A MARVELLOUS REMEDY FOR A MARVELLOUS AGE!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ, or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflamation of the lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin whatever form they may assume, as the Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the directions of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected and by otherwise following the printed directions around each pot.

BOTH THE OINTMENT AND PILLS SHOULD BE USED IN THE FOLLOWING CASES:

Bunions	Piles	Sprains
Burns	Rheumatism	Scalds
Chapped Hands	Salt Rheum	Swelling Glands
Chilblains	Skin Diseases	Stiff Joints
Fistulas	Sore Legs	Ulcers
Gout	Sore Breasts	Venereal Sores
Lumbago	Sore Heads	Wounds of all
Mercurial Eruptions	Sore Throats	Kinds
	Sores of all kinds	

Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London, and by all respectable Druggists and Dealers of Medicine throughout the United States and the civilized world, in Pots, at 25 cents, 62½ cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

AFFLICTED AND UNFORTUNATE.

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying boasts, false promises, and spurious recommendations (from the dead and unknown) of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the clemency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., without effect—having been deceived by misrepresented and exaggerated accounts of Self-Abuse, Secret Diseases and their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to increase sufferings, and alarm and frighten the unthinking, the more easily to extort large fees, (which is more evident, being sold for less than cost of printing and advertising)—having paid five to one hundred dollars to Foreign and Native Quacks,

WITHOUT BEING CURED,

having suffered much and long—though the time lost cannot be recalled, nor the money recovered you paid and were defrauded of, yet you can be cured, however bad, long-standing or afflicting your case, by Dr. LEIDY.

"Be wise; betimes; Delays are dangerous."

"Time is Money; Time saved is Money earned."

YOUNG MEN OR OTHERS,

Single, married, or contemplating marriage, suffering from Self-Abuse or its consequences, or suffering from any other causes, defects, or deseases, and LADIES, whatever their diseases or situations, may honorably rely and confide in Dr. Leidy's skill and success. Accommodations, if required, with kind and efficient attendance, at DR. LEIDY'S PRIVATE HOSPITAL.

HAPPINESS! HAPPINESS!!

WHAT CAN MAKE US HAPPY?

"Reason's whole pleasure, all the joys of sense,
Lie in three words—Health, Peace, and Competence."
(Pope.)

But when we have pain, affliction or anguish of diseases, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-being suffer? Does not Christ say: "With the same measure ye mete, it shall be measured to you again?"—Mat. 7, 2.—"Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James 3, 13.

IMPORTANT TO FEMALES!

DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have these Pills proved successful. They invariably open those obstructions to which Females are liable, and bring nature into its proper channel, whereby health is restored and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. To ladies whose health will not permit of an increase of their family, these pills will prove a valuable acquisition, as they will prevent pregnancy.—Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do most always arise from the interruption of nature; and whenever that is the case, the pills will invariably remedy all theirt evils. Nor are the less affections, in the cure of Leucorrhœa, commonly called the "Whites." These pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter, pre-paid, to Dr. C. L. CHEESEMAN, No. 267, Bleecker street, New York, can have them sent to their respective addressive by mail.

HELMBOLD'S GENUINE PREPARATIONS.—HELMBOLD'S HIGHLY CONCENTRATED

COMPOUND FLUID EXTRACT BUCHU,

For disease of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known.—It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease, and, unlike other remedies, does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found acting both as a Cure and preventive.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,

For Purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicines in arresting some of the most inveterate diseases, after the glands were destroyed, and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

PRICES, Fluid Extract of Buchu, $1 per bottle, or 6 for $5.
" " " Sarsaparilla, " "

MOST IMPORTANT TO THE

LADIES.—Dr. Geissner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient; for which reason they must not be used during pregnancy, though always mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated in various symptoms by which the causes of the suppression may be determined.

Price, One Dollar per Box, containing explicit directions.

Each box will be signed by Dr. H. G. GEISSNER.

Principal Office, 127½ Liberty Street, New-York City.

Responsible agents will be appointed for their sales as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. GEISSNER, 127½ Liberty Street New-York City, or to box 2250 N. Y. Post Office, and box will be sent, by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

CAUTION TO LADIES.

As various not only ineffective but injurious compounds purporting to be "FEMALE PILLS" under all kinds of names as "IRON PILLS," "SILVER PILLS," "GOLDEN PILLS," "PERIODICAL PILLS," &c. are attempted to be palmed off upon the credulous or unwary, it is only necessary for ladies to be on their guard against the attempted imposition, and in all cases where there is no authorized agent for the sale of "DR. GEISSNER'S MENSTRUAL PILLS," to order direct from him by mail, by return of which a box will be sent.

LIVER COMPLAINT, Dyspepsia,

Jaundice, Chronic or Nervous debility, diseased Kidneys, and all diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, fulness of blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fulness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil, and great depression of spirits, can be effectually cured by DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, prepared by Dr. C. M. Jackson, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These bitters are worthy the attention of invalids. Possessing great virtues in the rectification of disease of the liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without sale, certain and pleasant.

TESTIMONY FROM PENNSYLVANIA.

