those holding certificates when ONE THOUSAND DOLLARS worth of Music shall have been sold, so that each person investing One Dollar will not only receive in, and the value of money paid out, but will have secreted to him an interest, in common with other certificate holders, in the above distribution. The succeeding distributions will be continued, subject to the same regulation, until the 20 Pianos and 20 Melodeons are distributed.

Particular attention is invited to that feature of this plan which calls for a disposal of the instruments when but 1000 certificates have been issued, thus avoiding the vexations delay and probable disappointment attending certain schemes now before the public.

Music—may be selected from my entire stock, which comprises every Catalogue in the United States.

Orders forwarded by mail will be faithfully and promptly attended to.

N. B—Constantly on hand a splendid assortment of Pianos, from the celebrated manufactories of Boardman, Gray & Co., of Albany; Jacob Chickering & A. W. Ladd & Co., of Boston; Ely & Manger, and Bennett & Co., of New York. Also, C. W. Fisk & Co.'s Promium Melodeous, to be had at the lowest manufacturer's prices.

Both and and & Co.'s Piano Forts.—We are so well pleased with the instruments made by this firm that we have determined to be instrumental ourselves, that is, in turnishing our subscribers and others with an artible that we can recommend and warrant. There is always a difficulty attending the purchase of planos, because persons cannot rely fully upon the recommendations they receive from manufactures, who are interested of course, in the sale of their own manufacture. Now, we are not interested in the matter in any way, except so far as to see that those who patronize our viboda" shall be well served with the best planos made. For a list of prices see cover, at which amounts we will send Piano s, warranted for one year, the freight to be paid by the persons ordering.
