cher. WONDENFUL TALE TELLING.—This marvel-ous story is from Meister Karl's Sketch book: "Talk of opening oysters," said old Hurri-throw any light upon the affair. He told his throw any light upon the affair. He told his story, but great to his astonishment when he heard the reply to his anxious inquiries: "And how's how," inquired Starlight. "Sootch Sauff," answered old Hurrioure, a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and Ldon't pretond to have any a little of It ever so near their needs, and chaltes off."

MOBALS AT -SALT LAKE .- A traveler who has recently visited the Salt Lake sottlement, gives a fearful picture of the degraded moral condition of that "heaven upon earth." He says that amongst the revolting features of Mormon institutions, that which permits marriage between blood relations is the worst. He has met with numerous instances of men marrying both mother and daughter. A bishop of one of the wards married six wives, all

- they'll snecze their lids off."

" I know a genius," observed Meister Karl, "who has a better plan. He spreads the bivalves in a circle and begins spinning a yarn. Sometimes it is an adventure in Mexico-sometimes a marvelous stock operation in Wall street. As he proceeds the natives get interested; one by one they gape with astonishment as the tremendous and direful whappers which are poured forth; as they gape, my friend whips them out, peppers them, and swallows them."

That'll do,", said Starlight, with a long figh: "I wish we had a bushel of mill-ponds here now-they'd open easy."

EOHO ANSWERING QUESTIONS .--- What 'must be done to conduct a newspaper right ?---"write !"

Speaking of the eastern war, one asked what will be the expence ?---- " pence !" . What's necessary for a farmer to assist him ?-- " system !"

What's the best thing to settle the slavery confusion ?--- " fusion !"

What would give a blind man the greatest delight ?-- " light !" What is the best council given by a Justice

of the peace ?--- " peace !" Who commands the greatest abominations !

--- " nations !" What cry is the greatest terrifie ?-... fire !"

What are some women's chief exercise ?-- | ways. sighs !"

Who is more beautiful than she ! I demand an answer-" Ann, sir !"

THE BEST TIME TO PERT .---- Two gardners had their crops of peas killed by frost, one of whom, who had fretted greatly and grumbled at his loss, visiting his neighbor some time af. ter. was astonished to see another fine grop growing, and inquired how it could be. . These are what I sowed while you were fretting,' was the reply. 'Why don't you ever fret ?' 'Yes ; but I put it off till I have repaired the mis. shidt." Why, then, there's no need to fret at for in the fact that the ladies have monopolized ett." 'True; that's the reason I put it off. the hoops.

sisters, and moreover his nieces. He mentions that Brigham Young lately built a harem of stone to cage his ninety beauties in, but that they all kicked against the arrange. ment and asserted their rights to be treated like free born daughters of Eye. The Gover-

nor, he says, was obliged to cave in.-INCREASE OF WEALTH in Ohio .- In the year

1850, before the completion of the railway system, the State of Ohio had an aggregate amount of taxable property rated at \$439. 876,840, and in the year 1855, after the completion of the system, the value of the same description of property is set down at \$869.. 877,354, very nearly double. Nothing can more foreibly illustrate the wonderful effects of railway improvements upon the prosperity of a Étate. Ohio has entered more largely than any other member of the confederacy upon the development of the system of rail-

COLT's REVOLVERS .--- It has been estimated that over 400,000 pistols have been turned out at the manufactory in Hartford. Of these one-third have been sold in California. The United States have been furnished with six thousand, which at a cost of \$28, would be \$168,000, added to repairs, which will amount to several thousand more. About 2,000 are:

annually sold in New York bity by jobbers and the retail trade, which would amount by average to nearly \$40,000.

The scarcity of barrels is accounted
