## Kew Publications.

THE BRITISH PERIÖDICALS. -PREMIUMS TO NEW SUBSCRIBERS.

1. SCOTT & CO., New York, continue to publish the following leading British Periodicals, viz:

1. THE LONDON QUARTERLY (Conservative.) 2, THE EDINBURGH REVIEW (Whig) 8, THE NORTH BRITISH REVIEW (Free Church,)

4, THE WESTMINSTER REVIEW (Liberal.) 4, THE WESTMINSTER REVIEW (Liberal.)
5, BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)
The great and important events—Religious, Political and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news items, crude speculations, and llying runners of the newspapers, and the ponderous Tome of the historian, written iong after the living interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised, whether of friend or foe, and all short-comings fearlessly pointed out. The letters from the Crimea and the Baltic in Blackwood's Magazine, from two of its most popular contributors, give-a more intelligible and reliable account of the 'movements of the great belligerents than can elsewhere be found.

These Periodicals ably represent the three-great political parties of Great Britain—Whig, Tory, and Radical,—but politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality and Religion, they stand, as they have ever stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent-reader of overy class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can possibly be obtained from any other source. 6, BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

world, thau can possibly be obtained from any other source.