J. D. Spring, Laceyville, Pa., April 6, 1854, says, "I can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c.

S. B. Lawson, Benford's Store, Somerset co. Pa., aug. 15, 1853, says, "I am much attached to your German Bitters, having used two bottles of it, which I procure from S. Kurtz, your agent at Somerset, and found great relief from it in disease of the Liver. I find it has great effect on my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. Giles, Newton Hamilton, Pa., May, 1851, said: "I have used myself half a dozen bottles of your German Bittere for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of the latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary results. I think as many more bottles will cure me."

J. C. Young, Esq., of Dauphin, Pa., writes May 5, '5 "I was afflicted with General Debility, Intestinal Weakness and Costiveness, for which I used many different remedies without relief. At last used your Hoofland German Bitters. I took a few bottles according to directions, and was completely cured. I have not been healthy for ten years as I have been since I took your Bitters, which is about one year ago."

These Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.

Sold by dealers in medicine and storekeepers everywhere, and by Samuel Elliott, S. W. Haverstick and I. W. Cauffman, Carlisle; Eminger & Co., Mechanicsburg; Snyder & Diehl, Newburg, and by Dealers in Medicine generally.

Humorous.

A SOCIAL HALL SKETCH.—'Talking of animals,' said Smashpipes, 'some are very instinctive indeed—up to anything.'

'Werry, smart, indeed, are some beasts,' growled Old Hurricane: 'I've fought the tiger myself,' day in and day out, without getting the better of him.'

'We had a cat in our family once,' pursued Starlight, 'who used to come regularly for pieces of cheese.' We thought at first she ate 'em. But we found out better. She used to strew 'em around promiscously where there were rat holes and lie in wait. When the rats came out, attracted by the smell, she'd up and nt 'em.'

'*Our* cat,' said Smoothingly, triumphantly, 'used to go to the cook to have *her* cheese toasted. She found out that that way she could beat your Grimalkin by seven rats an hour. 'Mi-cat *inter omnes!*'

'Shines among them,' replied the colonel, translating. 'And, talking of shining and starlight, puts me in mind of something I observed one shiny night in Broadway.

'There was a man who, when the stars were all out above, and the municipal stars were complaisant below, used to rig up a telescope wherewith to study astronomy at a sixpence a squint.

'One night as he was getting under way, I saw two Irish gentlemen taking an observation of his movements. Both were policemen.

'"Janey, ye divil,' said one, 'what in the wurrold is yon fellow afther wid his machanery?'

'"Whist! ye spalpeen," whispered the other; 'sure an' can't ye see that it's an air gun cannon that he's got? He's afther shootin' stars, he is.'

'"Hadn't we bether be gettin out av the way, thin?' inquired his friend.

'"Sure an' its no use, was the answer.—'Didn't ye niver hear of shootin' stars?'

'By this time the telescope man had arranged his instrument and squinted through it up at the stars. The policemen gazed up likewise in wonder. Just then by the odd chance, a large meteor shot down the sky.

'"Bedad he hit it—he's fetched it down!' cried both the Paddies in a breath. 'Sure an' that's the greatest shootin' I iver saw in all me life!' But a sense of duty at once prevailed, and one of them at once rudely accosted the man of science.

'"Ye'll jist stop that now mister, av ye plase. The night's dark enough now, and plinty—av ye go on shootin' stars at that rate, sorra, the man 'ill find his way about the strate.' And the telescope man had to pack up and be off.'

And there was a dead of silence of amazement at the immensity of the Colonel's unveracity, and the puffing of cigar smoke was all the sound we heard.

RANDOLPH AND CLAY.—The following is the insulting language used by John Randolph to Henry Clay in secret session of the senate in 1825, which led to a challenge from that celebrated statesman, and a bloodless duel:

'This man—(mankind, I crave your pardon)—this worm—(little animals, forgive the insult)—was raised to a higher life than he was born to, for he was raised to the society of blackguards. Some fortune—kind to him—cruel to us—has tossed him to the Secretaryship of State. Contempt has the property of descending, but stoops far short of him.' She would die before she would reach him; he dwells below her fall. I would hate him if I did not despise him. It is not *what* he is but *where* he is that puts my thoughts in action. This alphabet, which writes the name of *Thersites*, of *blackguard*, of *squalidity*, refuses her letters for him. That mind which thinks on what it cannot express, can scarcely think on him. An hyperbole for *meanness* would be an *ellipsis* for Clay.'

ENCROACHMENTS OF THE OCEAN.—The New Jersey Geological Report shows that the Atlantic is steadily and rather rapidly, encroaching upon the land on its coast. "At Cape Island the surf has eaten inward full a mile, since the Revolution. Along the bay shore in Cape May the marsh wears away at the rate of a rod in two years. One of the beaches on the coast is mentioned as having moved inward one hundred yards in the last twenty years.—It is also the opinion of the oldest observers that the tides rise higher upon the Eastern New Jersey uplands than formerly.

☞ 'Insults,' says a modern philosopher, 'are like counterfeit money, we can't hinder them being offered, but we are not compelled to take them.'

☞ A ray of light to the understanding is better than a volume committed to memory.
